## Royal Canadian Legion District H convention another Chapleau success

Representatives from 37 Branches of the Royal Canadian Legion gathered in Chapleau on the weekend of April 8-10 for the District H convention.

It was the first time for Chapleau as host of the District H convention.

Local organizers, under the direction of Comrade Graham Bertrand, received many congratulations from all the participants for a very well planned convention.

A total of 155 participants took part in the convention to elect officials, discuss policies and the year's events, and present a variety of awards.

This District H is comprised of 37 Branches throughout

the Northeastern Ontario territory from Parry Sound to North Bay, and from Sault Ste. Marie to White River.

Apart from the general enjoyment of greeting the many visitors to Chapleau, this year's event included two notable elements for the Chapleauites in attendance.

First, this year's convention was marked by an election of historical significance. Comrade André Paquette was elected as District Commander for a 2-year term, the first such appointment from Chapleau since the District H's creation.

The second was the presentation of an award to Comrade Betty O'Shaughnessy for 70 years of dedicated service toward the Legion's Ladies' Auxiliary.

Betty also received a special recognition from the President of the Ontario Command of the Ladies' Auxiliary for her many years of service to the

## New Principal for École Sacré-Coeur

By Shelley Martel

Chapleau's French Catholic elementary school, École Sacré-Coeur, welcomed its new administrator earlier this year. Mr. Patrick Venne has taken on the role of principal.

A lifetime resident of Timmins, Venne attended the University of Ottawa and teachers' college at Laurentian University.

Before working as a teacher, Patrick worked for 5 1/2 years in Literacy, and owned his own coffee

shop business for 2 1/2 years.

Patrick is married and has a 2 1/2 year old daughter. His wife currently works as a hairstylist in Timmins and plans to join him in Chapleau this summer.

For now, Mr. Venne is commuting from Timmins several days per week and is calling Aux Trois Moulins Motel his home away from home. The Venne family decided to come to Chapleau when the position of principal became available.

They have interests in the outdoors, hunting, fishing, and canoeing. Patrick had been to Chapleau before when working in Literacy. The Venne family finds that the people they've met here

are very kind and welcoming. "This is also true of the teachers and students," he states.

Mr. Venne's teaching career began in Timmins with Core French, Physical Education, Computers, and Special Education. He has been employed by both English and French Catholic school boards. This will be his first experience as a principal.

The new principal states that his philosophy is "to assure that each child reaches his/her potential in a francophone environment, and where Catholic values are fostered".

Patrick Venne believes that one of the next challenges will be getting to know the Chapleau families and students, and he looks forward to joining the community on a more permanent basis.

## Township Council fine tunes ATV by-law

By Shelley Martel

An amendment to the by-law governing all-terrain vehicles was made this past Monday, to clarify the term ATV as a four-wheeled vehicle (not 3 wheels).

The ATV by-law has seen some changes since its inception. The more significant one pertains to the speed limit. It now states that the speed limit is 20 km/hr. Previously, the speed limit was set at 30 km/hr but it had to be changed due to provincial traffic regulations.

Drivers shall only ride on streets between 7:00 a.m. and midnight. Drivers of ATVs are to have an automobile license, and are not to carry passengers. Drivers must also wear a proper helmet.

The Provincial Police will enforce this by-law, which is reflected in the Provincial Traffic Act.

The township reports that there have already been some misunderstandings regarding these stipulations of the by-law.

For the benefit of our community, its citizens, and to ensure the future prospects of tourism for Chapleau, all ATV operators on local streets are asked to vigilantly respect the by-law.

Operating an all-terrain vehicle in a responsible manner will ensure that this exciting new advancement for our community will continue to be a positive step forward for all.

Outgoing District Commander Comrade Peter Vintinner transfers his responsibilities to the newly elected Incoming District Commander André Paquette.

## LETTER TO THE EDITOR

This letter is in response to the letter placed by Mrs. Pellow in the April 10th issue of the Chapleau Express.

We agree with you in the fact that we had a limited number of practices leading up to the ice show.

It was unfortunate that the two weekends prior to the ice show were the Fish Derby and Easter weekends. Nonetheless, we have tried to make the best with the time we had.

In order to accommodate the Canskate program, we made some changes to the regular schedule. Both professional coaches were available on the Monday of the March break and we added a practice on a Wednesday to replace the one lost during the Fish Derby Weekend.

We have increased the canskate sessions from 1 hour to 1 1/2 hrs.

