Winter Carnival discussion meeting held

By Mario G. Lafreniere
The Leisure and Culture Services Committee held a successful Winter Carnival discussion meeting on March 30th with encouraging participation.

The intent of the meeting was to provide citizens with the opportunity to voice their opinions on the betterment of our Annual Carnival. Suggestions about the inclusion or removal of certain events would probably prove to be beneficial in increasing participation and general interest.

Ideas, such as extending young children's activities and improving activities

for children between the ages of eight and thirteen were brought forth. As our population is aging senior activities should also be prioritized. Square dancing, horse rides, Polka bands, sugar shacks, euchre tournaments, you name it and they'll consider it.

Other suggestion included resurrecting the Carnival Queen and King pageant along with our once famous Carnival Parade.

An important issue that was tabled was the location of events. Should all the events be centralized? In the past, participation may have been hampered by that fact.

Ideally most

The Leisure and Culture Services Committee members (l-r) Michael Fortin, Kevin Morris, recording secretary, Richard Beaudoin, Pamela Morin, Giselle Noel, Councillor Lisi Crichton-Bernier (advisor) and Michael Levesque (Chair).

activities should be held in one area, but the nature of the events somewhat prevent this from happening.

It is evident

that there is a renewed air of optimism amongst our population and that is encouraging.

To voice one's

opinion is important but to have it heard and considered is gratifying. Do not hesitate to contact any of the committee members

with your ideas. They will listen! Another meeting is scheduled for April 20, this time to discuss the Canada Day celebrations.

By Charley Plourde
I would like to start by first thanking everyone who

Now the real

fun begins. It's time to vote. The voting period starts on Tuesday, April 12 and runs through to May 3. To cast your vote, simply go to www.wfnfishingtown.ca, find Chapleau's nomination, and click on vote.

One online vote is allowed per legitimate email address every six hours. A WFN email

will automatically be sent to you to confirm your vote. You will only receive this email from WFN for your first vote. Your first vote will not be counted until you verify the email address, by clicking on the link contained in the WFN confirmation email. For more information on voting, please see the official contest rules on the

WFN website.

Let's take full advantage of our voting privileges and vote as often as possible until the contest closes. In order to win the contest, all of us will have to work together to spread the word and to vote as much as we can.

Nouvel-Ontario students shine in the Great Robotics Challenge

Eighteen teams from 12 Conseil scolaire catholique du Nouvel-Ontario elementary schools competed in the 8th annual Great Robotics Challenge (Grand défi robotique) that was held in Sudbury on March 4. The Grand défi robotique enables students from grades 4 through 8 to display their creativity, ingenuity and tenacity. This friendly competition encourages teamwork and ingenuity while initiating youngsters to the world of engineering and technology.

Each team of four students was tasked with constructing a robot made from LEGO NXT blocks. The robots were then tested in two different contests, which measured the strength and precision of the machines as well as the success of its programming and level of control by its student masters.

The competition measured the efficiency of robots. Prizes were also awarded for quality of school banners and team cheer.

Winners in the competition:

Junior Division (grades 4 to 6):

1st place: École Ste-Marie Ordilions (Azilda)

2nd place: École St-Pierre Robo-panthères (Sudbury)

3rd place: École Alliance St-Joseph Robolynx A (Chelmsford)

Intermediate Division (grades 7 to 8):

Les élèves du Nouvel-Ontario brillent au Grand défi robotique

Pas moins de 12 écoles de 18 équipes provenant élémentaires du

Conseil scolaire catholique du Nouvel-Ontario ont participé au Grand défi robotique tenu à Sudbury le 4 mars dernier. Le Grand défi robotique, qui en est à sa 8e édition, permet aux élèves de la 4e à la 8e année de dévoiler leur créativité, leur ingéniosité et leur ténacité. Cette compétition amicale favorise le travail d'équipe et l'ingéniosité tout en initiant plusieurs élèves à l'ingénierie et à la technologie.

Dans le cadre de cette compétition amicale, chaque équipe de quatre élèves devait

construire un robot à partir de pièces LEGO NXT. Par la suite, il fallait démontrer les capacités de l'automate lors de deux épreuves, qui ont mesuré la force et la précision du robot, le niveau de contrôle par les élèves et la réussite de la programmation.

Tout en mesurant l'efficacité des robots, on a aussi remis des prix pour la qualité des bannières d'école et du cri de ralliement.

Gagnants aux défis :
Cycle moyen (4e à 6e année):

1re place : Ordilions de Ste-Marie (Azilda)

2e place : Robo-panthères de St-Pierre (Sudbury)

3e place : Robolynx A de l'Alliance St-Joseph (Chelmsford)

Reeve B.W. "Bubs" Zufelt crowns Betty Ann Payette as Winter Queen at opening of Chapleau Memorial Community Arena in 1951 as 2,200 fans roar approval

Chapleau Moments

by Michael J. Morris

Betty Ann Payette was crowned Winter Queen by Reeve B.W. "Bubs" Zufelt as one of the major highlights at the official opening of the Chapleau Memorial Community Arena on February 3, 1951.

