Warm welcome home for local figure skater

By staff

On Tuesday, April 7, 2009, friends and family were on hand to greet Alicia Canning on her return home from participating in the 2009 HomeSense National STARSkate Championships which were held in Fredericton, New Brunswick. The championships hosted approximately 100 skaters.

Miss Canning competed in the Women's Silver Triathlon and placed a very respectable 6th place, only 10.99 points from the first position. She had to compete in three

disciplines comprising of creative skating skill, interpretive and free skating.

Pride in this young lady's accomplishments was evident Tuesday evening as friends and family gathered in front of the Chapleau Auto Parts store to await her O.P.P. escorted arrival displaying a "Congrats Alicia" banner. A surprise reception, organized by the Chapleau Figure Skating Club, was held afterward in the Moore Arena lobby along with a pot luck supper.

Chapleau Figure Skating Club members along with their

parents and friends gathered to pay tribute to Alicia presenting her with flowers and showering her with congratulatory remarks.

To acknowledge her achievements, Mayor Freeborn and Mrs. Freeborn, on behalf of the Township of Chapleau, presented Alicia with a commemorative plaque and a bouquet of flowers.

Emotions were high as Alicia thanked everyone for their support and was relieved when her father came to the microphone to add his thanks to the Chapleau Figure Skating Club

and the community of Chapleau for the unbelievable support that they have received throughout the years.

Chapleau should be very proud of their local figure skaters.

Dreams can be achieved with hard work and support from caring parents.

Congratulations are in order to Alicia Canning for her hard work and achievements and to the Chapleau Figure Skating Club and Anne Morin for organizing such a memorable occasion. Alicia is the daughter of Marshall and Debbie Canning of Chapleau.

Ducks Unlimited Canada recognizes Chapleau artist

Chapleau nature artist Vikki Meyer has been awarded the title of Ducks Unlimited Canada's (DUC) Mississippi Flyway Sponsor Print Artist for her painting, Water Babies. The print is part of DUC's national sponsor recognition initiative that includes three other selected

paintings from artists across the country.

"I'm proud to be a part of DUC's art collection," says Meyer. "I believe in the work DUC does to conserve Canada's wetland areas and am thrilled my work can play a role in achieving its conservation goals."

DUC's national sponsor recognition initiative will play an important role in its 2009 fundraising efforts. Supporters who make a significant financial contribution to DUC have the opportunity to receive Meyer's print, or a print by one of the three other chosen Flyway

artists, as recognition for their commitment to wetland conservation. Uniting people's passions for conservation and art, this initiative is making a real difference in the fight to stop wetland loss.

"Ducks Unlimited Canada is privileged to have the support of talented artists like Vikki Meyer who donate their work to support the wetland conservation cause," says Penny Burns, DUC's national art coordinator. "Their creativity and generosity generate lots of excitement in our fundraising activities

and help us raise much-needed dollars to save natural wetland habitat."

Meyer is a strong supporter of DUC and an advocate for wetland conservation. She encourages everyone to do their part to help conserve these natural areas so future generations can experience it firsthand. For information on Meyer's work and DUC's national sponsor recognition initiative, visit www.ducks.ca/sponsor.

For over 25 years, DUC has worked with some of Canada's foremost nature and wildlife

artists to raise the funds needed to conserve our vanishing wetlands. DUC's spring fundraising season is now underway. For information on upcoming DUC events in your community and to see more artwork by a number of other great Canadian artists, visit www.ducks.ca/event.

Ducks Unlimited Canada conserves, restores and manages wetlands and associated habitats for North America's waterfowl. These habitats also benefit other wildlife and people. DUC has been committed to wetland conservation for more than 70 years.

THANK YOU

The family of the late Patricia "Pat" Richardson would like to express their sincere appreciation to everyone who helped to make the loss of our mother a little easier. We would like to thank all those who sent cards, food, words of comfort, Masses and donations. Special thanks to Father Christopher, Deacon Peter Chalykoff and the choir of Saint Monica's Church for the beautiful service. Thanks to family members Mark Richardson, Jessica Kendrick, Paul and Lydia Richardson for their part in the service. Mom-Gramma would have been honoured. Special thanks to Rick and Pat for the lovely luncheon. We would also like to thank Mr. Landry for all his help as well as Mr. Gilmartin for his care and professionalism. The Richardson/ Kendrick families sincerely thank the doctors and the hospital staff especially the nurses for your care, compassion and support for Pat. You made Mom feel very special.

OBITUARY Martel, Denise

It is with great sadness that we announce the peaceful death of Denise Martel on April 3, 2009, at the age of 50. Beloved wife of Gilles Gunville and daughter of the late Yvon Martel (Margot) and of Marie Martel. She leaves behind her loving children: Clyde and Jessie, her brothers and sister: Guy (Anne), Paul (Caroline), Elaine (Rick) and Yves (Karen), her nephews and nieces: Nicholas, Jonathan, Matthew, Michel, Daniel, Chantal, Natalie, Erika, Spencer, Brittany and Cassie, and many relatives and friends. The celebration of prayers will be held on Saturday April 11, 2009 at 1 p.m. in Gatineau. Donations to the Maison Mathieu Froment-Savoie Foundation or the Canadian Cancer Society would be appreciated.

