An exciting weekend ahead for Chapleau residents and out of town guests

Henry Mar from Bell, Richard Bignucolo and Jim Shearer from the Rotary club going over final details.

The Chapleau Rotary Club will soon be hosting its 14th annual Sport and Trade Show. In the past, the shows have always been well attended and enjoyed by many. It was also a fantastic way for local and out of town businesses and service agencies to promote themselves and to highlight new products and services. This year, the activity level at the arena complex is especially hectic, with

preparations for new additions to the show which the Rotary Club of Chapleau hopes will delight young and old alike.

Along with our exhibitors, the Sport and Trade Show is a venue for local talent to perform for friends and family. Once again this year, the show will offer entertainment from Pastor Dan Lee and his musical family, Stephanie Belec, our own Chapleau Idol and

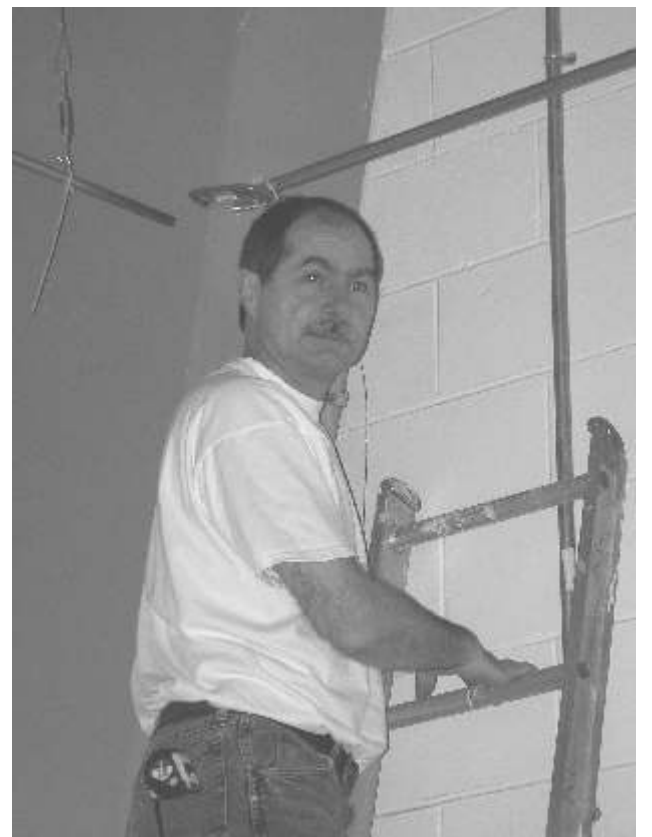

our young dancers from Troupe Lapointe. École secondaire catholique Trillium's talented kitchen staff will be providing an impressive menu of food items to tempt any palate. Along with a spaghetti supper on Friday night, they will be featuring a pancake breakfast Saturday morning and other tasty items such as sugar pie! And for you boaters, André Byham will be offering the Pleasure Craft Operator course at the Sport and Trade Show at a special show price. You can sign up at the Innovation Centre or at the Sport and Trade Show. Hurry if you are interested as seats are limited.

This year, along with the usual favourites, the Sport and Trade Show has added new elements to highlight the fact that there is now broadband and cellular

service in Chapleau. Bell and Nortel will be a significant presence at this year's show and have added some new events such as a variety of seminars for the general public and specialized seminars for the exhibitors so that they may benefit from the infusion of technology in Chapleau.

Of course, one of the new additions that is generating the most interest is the Xbox 360 tournament which will be held in the curling lanes during the Trade Show. There, locals and out of town guests will battle on large screens and demonstrate their gaming prowess and driving skills as they compete to win the grand prize, a Xbox 360 prize package worth \$1000.

Although there are new additions to the show, it certainly hasn't lost its small

Enzo Girardi from Bell hard at work to meet the deadline.

town hospitality and friendliness, nor has it lost its focus on its primary goal, to allow businesses and organizations to showcase their products and services. The proceeds from the

Sport and Trade Show will be used by the Chapleau Rotary Club to fund projects locally, such as the Chapleau Hospital courtyard and globally, such as the polio eradication.

