Students march in support of "Shannen's Dream"

Shannen Koostachin

CNW(Staff)

On Wednesday, April 27th, 2011, Chapleau Public School students marched in support of "Shannen's Dream".

Shannen Koostachin was a youth leader in Attawapiskat. She came to national attention through her struggle to get the federal government to build a school in her James Bay community.

Last May, Shannen died in a tragic road accident.

For eight years the children of Attawapiskat had been going to school in poorly constructed portables. The failure of the federal government to follow through on a promise to build a "real" school ignited a determination in Shannen and her fellow students to bring this to the attention of the world. Shannen was in Grade 8 at the time and became an inspirational force in getting students from school boards across Canada involved in a letter-writing campaign to change conditions for the children of her community.

In 2009, the federal government promised the children of Attawapiskat a new school. It is November, 2010 and the school has yet to be built.

The Ontario Public School Boards' Association has joined with First Nations organizations, with teacher federations and with other education partners to advocate not only for the community of Attawapiskat but for fair and equitable education funding for all First Nation communities.

"Canadians want the best for Aboriginal children and their families," said Catherine Fife, president of the Ontario Public School

Boards' Association. "Children should have a continuum of consistent, equitable and high quality educational experiences regardless of where they live in Canada. This is not only a key to success but a basic human right."

Shannen's Dream is a campaign named in memory of a courageous young woman who sparked a passion to make sure all First Nations children across Canada have decent schools and the kind of education that makes them proud of who they are.

On Wednesday, November 17, a media conference to honour 'Shannen's Dream' took place in Ottawa. Through a

Students leaving the School for the march

webcast, students from Attawapiskat brought greetings to the students of Elgin Street Public School. A Youth Panel flew to Ottawa from Attawapiskat to describe what it is like to go to school in make-shift portables.

At the media conference, Shannen Koostachin was recognized posthu-

mously through the Children's Rights Award from the Canadian Coalition for the Rights of Children. The award recognizes individuals or groups who demonstrate exemplary efforts to respect the rights of children as described in the UN Convention on the Rights of the Child. It was presented to Shannen's parents.

EDITOR'S POINT OF VIEW

Mario G. Lafrenière

The plight of Attawapiskat

Attawapiskat continues to be in the news for all the wrong reasons. It has been left aside and ignored by our governments for many years.

Their community's struggle continues as they fight for a new school, a new water intake, and a new dump site. Furthermore, they must deal with ongoing water plant and sewage problems, as well as the annual threat of flooding.

The J. R. Nakogee Elementary School was torn down in 2009 due to poor air quality within the school. This was due to a fuel spill that occurred in 1979. It

had been vacant for 9 years.

The community has been fighting for a new school for more than a decade!

A decade of portable classrooms with no library, no cafeteria, no art room, and no music room. There are no heated corridors between the classrooms.

We would not put up with this nonsense in our community and we should not allow this to happen to any community in this great country of ours.

Millions of dollars are now being spent to build schools in Afghanistan.

On November 15th, 2010, the *Honourable* Beverley

J. Oda, Minister of International Cooperation, announced that individual Canadians had donated over \$46.8 million for Pakistan flood relief and that the Government of Canada has put an equivalent amount into its Pakistan Flood Relief Fund.

"Once again, Canadians have demonstrated their compassion and generosity, and the government is proud to partner with them to help the victims of the floods in Pakistan," Minister Oda said. "Through the Pakistan Flood Relief Fund, Canada will continue to support the Pakistani people with emergency aid and

early recovery efforts. Canada will assist those who are able to return to their homes as well as those who remain in camps," she added.

Isn't this special! Was this human compassion or strategic compassion? Help from Pakistan is crucial in the Afghanistan war. Enough said.

Providing relief funds to disaster victims around the world is warranted but first and foremost let's take care of our own. We should continue to listen to Shannen Koostachin's message and what she stood for.

The faith in our politicians may be salvaged once the existence of Third World regions within our borders are abolished.

Perhaps the G20 Summit should have been held in Attawapiskat. But then again, they didn't need an artificial lake or a gazebo.

Hydro Pole Stolen

On April 14, 2011 Superior East OPP in Chapleau received a report from

Hydro One that a 45 ft hydro pole had been stolen from a location at Island Lake Road

and Pineal Lake Road near Chapleau. Person(s) unknown had removed the new

pole from a pile of 9 which had been unloaded on March 31, 2011. The pole valued at \$1500.00 has metal markings on it as to length and other information. A large vehicle or trailer would have been required to move the pole. Anyone with any knowledge of this theft is asked to call The OPP at 1-888-310-1122 or Crime Stoppers.