Also, instead of having 30+ canskaters on the ice at the same time, we divided the

skaters into three groups and gave each respective group two 1/2 hour sessions per week.

It was felt that the skaters would benefit more by having a 1/2 hour lesson per group with both professional coaches focusing on that particular group's ice show number instead of having 1 hour for all 30 skaters at the same time.

At the ice show, all canskaters performed two numbers and participated in the grand finale as they have done in the past.

The decision for the Club's Head Coach to make an appearance at the ice show was done at the last minute after much convincing from the skaters. At no time did the professional coach use CFSC ice time to "perfect" her number.

As for private lessons, they are totally separate from the CFSC. Parents who chose to put their child in private lessons did so in preparation for

competition. This was done at their expense and on their own time.

Private lessons were

mainly given by our local coach on weekdays and not on weekends with the Club's Head Coach who is from White River.

The attendance at our Ice Show was not hindered by not having sold tickets in advance. More people attended this year than in previous years.

Due to the workload and added expense, we opted not to pre-sell tickets. It was unfortunate that the wait at the door was longer than normal, and as a result, we will set it up differently to minimize the waiting time for next year's show.

As a final note, the CFSC welcomes new volunteers. We have posted notices indicating that we had a few vacant positions on the executive this year; unfortunately, no one has come forth.

We encourage parents to bring forth suggestions and participate actively in the CFSC.

Please note that our next General Meeting will be held on June 14, 2005 at the CFSC dressing room at the Moore Arena.

Hope to see many of you attend!

## Art gallery features one of our own

By Shelley Martel

For a month, beginning Sunday, April 10th, the Collins Art Gallery will be alive with the artwork of Vikki Meyer Burkholder.

Vikki paints in acrylics and focuses her art on wildlife, nature scenery, birds, and portraiture. Her exhibit includes pieces she painted in the last 4 years with 7 new pieces she just completed this past year.

The paintings that are most popular with clients are those featuring puppies or children. One of her newest puppy pieces "Packed With Potential" is receiving a lot of attention.

Although Vikki paints portraits of loved ones for personal enjoyment, she has been commissioned to paint a number of portraits for clients.

At last year's Nature Festival, Vikki was one of the featured artists.

This talented artist has enjoyed some success with her passion for painting. Her painting "Puppy Reflections" was a national winner in 2003 with Ducks Unlimited.

In 2004, Vikki's loon

piece "Just Like Mom" and her puppy painting "Packed with Potential" both were national Ducks Unlimited winners. Also, Vikki's "Flowers For The Lady" duck print won the Ontario Sponsor Print Competition in 2004.

Vikki Meyer Burkholder has many exciting opportunities in the works. Her work is currently being considered by Pineridge Calendars. She will be doing sketches for Russell Stover chocolate company who produce commemorative Ducks Unlimited tins at Christmastime.

The focus is on larger competitions these days and Vikki is entering any that she qualifies for. Because painting comes naturally to her, she enjoys it and never gets discouraged. "It's just something I've always done and never gave up on. It's part of you, I guess," reflects Burkholder.

In the future, Vikki hopes to have shows in nearby towns and cities. She will spend her summer, as always, photographing subject material which she will begin painting when her 3 children return to school in the fall.

### Jan Needs a Canadian Host Family!

Jan from Germany Can't Wait to Learn about the Canadian Way of Life!

Jan has been selected as a teenage ambassador and will soon begin his year in a Canadian High School! He is very excited about living in Canada and he loves outdoor activities such as fishing and camping. Jan is very open-minded and although he is not very religious he would be happy to attend church and try new hobbies with the family. Jan likes computers and reading and on the weekend he helps his family on the farm until evenings.

Jan is coming with his own pocket money and insurance, like many other exchange students, who will arrive this August from all over the world. With the help of kind Canadian host families and EF Foundation, students, like Jan, receive this incredible opportunity to learn about Canadian culture.