THANK YOU

We would like to extend our sincerest thanks to the community of Chapleau for your loving care of our Uncle Joe over the years he made Chapleau his home. Special thanks to those who cared for him in his final years. We were happy to have met some of you; the Royal Canadian Legion Branch #5 for the beautiful ceremony performed at Uncle Joe's Memorial Service and the baking and refreshments from the Legion Ladies; Alex Shawanda Sr. for the inspiring Ojibwe prayer felt by our spirits; Alex Jr., Justin Castonguay, Chief Keeter Corston, and David Ferris for the Sacred Fire and Pipe Ceremony; last but not least, APANO staff. We are very grateful Chi-Meegwetch, Thank-You. Your support is greatly appreciated.

Women's Snack and Yak

It seems that everywhere you look; someone is offering information on new and improved diets, often involving the consumption of a particular grouping of foods, or the avoidance of certain foods. Magazines lure you

with their headline promises of guaranteed weight loss if you follow the latest eating (diet) discovery in that particular issue; newspaper journalists then offer research which may contradict the claims of the latest diet information, and

revealing that it may actually be harmful to our health. All of this can leave us in a state of confusion – what should I be eating as part of a healthy diet?

For clarification on this subject, join us on April 22 from 12 noon to 1:00

p.m., for the third Snack & Yak gathering in the Cedar Grove Dining Hall. Robin Greer, registered dietician, will be talking about Healthy Nutritional Tips.

At our last Snack & Yak, eighteen women enjoyed lunch together while learning about Women and Sleep, presented by Mary Boucher. These informal gatherings are a perfect opportunity for busy women to take an hour out of their week to gather information

of interest to women while enjoying a healthy lunch of homemade soup and sandwiches (and a small dessert!) and socializing with friends.

Space is limited for these

meetings, and the cost is minimal. For more information, or to get your ticket, call Turning Point at 864-1919. Tickets are available until April 17. Be sure to get yours early!!!

Sudbury Gives Shine To Ontario Diamonds

Ontario's first diamond cutting and polishing facility will be located in Greater Sudbury and will create about 50 new jobs in the community.

Crossworks Manufacturing, part of the HRA-SunDiamond Group, who qualified for a supply contract with De Beers' Diamond Trading Company (DTC), will cut and polish an estimated \$25-million worth of rough stones a year at a new northern facility. Once completed later this year, the facility will employ about 50 people in special skilled diamond cutting trades, as well as administrative and maintenance positions.

The rough stones will come from the De Beers Canada Victor Mine, located 90 kilometres west of Attawapiskat First Nation, in the James Bay Lowlands. Under an agreement with the Ontario government, De Beers Canada, through the De Beers global sales and

distribution arm, the DTC, is making 10 per cent of its annual rough diamond production from the Victor mine, by value, available for cutting and polishing activities in Ontario.

"The establishment of our factory is a great beginning for us in Ontario and will put Greater Sudbury on the global diamond map.

As a Canadian company, we are excited about the possibilities that this offers the jewellery

industry, the City of Greater Sudbury, the Province of Ontario and Canada." said Uri Ariel, President, Crossworks Manufacturing Ltd.

"This exciting initiative will provide new avenues of employment and expertise as well as further advance Greater Sudbury's reputation as a centre of mineral excellence." said Rick Bartolucci, MPP for Sudbury.

UNE SOIRÉE DE VARIÉTÉS POUR O-AMBASSADORS

Certains élèves de Trillium participent au programme O-Ambassadors, un projet conjoint avec Oprah's Angel Network and Free The Children. Ces étudiants travaillent sur des objectifs de développement du millénaire, de l'apprentissage sur les enjeux mondiaux et de faire une différence tangible dans la vie de leurs pairs et dans le monde en développement.

Ils font partie d'un réseau O-Ambassadors à travers l'Amérique du Nord, qui travaille à trouver des solutions aux défis mondiaux à l'aide d'apprentissages actifs, le partage d'idées et d'action. Grâce à ce logiciel, la jeunesse en Amérique du Nord a l'occasion unique de développer des compétences de direction, de devenir active et de devenir des citoyens remplis de compassion pour le monde.

Tout au long de l'année, les étudiants de l'école Trillium du club O-Ambassadors vont se sensibiliser sur l'importance d'une approche globale de développement en se concentrant sur les objectifs de développement du millénaire.

Les fonds amassés par ces élèves iront vers des projets de développement global en Afrique de l'Est. Ces projets prévoient donner aux enfants et à leurs familles les outils dont ils ont besoin pour briser le cycle de la pauvreté. Tous les projets seront réalisés en partenariat avec les collectivités locales.