Chapleau High School sees new principal and teaching staff in 1961 as it starts to experience baby boom effect as enrolment zooms to 200 students

Chapleau Moments

by Michael J. Morris

When students returned for classes at Chapleau High School in the Fall of 1961, they were greeted by a new principal and new teaching staff with the exception of Mrs. Gladys Bowles who had been there for several years.

The student population had also zoomed from 136 to 200 as CHS began to experience the "baby boom" effect.

Luther Emerson was the new principal while 1961 also marked the arrival of George Evans, who would be at CHS until 1989 when he retired as History and English

teacher, and assistant principal.

With the increased enrolment, the commercial classroom was moved into the old assembly hall, but physical education classes were still held in the low ceiling gym.

The school newspaper "News and Views" with Susan Cecile as editor, noted that Grade 11 was considered "a very important class" with no real explanation given as to why it was, other than adding that "among its ranks were Shirley Petrunka, Howard Higuchi, David Futhey, Bill Fox

The Innocents from the early 60s. From left John Murray, Peter Simpson, Jim Anderson, Frank Bignucolo

and the vice president of the Students Council Gary Schafer. The class rep was Phyllis Fournier".

Shirley Petrunka and Barbara Gervais were assistant

editors of the school newspaper.

At the annual commencement, Alex Babin received his intermediate certificate. Upon graduation, Alex attended Lauren-

tian University where he received his Bachelor of Arts degree, and returned to teach at CHS and serve as staff advisor to the Students Council for many years. With Margaret

Rose (Payette) Fortin, an earlier CHS grad who returned as teacher, Alex co-chaired the highly successful CHS reunions of 1982 and **Cont'd on P.4**

CHS Envirothon Team scores forestry component win at the 2011 Algoma Region competition

The 2011 CHS Envirothon Team with their Forestry component highest score award: (back row) Mr. Mike Serre (teacher/coach), Tristan Larcher, (front row) Robin Raposo, Jessica Raposo, Sabrina Kanala, Kodiak Jolivet. (Missing: Meagan Jean and Mrs. Becky Hodgson (NSFC Education Coordinator/coach))

By Becky Hodgson, Education Coordinator - NSFC

On April 15th and 16th, the Chapleau High School (CHS) Envirothon Team participated in the 2011 Algoma Region Envirothon Competi-

tion at Kinsmen Park in Sault Ste. Marie.

The first day, was a day of review. The five teams (two from Superior Heights Collegiate & Vocational School, one from Korah Collegiate & Vocational School,

one from Central Algoma Secondary School, and one from CHS) spent the day rotating through outdoor stations, and learning from resource personnel who are specialists in the four core subject areas:

forestry, wildlife, aquatics and soils. Additionally, each team had a block of time to prepare for their oral presentations on this year's current topic of "Salt and Freshwater Estuaries". Saturday, April 16th was competition day. Teams arrived bright and early for an 8:30 am start time. The format for the competition day was the same as the previous day, with teams rotated through each of the stations, completing a variety of activities and test questions.

It was noted that the day brought the worst weather conditions of any Algoma Envirothon competition to date, however, the teams' spirits could not be dampened by the rain,

freezing rain, sleet and snow. Armed with a combination of make-shift garbage bag rain suits, winter boots, rubber boots, toques and mitts, the teams headed outside to brave the elements in search of the highest honour: the top score and ultimately the Algoma Envirothon trophy.

Although the CHS team did not win the overall highest score for the competition (that honour went to a team from Superior Heights Collegiate & Vocational School), they did receive special recognition and a certificate for earning the highest score in the Forestry component of the competition! As the CHS Envirothon team formed less than two

months ago, and this was the school's first appearance at an Envirothon competition, this is an outstanding accomplishment.

A big congratulations goes out to the CHS Envirothon team. Good luck in next year's competition!

Anyone from the Northeast Superior region who is interested in creating an Envirothon team for the 2011-2012 school year can contact:

Clara Lauziere

For more information about Envirothon, visit the official website www.ontarioenvirothon.on.ca.

Chapleau Moments

Cont'd from P.3

1997, marking the 60th and 75th anniversaries respectively.

Robert Lemieux, who also returned to teach at CHS, was the winner of the Austin

McClellan Award while Frank Bucciarelli won the Allan Austin Memorial Award.