Please help us find Jan a great home. You can make his Canadian dreams come true! For more information about hosting Jan, call local coordinators Chris and Tim Trevenna at (705)-267-2347 or EF Head Office (toll free) at: 1-800-263-2825

## Fierté du Nord

Bonjour,  
Mon nom est Pamela O'Hearn-Morin, je suis née et j'ai grandi à Chapleau. Je me rappelle quand j'étais jeune je voulais devenir enseignante. Donc après cinq ans d'études à l'Université Lakehead et à l'Université Laurentienne, j'avais accompli mon but et j'ai obtenu un baccalauréat en anglais et en éducation. Pour obtenir un peu d'expérience en enseignement à l'extérieur de ma ville natale, j'ai accepté un emploi à Timmins. Deux ans plus tard, j'ai voulu retourner à Chapleau pour être avec mon mari et ma famille. Heureusement je suis devenue enseignante à plein temps à l'École secondaire catholique Trillium. Venant d'une famille anglophone, mon plus grand défi dans mon nouveau travail

était de trouver le courage et croire en mes capacités d'enseigner le français.

Chapleau est une ville amicale et accessible aux loisirs comme la pêche, la chasse, le camping et la motoneige; sans oublier que c'est un bon endroit pour élever des enfants. C'est aussi en endroit où la communauté se rassemble quand elle fait face à l'adversité et à une tragédie pour soutenir ceux dans le besoin. Soyez fiers d'être nord-ontariens et faites attention à la communauté dans laquelle vous vivez.

L'éducation est non seulement une expérience pédagogique pour les élèves mais aussi pour moi comme enseignante, c'est pourquoi j'ai continué à prendre des cours de qualification additionnels pour développer mes

compétences comme éducatrice.

Hi,  
My name is Pamela O'Hearn-Morin and I was born and raised in Chapleau. I remember that as a young child I had always wanted to become a teacher. After studying for five years at Lakehead University and Laurentian, I had accomplished my goal and graduated with a Bachelor's Degree in English as well as in Education. In order to obtain some teaching experience outside of my hometown, I accepted employment in Timmins. Two years later, I wanted to return to Chapleau to be with my husband and family. Luckily I became a full time teacher at École secondaire catholique

Trillium. Coming from an English speaking family, my biggest challenge in my new job was finding the courage to believe in my abilities as a French teacher. Education is not only a learning experience for the students but also for myself as their teacher. That is why I have continued taking additional qualification courses in order to further develop my skills as an educator.

Chapleau is friendly and accessible to leisure activities such as fishing, hunting, camping and snowmobiling; not to mention a great place to raise children. It is also a place where a community comes together when faced with adversity and tragedy to support those in need. Be proud to be Northerner and take pride and take care (keep it clean) of the community you live in.

A pleasant surprise awaited Betty O'Shaughnessy on Saturday evening during the District H convention at the Legion. Comrade Doreen Beauchesne, President of the Ontario Command of the Ladies' Auxiliary, presented her with a plaque for her years of service to the organization.

The 37 Presidents of the District H Legion branches took advantage of their time together during their convention in Chapleau to discuss policies, and the many matters and activities that took place during the course of the past year. The group, along with the Ontario Command Officers, paused for a group photo before getting back to the business at hand.

# Trinity United Church hosts Annual U.C.W.

By Shelley Martel

Guests representing many northern communities such as Matheson, Porcupine, Iroquois Falls, Hornepayne and Cochrane were invited to join members of the United Church Women, at Trinity United Church, on Saturday, April 9th at 9:00 a.m.

Between 30 and 40 people were present for the annual meeting of the U.C.W. Cochrane Presbytery.

In attendance were U.C.W. Chapleau's President, Maureen Lavoie, and U.C.W. Cochrane Presbytery President Reverend Rolly MacLean.

Also attending

were local members and invited guests representing other local churches.

Out of town guests included U.C.W. Manitou Conference President Minnie Mackay from Cochrane and guest speaker Reverend Gailand MacQueen and his wife Joyce from Sudbury.

Reverend MacQueen is an author and retired professor at Huntington College at Laurentian University in Sudbury.

Reverend MacQueen spoke to the group about his research on Florence Nightengale. He portrayed her as a woman before her time in the medical field.

Florence Nightengale incorporated spirituality into her medical practice.

She believed that all religions hold the same truth and, although there are many names, there is only one God.

On display during the gathering was a variety of books for sale. The books ranged in topic from casual reading to children's books and theology.

Reverend Gailand MacQueen's book titled "The Spirituality of Mazes and Labyrinths" was made available for purchase as well.

These books were also made available to the general

public to purchase during the Soup Kettle on April 13th and April 27th as well as during the U.C.W.'s annual May Day Tea.

Pictured above with the display of books showcased during the annual meeting are U.C.W. President Manitou Conference Minnie Mackay, Reverend Rolly MacLean, U.C.W. President Maureen Lavoie, Joyce MacQueen, and Reverend Gailand MacQueen.