The new arena was opened almost 50 years to the day after Chapleau had been incorporated as a municipality, replacing the "old rink" on Lorne Street and built at same location. Dedicated to Chapleau citizens who lost their lives serving in Canada's armed forces in World Wars I and II, construction had started in October, 1950, and was completed before the end of the winter.

The Chapleau Post reported that Betty Ann was greeted with the applause of 2200 enthusiastic fans "ringing in her ears" when it was announced that she was the winner of the Winter Queen Contest. She was crowned by Reeve Zufelt during the official opening

ceremonies.

The day's activities started with a noon luncheon at St. John's Anglican Church catered to by the ladies of the church for local and visiting dignitaries who included Sudbury MPP and mines minister Welland S. Gemmill, municipal affairs minister George Dunbar and CPR superintendent Fred Donegan. Arthur J. Grout was general chairman for the day's activities.

The \$50,000 memorial arena was to be financed through a \$25,000 debenture, a \$5,000 provincial grant and fundraising in the community. The CPR provided heat for the arena.

A finance committee report said that, "...it is a big undertaking, a great project where enthusiasm, loyalty, and appreciation can all express themselves".

"Sparked by a wide awake and active citizens committee the new arena was built

through the combined efforts of almost every resident of the community..." the Chapleau Post reported. A board of management would assume responsibility for the operation of the arena including citizens and members of the township council. D.O. Payette became the arena manager.

As part of its fundraising pitch, the committee said, "This is no time for a silver collection. We need real folding money."

A colourful parade of floats, dog teams and decorated cars, led by the Chapleau High School Girls Bugle Band, moved off from the Town Hall at two p.m. in bright winter sunshine, following the luncheon, for the arena, where activities would get underway.

First prize in the float contest went to the Chapleau Boy Scouts for their traditional scout scene of tent, camp fire and scouts on guard while another winner was the Department of Lands and Forests depicting a trapping scene. The Chapleau Figure Skating Club was another participant and Pat (Purich) Russell was able to provide a photo of her on it. The float had been designed by her sister Stella.

Pat's father, Jimmy Purich was the parade marshal.

Among the afternoon activities was a broomball game between the Kormak Lumber Kings and Chapleau All Stars. Kormak won 1-0. There was also figure skating by Chapleau and Coniston skaters.

Reflecting on the Fifties in Chapleau, and into the Sixties, hockey and broomball teams from communities along the CPR main line between Biscotasing and White River were regular visitors to Chapleau and the memorial arena. Everybody travelled by train.

At eight p.m., Reeve Zufelt led the dignitaries to a platform at centre ice for the official opening ceremonies.

More than 50 members of Branch Number 5 of the Royal Canadian Legion were on parade for the dedication ceremony conducted by Rev. E. Roy Haddon of St. John's Anglican Church assisted by Msgr. Romeo Gascon of Sacred Heart Roman Catholic Church and Rev. H.A. Strapp of Trinity United Church.

Following the opening ceremonies, interestingly, the major hockey game was between the Coniston Aces and Windsor CPR, which Coniston won 5-0. When Windsor came to Chapleau, they travelled on their own private railway car which was not uncommon in years gone by. Chapleau teams also had one at times. No idea why Chapleau was not playing. The day's activities ended with a mocassin dance on the ice surface.

An article in the Chapleau Post paid special tribute to Mrs. A.W. Moore for her fundraising efforts and another noted that the canvassers who went door to door included Edith "Teddy" Schroeder, Gertie Turner, Joe Ladouceur,

Pat (Purich) Russell on figure skating club float in 1951. Her brother Charlie in front.

Winter Queen Betty Ann Payette with Reeve B.W. Zufelt, at 1951 arena opening.

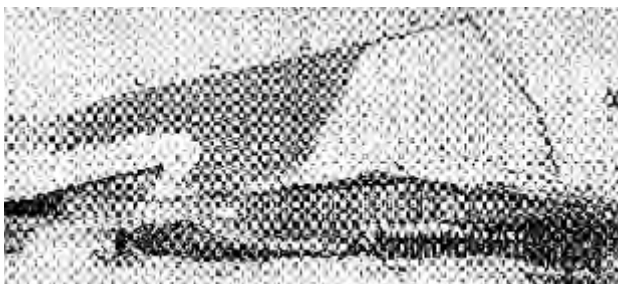

Leslie Westerman, Ken Lajambe, Henry Therriault, Jack McNeil, Ed Lee, Basil Collings, J.O. Cahill and Toddy Collinson.

In 1951, along with Reeve Zufelt on the council were Arthur Grout, J.M. Shoup, George Young and E.J. Lepine.

Summing up the opening, Mr. Grout commented that "the great community spirit of the carnival days is

still here." With the new arena he looked forward to the community reviving the great carnivals of the past. And, the community sure did!

My thanks to Doug Greig, Anne (Zufelt) McGoldrick, Ann (Card) Morin, Pat (Purich) Russell, Juliette (Morin) Payette for their research assistance. My email is mj.morris@live.ca