David Mizuguchi organized the four team school bowling league

with John Murray, Gary Schafer, Bill Therriault and Ron Doig as team captains.

Frank Bignucolo, who also later returned to Chapleau to teach was president of the

Students Council while members of the school song committee, (Does anyone have a copy of the song?), included Linda Bolduc, Barbara Gervais, Sandra Andrews, Colleen Gibson, Gary Schafer, Jim Pullen, Gary Vaillancourt and Jim 'Skippy' Lane.

CHS winners of the Royal Canadian Legion essay contest were Peter Bernier, Ann Maureen Bedford, Judith Chrusoskie, Barbara Gervais and Frank Bucciarelli.

About this time John Murray, Peter Simpson, Jim Anderson and Frank Bignucolo were playing in a band called 'The Innocents'. They performed regularly on

a CHAP-TV program called Teen Scene, hosted by Mrs Frances Burrows. The band continued with other names and members throughout the Sixties.

Many may not know that Chapleau had its own cable television station which was launched in 1958 on Arthur Grout's cable system -- which preceded the one most may recall, owned by Dr. G.E. Young.

News and Views reported that Mr. Evans was "generally too disgusted to comment on such juvenile undertakings in his History class as airmail express. Children will be children after all!"

My thanks to Larry Martel for taking the time to send me material on CHS. Much appreciated Larry. My email is mj.morris@live.ca

The Chapleau Children's Service Providers Network are inviting all families to their "Free Open House"

This is an opportunity to find out what services are offered in the community of Chapleau. There will be food; beverages, draws and a door prize draw for an i-pod touch and accessories. Miss North Ontario Pageant contestant Miss Emma Hamill will be providing cupcakes and face painting for children at this event for a toonie. All pageant funds go towards Northern Ontario Families of Children with Cancer.

When: Friday May 6th 2011. 5-7pm

Where: Community Centre (Arena)

Why: To better serve the families of Chapleau!

Funded by the Government of Ontario 

Emma Hamill for Miss North Ontario

Emma Hamill. (Photo credit: Kari Luhtasaari of

The world is a big place, with thousands of opportunities to experience. Coming from a small town, these opportunities may seem distant, but with the right amount of effort, and a lot of hard work, anything is possible. My name is Emma Hamill and with my hard work and dedication, I have been

able to prove my self, and have been given the once in a lifetime opportunity to represent Chapleau as a delegate in the Miss North Ontario Regional Canada Pageant.

The Miss North Ontario Regional Canada Pageant (MNORCP) will be taking place May 26-28, 2011 in Sudbury at the Fraser Auditorium at Laurentian University. The MNORCP is not a beauty pageant; delegates are not chosen or judged based on height, weight or physical appearance. This organization believes in young women who aspire to make a difference. In addition to fundraising

for Northern Ontario Families of Children with Cancer and working to promote Northern tourism, success and pride, the MNORCP helps delegates develop themselves as young successful women through workshops and seminars. The MNORCP facilitates well-roundedness and offers many educational and enjoyable opportunities!

For those of you who do not know me, I am 17 years old and I am currently enrolled in grade twelve at Chapleau High School. Throughout my high school career, I have been very involved in school

clubs and extra curricular activities including, students' council for three years, the last two as president, year book committee, drama club, art club, basketball, soccer, and volleyball. Out of school, I have been involved in piano, dance, and cheerleading. Volunteering is also very important to me. I have been a regular volunteer for the Chapleau Gymnastics Club, the Chapleau Pentecostal Church, the Chapleau Best Start Hub, and Steps Dance Studio. Some of you may recognize me from Home Hardware, where I have worked for the last three years. Academics is also of great importance to me and I

have been able to maintain around a 90% average throughout high school. In September I am hoping to attend the University of Ottawa in the English program in order to pursue a teaching career. I am proud to say that I have been able to be a positive influence in both my school, work and community.

My family moved to Chapleau in 2000, and our time here has made Chapleau our home. My father, Jeff Hamill, works for the Ministry of Natural Resources as a Fish and Wildlife Technician. My mother, Tricia Hamill, works at the Chapleau Best Start Hub as the Toy Library

Supervisor. My father has been very involved in the Chapleau Minor Hockey League and Girls Hockey League. My mother has also been very involved in the organization and participation of community and school events. Thanks to them I have learned great leadership, and volunteering skills that will help me in the MNORCP.