# Nature Festival press conference held in Timmins

Representatives for the 4th Annual Chapleau Nature Festival were in Timmins this Thursday to meet with that city's media.

A special press conference was held to officially launch the Festival advertising

campaign.

Members of the print media, as well as television reporters and radio interviewers were on hand to learn the details of this summer's prime Northern Ontario event.

Mayor Earle J.

Freeborn, Festival Coordinator Gail Donovan, and Centre Culturel Louis-Hémond Administrator Diane Jean made the presentation, showcasing the Festival's program of activities.

"They were

quite impressed with the fact that Chapleau was again this year able to attract such high calibre artists. Members of the media were especially jealous of our featured performer, Kalan Porter," explained Mayor Freeborn.

The press conference is an excellent opportunity for the Festival organizers to promote the event, and build the enthusiasm for it throughout Northern Ontario.

By Friday, MCTV, Radio-Canada, Q92, and The Daily Press had already featured the story in their newscasts, together reaching a potential audience of over 250,000.

The Festival Coordinator also confirmed that the sales of Passes are beating all projections.

"We have sold out all of our VIP Passes, and the regular Passes are going like hotcakes, and this, only two weeks after the launch of the Passes," stated Ms. Donovan.

# 2005 Spring Seat Belt Campaign

## Inaction Now Could Bring a Lifetime of Regret

This year's two-week Spring Seat Belt Campaign gets underway Saturday, April 16th and drivers can expect to see the familiar OPP roadside stop checks.

Police officers understand the importance of seat belt use and want to ensure that you and your passengers are buckled in safely.

More Canadian children die of road traffic injuries than any other cause.

A properly used child car seat reduces a

child's risk of injury in a motor vehicle collision by 75 per cent, yet approximately 80 per cent of child car seats are used incorrectly.

That is why this year's Spring Seat Belt Campaign will focus, once again, on child safety restraint in vehicles.

During the 2004 Spring Seat Belt Campaign, North East Region officers checked 44,751 vehicles and 670 people were charged for not wearing their

seat belts.

A total of 512 child car seats were checked and 56 warnings were issued while 12 drivers faced charges for infractions related to child safety restraints.

In December 2004, Bill 73 was passed in an effort to enhance the safety of children on Ontario roadways.

For the first time in Ontario, children's booster seats are mandatory for anyone transporting a child weighing

between 18-36 kg (40-80 lbs), under 145 cm (4'9") tall and under 8 years of age.

"Although this regulation does not take effect until September 1, 2005, it's wise to begin proper booster seat use now," explains Inspector Mark Andrews, Unit Commander Traffic & Marine, North East Region. "Don't let inaction bring you a lifetime of regret."

**Be safe and secure - buckle up right!**

### FORM 1 PLANNING ACT, R.S.O. 1990 NOTICE OF THE PASSING OF A ZONING BY-LAW BY THE TOWNSHIP OF CHAPLEAU

TAKE NOTICE that the Council of the Township of Chapleau passed By-law 2005-12 on the 11th day of April 2005, under Section 34 of Planning Act, R.S.O. 1990.

AND TAKE NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect of the by-law by filing with the CAO of the Township of Chapleau not later than the 9th day of May 2005, a notice of appeal setting out the objection to the by-law and the reasons in support of the objection.

Only individuals, corporations and public bodies may appeal a zoning by-law to the Ontario Municipal Board. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group.

#### PURPOSE AND EFFECT OF BY-LAW 2005-12

By-law 2005-12 is a by-law to amend By-law 89-19 the Comprehensive Zoning By-law for the Township of Chapleau. The purpose of the by-law is to permit pet grooming as a home occupation. The effect of the by-law will be to permit the grooming of no more than two small pets at any one time in a dwelling unit.

#### PROPERTY LOCATION AND DESCRIPTION TO WHICH BY-LAW APPLIES:

All dwelling units subject to the Township of Chapleau Zoning By-law.

Normally a key map is provided to show the location of lands to which the by-law being circulated applies. In this instance it is not possible to provide a key map at a readable scale for newspaper purposes.

The complete by-law is available for inspection in the CAO's office during regular office hours.

If further information or clarification is required on this matter, please feel free to contact the undersigned.

If no objections are received to By-law 2005-12 within the period of time prescribed by Form 1, By-law 2005-12 will come into effect.