Il aura une soirée de variétés le mardi 21 avril 2009 à 19h à l'ÉSC Trillium. Les dons seront acceptés à la porte.

QU'EST-CE QUE LA FORMATION DES ADULTES?

La formation des adultes vise à aider les adultes, de tous les âges, à améliorer leurs compétences en littératie. La littératie étant « la capacité de résoudre des problèmes à partir d'information obtenue dans des écrits, d'apprendre de façon autonome et d'utiliser efficacement les technologies ».

On distingue quatre littératies: scolaire, culturelle, communautaire et critique. Dans un centre de formation pour adultes comme FormationPLUS, on concentre sur la littératie scolaire tout en incorporant indirectement les autres littératies. Ce qui veut dire que l'on travaille avec les compétences essentielles en utilisant des documents qui reflètent la culture et la communauté. Les compétences essentielles sont à la base de l'apprentissage de toutes les autres compétences. Il y en a neuf :

- la lecture des textes;
- l'utilisation de documents;
- le calcul;
- la rédaction;
- la communication verbale;

- le travail d'équipe;
- la formation continue;
- la capacité de raisonnement;
- l'informatique.

Auparavant, un centre de formation pour adultes était en existence afin d'offrir la chance d'apprendre à lire et à écrire, cependant **ce n'est plus le cas**. Un centre de formation est à la disponibilité de tous afin de les aider à trouver un emploi, à changer d'emploi ou à améliorer leur rendement au travail, à atteindre une plus grande autonomie, à acquérir les préparatoires nécessaires pour faire l'apprentissage d'un métier, pour terminer leurs études secondaires ou pour continuer leur formation au niveau collégial ou autre, ou à jouer pleinement leur rôle de premier éducateur auprès de leurs enfants, bref un centre de formation aide à une personne à atteindre ses buts.

Si vous vous trouvez dans une position à avoir besoin d'un service du genre, n'hésitez pas à contacter FormationPLUS au 864.2763 ou passez nous voir au 69, rue Birch.

SAVAIS-TU QUE?

- Nous vivons à une époque exponentielle... Il y a 31 milliards de recherches sur Google chaque mois. En 2006, le nombre de recherches se chiffrait à 2,7 milliards. À qui posions-nous ces questions avant?
- Le premier message texte a été envoyé en décembre 1992. Aujourd'hui, le nombre de messages envoyés dépasse la population de la planète.
- Le nombre de dispositifs Internet en 1984 était de mille. En 1992, il était de un million. En 2008, il se chiffrait à un milliard.

- Il y a plus de 200 millions d'utilisateurs enregistrés sur MySpace (une communauté en ligne qui permet de discuter et de partager des photos et autres documents entre utilisateurs). Si MySpace était un pays, il se classerait au cinquième rang des plus grands pays du monde.

- On calcule l'information que publie le New York Times (quotidien de New York) dans une semaine est plus importante (en nombre) que toute l'information qu'une personne aurait pu trouver au 18^e siècle.

Daffodil Days A Huge Success!

With winter lingering and Easter coming, many Chapleauites seized the opportunity to buy fresh daffodil bouquets from Canadian Cancer volunteers during Daffodil Days last week. Demand for

these sunny Flowers of Hope was so brisk that by the early afternoon of Friday, some 5000 flowers had been purchased locally!

Over the years, the local Daffodil Campaign committee formed partnerships with 25 local busines-

ses, where employees pre-order their bouquets; these were delivered to these locations on Thursday. This year, we are grateful for 4 new partnerships, initiated with the Fox Lake Administration, École Secondaire Catholique

Trillium, the OPP and Formation Plus. If you are interested in having your business location participate in the pre-orders next year, please call Joanne at 864-0724.

On Friday, Cancer Society volunteers were

happily manning the sit-and-sell events, hosted by RBC and Valu-Mart. In addition, the LCBO staff generously volunteered to sell flowers on Thursday and Friday.

In all, over 60 volunteers can take the

credit for this year's record sales. Our apologies to all those who were disappointed at not being able to purchase daffodils this year. There is no doubt that we will endeavour to obtain more flowers for next year's event.

Volunteering for the Canadian Cancer Society is an excellent way to honour the memory of someone you have lost to cancer. Pictured here is Stephanie Pilote, who bravely took on the responsibility of pre-selling daffodils to her classmates and to the staff at Ecole Secondaire Catholique Trillium, in memory of her grandmother. Pictured with Stephanie is Rosane Connelly, a volunteer from the Canadian Cancer Society. Thank you Stephanie!

Pictured above is the small army of volunteers from the Students' Council of Chapleau High School, who became partners with the local branch of the Canadian Cancer Society for Daffodil Days last week. The students pre-sold daffodils to their classmates, families and friends. They were hugely successful in their efforts: almost 20% of all daffodils purchased in Chapleau were sold by these students! Awesome job!