As a delegate of the MNORCP I am responsible to prepare varied task before the pageant weekend including, obtaining sponsorship, raising money for the NOFCC, creating an individual talent performance

Council Minutes: April 4th, 2011 Meeting

Cont'd from P.5

Defeated (Tie vote). **Resolution 11-160:** D. Greig - L. Lacroix, whereas Council passed Resolution 8-122 as indicated below; whereas the Township of Chapleau established various wildlife viewing facilities and picnic areas within the Chapleau Crown Game Preserve to promote

tourism; And whereas these facilities are under the administration of land use permits to the Township of Chapleau from the Ministry of Natural Resources; And whereas the land use permits are subject to renewal annually; And whereas the Council deems it necessary and expedient to investigate if any tourist outfitters

would be interested in assuming the land use permits for the purposes of maintaining wildlife viewing facilities and picnic areas within the Chapleau Crown Game Preserve: **NOW THEREFORE** be it resolved that the Council of the Corporation of the Township of Chapleau direct the CAO to make enquiries of local tourist

outfitters to determine if they wish to assume from the Township of Chapleau the above mentioned land use permits AND whereas the Ministry of Natural Resources advised that an Environmental Assessment Review would be required if Council made a formal request of the Ministry of Natural Resources to consider transferring land use permits to another

party: **NOW THEREFORE** be it resolved that the CAO be directed to make a formal request of the Ministry of Natural Resources to consider the transfer of Township of Chapleau, Chapleau

Crown Game Preserve Land Use Permits to another party. Opposed - R. Bertrand. Carried.

Resolution 11-161: D. Greig - L. Lacroix. That Council adjourn at 8:45 pm. Carried.

THE LOCAL MARKET PLACE

CHADWIC HOME, FAMILY RESOURCE CENTRE

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Horne-payne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Emma Hamill for Miss North Ontario

Cont'd from P.6
 piece, and a one minute speech on a topic that I find important. I have been fortunate to get more than the required amount of sponsors thanks to Collins Home Hardware, Bignuccolo Inc., Full Of Fitness, Aux Trois Moulins and Riverside Motels, NESER Investments, Canada Brokerlink Insurance, True North Timber, Bruneau's Tax Prep and E-File, Stewart's Tin Cup (Espanola, ON), and other private donators.

The Miss North Ontario Regional Canada Pageant is a proud supporter of Northern Ontario Families of Children with Cancer (NOFCC). This is a registered charitable organization that is committed to helping families in Northeastern Ontario who have a

child diagnosed with Cancer. Their mission is to provide hope, support, advocacy and education to families who have a child with Cancer. I am looking for the support of Chapleau in my journey to Miss North Ontario, and on my journey I would like to support the NOFCC. I am accepting donations at Collins Home Hardware and Furniture Stores, but will also be holding various fundraising events. On Friday May 6th, 2011, at the community hall of the Chapleau Moore Arena from 5:00 pm - 7:00 pm, Chapleau Best Start Hub will be holding an open house. At the open house I will be holding a fundraising event selling cupcakes, providing children's activities, and face painting. I will also be holding a spaghetti

supper on Friday May 13th, 2011 from 5:00 pm - 7:00 pm at the Chapleau High School Cafeteria. Tickets will be sold in the offices of Collins Home Hardware, and Chapleau High School, \$7.00 for adults, and \$5.00 for children. All of the proceeds will go towards the NOFCC. Cancer affects us all so if we can make a difference, big or small, it is worth the effort! For more information on the charity www.nofcc.ca.

Regarding my other responsibilities as a delegate of the MNORCP, I will be performing a piano and vocal performance. For the public speaking portion, I will be discussing bullying. Bullying affects everyone, it is something that has effected me most of my life, so I know first hand what it

can do to an individual. I believe everyone deserves to be treated with respect. We are all equal, and we all share similar faults and fears.

I am looking to the people of Chapleau to help me on my journey to Miss North Ontario. Starting May 1st, everyone will have the chance to vote for Miss Chapleau, for the People's Choice award at www.missnorthontario.com. By getting the most votes I will be fast tracked to the top 15 finalists. We are doing a great job voting for Chapleau as the Ultimate Fishing Town, and I hope to get similar support. Let's put Chapleau on the map this year. Not only will we be the Ultimate Fishing Town of Canada, but the home of Miss North Ontario!

If you would like to support me on

this rewarding journey, there is also a Facebook page that you could visit where I will be updating my progress "Emma Hamill for Miss North Ontario Regional Canada Pageant." If

you have any questions please feel free to contact me at emma.a.hamill@gmail.com.

Thanking you all in advance, Miss Chapleau, Emma Hamill.