Dated at the Township of Chapleau this 17th day of April 2005.

Allan Pellow - CAO/AMCT  
Greffier Municipal  
864-1330

### EN VERTU DE LA LOI SUR L'URBANISME DE 1990, AVIS DE L'ADOPTION DUN RÈGLEMENT DE ZONAGE À LA MUNICIPALITÉ DE CHAPLEAU

VEUILLEZ PRENDRE CONNAISSANCE de l'adoption par le conseil municipal de Chapleau de l'arrêté 2005-12 ce 11e jour d'avril 2005, en vertu de l'article 34 de la Loi sur l'urbanisme de 1990.

ET VEUILLEZ PRENDRE CONNAISSANCE que quiconque peut en appeler de ce jugement auprès de la Commission des municipalités de l'Ontario. Prière de faire parvenir sa demande au greffier municipal au plus tard le 9 mai 2005, en y énonçant les motifs de son objection.

Seul les individus, les sociétés et les agences publiques peuvent porter en appel un jugement de zonage. Ce droit n'est pas accordé aux organismes ni aux clubs non-incorporés. Toutefois, l'avis de porter en appel peut être déposé au nom d'un individu qui est membre de l'organisme ou du club en question.

#### LE BUT ET L'EFFET DE L'ARRÊTÉ 2005-12

L'arrêté 2005-12 se veut un amendement à l'arrêté 89-19 d'où relève les règlement globaux de zonage. Il autorise le service de toilettage des animaux dans une propriété privée et limite le nombre d'animaux clients à pas plus que deux à la fois.

#### COORDONNÉES DE LA PROPRIÉTÉ FAISANT L'OBJET DE CETTE DEMANDE

Toute habitation dans les limites municipales assujetties à l'arrêté global de zonage.

Normalement une carte montrant les terrains assujettis à ce règlement serait fournie pour fin d'examen. Ceci s'avère impossible faute d'espace exigé pour que la carte soit suffisamment lisible.

On peut examiner la copie intégrale de l'arrêté au bureau du greffier pendant les heures normales de bureau.

Pour de plus amples renseignements, veuillez communiquer avec le soussigné.

S'il n'y a aucune objection à l'arrêté 2005-12 dans les délais prescrits, il sera enchassé dans les règlements municipaux.

Daté au Canton de Chapleau, ce 17 avril 2005.

## Thank you - Merci

The children of the late Christian Richard would greatly like to thank all families and friends, who visited, sent sympathy cards, flowers, masses, donations and for all the meals served. Your acts of kindness where all sincerely appreciated during the loss of our father. Thank you Father Gilles, Patrick and Maria for the beautiful mass.

*Christiane, André, Michèle and Josée.*

Les enfants de Christian Richard voudraient remercier bien sincèrement tous les familles et amis(es) qui ont manifesté des marques de condoléances, soit par des offrandes, des messes, des cartes de sympathies, des affiliations de prières, des fleurs, des visites, de la nourriture et des repas servis. Que tous trouvent ici l'expression de notre reconnaissance et considèrent ces remerciements comme leur étant adressés personnellement. Merci Père Gilles, Patrick et Maria pour les chants durant la messe.

*Christiane, André, Michèle et Josée.*

# Gardening from the ground up

## MULTI-LEVEL GARDENING

By Mary Lynne Ivey

Ideally, a garden should provide interest on at least three levels: high, medium, and low. These three levels can be trees, shrubs, and smaller plants, or, in a smaller area, shrubs, tall plants, and ground cover plants.

While looking at the area you are planning, decide what scale would suit your garden best. In general, the smaller the area, the lower the height.

Next, decide what to use to provide the high-level interest. There are many varieties of ornamental trees that grow very slowly, or only grow fifteen or twenty feet high, that are suitable for planting in gardens. Some shrubs, like Saskatoon (Amelanchier) or Ninebark

(Physocarpus), will grow quite tall, without taking over the whole yard.

You may also have an existing tree that can be incorporated into your design. You could even use a climbing plant or a hanging basket, or some tall plants like Sunflowers, in a smaller space.

The middle level is usually made up of smaller shrubs or large herbaceous (non-woody) plants. These might be rose bushes, Peonies, Lilies, ferns, or any number of similar-sized plants.

Depending on the height of the first two levels, the lowest level might be made up of creeping plants that form a carpet layer, or larger plants like Hostas, or even a combination of sizes.

The important

thing is that there is enough of a difference in height between the three levels that they are distinct.

For example, you might have the lower level made up of plants between three inches and eighteen inches in height, then the second level with plants and shrubs between two and four feet in height, and then a couple of taller shrubs around six feet high.

On a larger scale, you might have a larger range of sizes, or more levels. The three-level principle is not a strict rule of design, but just a guideline to help with planning.

## "Congratulates all Employees"

### Three-shift arrangement Production Record Achieved

Tembec Forest Products group takes this opportunity to congratulate all Chapleau employees and yard contractors for their outstanding performance and contributions that has now resulted in new "Shift" and "Daily" production records while operating on a three-shift arrangement.

On Monday April 11, 2005 the "Sawmill" department achieved new record production volumes for a one-day operating period and has now been recorded as our "Best" sawing average for an operating shift and a one-day sawing period.

#### New Shift Record

Shift "C"

200,961 fbm/shift or 25,120 fbm/hr (net)

#### New Daily Record

549,387 fbm/day or 22,891 fbm/hr (net)

Consuming 2,494 m3

Processing 24,705 saw logs

This is 112% of our target

During this same operating period the entire mill achieved a **safety performance** level of 84 days without a recordable incident.

Tembec takes this opportunity to acknowledge and thank all employees for their outstanding contributions and efforts. We are well on our way in achieving these volumes on a regular basis.

"A Company of People Building their own Future"

## "Félicite tous ses employés"

### Nouveau record de production

Le groupe des exploitations forestières de Tembec tient à féliciter tous ses employés et sous-traitants de Chapleau de leur apport et rendement exceptionnels qui nous ont valu des records de production en matière de "poste horaire" et de "journée d'exploitation" établis sur trois postes horaires.

En effet, le lundi 11 avril 2005, la "scierie" établissait un nouveau volume record pour une seule journée d'exploitation qui s'est avéré notre "meilleure" moyenne de sciage sur une journée d'exploitation.

#### Nouveau record de poste horaire

Poste horaire "C"

200,961 pieds-planche/poste ou 25,120 pieds-planche/hr (net)

#### Nouveau record de journée

549,387 pieds-planche/jour ou 22,891 pieds-planches/hr (net)

Consommation 2,494 m3

Transformation 24,705 billes

Ceci représente 112% de notre objectif

Au cours de cette même période, l'ensemble du moulin franchissait un nouveau seuil de sécurité au travail avec 84 jours sans signalement d'incident.

Tembec tient donc à souligner et à remercier tous ses employés de leurs efforts exceptionnels. Nous sommes bien partis en vue de dépasser ces volumes de manière régulière.

"Des gens qui construisent eux-mêmes leur avenir"

**Merci et félicitations!**

# Early bird gets the work... Chapleau gets an early start to spring cleaning

By Shelley Martel  
The ducks are back, the street sweeping machine is

stirring things up around town, and the smells of spring are in the air.

The early arrival of spring this year has given us all the rare opportunity to get a jump-start on our yearly change-of-season duties. With spring comes the desire to freshen up our surroundings, replace the stale air in our homes and renew our vows to be more organized - thus, a new beginning.

The quest to get it all done can be overwhelming, even to a seasoned pro. A wish list of tasks helps to prioritize and visualize how realistic our goals we've set for ourselves are. Everyone knows that Martha Stewart couldn't possibly have enough hours in her day to do everything on her list! We all have pre-

conceived ideas of what should be done from the rituals we grew up with.

Things have changed now with cleaner burning fuels and more efficient cleaning products. Our approach must match the times in which we live. Some of us will hire someone to help with the larger scale jobs because of lack of time or even desire...and that's ok.

The pleasant weather beckons us to be outside now so it is a perfect time to get the whole family involved in picking up debris, sweeping, and raking (around the little mounds of snow). Painting and staining outdoors will be for days to come when the

Local homeowner Debbie Lewis takes advantage of the warm weather to clean up her yard, thus contributing toward beautifying the community.

night-time temperature consistently stays above 5 degrees.

On days when we prefer to be inside, de-cluttering and donating our excess items to charity clears the way for cleaning and rejuvenates the spirit.

We all know

what clean surroundings do for our peace of mind. Getting the jobs done first that nag at us help motivate us to continue. Trying to avoid guilt can sometimes be elusive but we can only do what we can. Besides, we've got the rest of the year to finish!