Spring Fever has hit Chapleau!

Rita McKee-Gavan and her 2 1/2 year old daughter Sydney enjoy a walk in the sunshine.

By Shelley Martel

Out on the streets and in yards all over

town citizens are showing signs that Spring Fever is widespread and on the

rise.

From one end of town to the other people are taking advantage of the warm air and sunshine to get outside and dust off their homes, yards, vehicles and even their walking shoes.

When spring is finally in the air it gives us a boost of energy and hope after the long, cold winter but when the heavy blanket of snow is drawn back, what lies underneath may not be so fresh.

We are left with remnants of the many months that have gone by since we last saw our lawns. There may be Christmas decorations, scattered garbage, leaves that we didn't get around to raking up, or even the carcass of last fall's pumpkin.

Before the municipality organized Clean up Week sneaks up on us, it is a good time to assess what has to be done and get a jump on it.

Trimming

branches, and gathering up debris from yards can be a good way to get fresh air, exercise, and take pride as a family in our yards and streets.

If you are a pet owner (or even if your neighbours are) there may be a few extra items lurking in your yard that will have to be taken care of.

If everyone that goes out walking in the spring air took a bag with them (even if they don't have a dog) to pick up litter on their

route, the scenery would only improve and future walks would be more enjoyable.

Raking grass, sweeping walkways and the sidewalk in front of your home, and even hosing off the sand will result in less dirt being tracked inside and help your home stay cleaner at this messy time of year.

Getting the kids involved (they will jump at the chance to use the hose) gives **Con't on P.5**

Partner in life of 16 years to Marcel Bourgeault. Beloved mother of Giles and Anne, of Sept Isles P.Q., Gary and Carol of Windsor, Glen Morneau of Chapleau, Ont., Camillia and husband Nick Dmytrow, of Baysville, Ont., Guy and wife Denise Morneau, and George and wife Kathleen Morneau, all of Windsor. Dear Meme of 14 Grandchildren, 1 late Grand-son, and Great-Grandma of 7 Great-Grandchildren. Dear sister of Mrs. Juanita Coates of British Columbia, and Pat and husband Patrick Secluna, of Toronto. As your expression of sympathy, donations to the Ontario Heart and Stroke Foundation would be greatly appreciated by the family. Online condolences may be made at www.windsorchapel.com

FOOTPRINTS

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes from my life. In each scene, I noticed two sets of footprints in the sand. One was mine, and one was the Lord's. When the last scene of my life appeared before me, I looked back at the footprints in the sand, and, to my surprise, I noticed that many times along the path of my life there was only one set of foot prints. I noticed that it was at the very lowest and saddest times in my life. I asked the Lord about it: "Lord, You said that once I decided to follow You, You would walk with me all the way, but I notice that during the most troublesome times in my life there is only one set of footprints. I don't understand why you left my side when I needed You most. The Lord said: "My precious, child, I never left you during your time of trial. Where you see only one set of footprints, I was carrying you."

**REPORT from
 OTTAWA
 by
 Brent St. Denis**

Federal member of Parliament Algoma-Manitoulin-Kapuskasing

The Liberal Opposition's success in amending the Conservative government's Speech from the Throne means Canadians can look forward to more of their important concerns being addressed. My colleagues and I feel that by agreeing to pass this amendment, the Government is acknowledging the short-comings of two of their priorities - raising income taxes and reducing childcare spaces. Our success in amending the Throne Speech illustrates how we can work cooperatively to ensure that the policies and actions of this government better reflect Canadian values.

The Liberal amendment, which was adopted in the House of Commons early last week, moved that the motion to adopt the Throne Speech be amended by adding the following:
 'and, while this House acknowledges the broader agenda mentioned en passant in the Speech, it particularly looks forward to early and meaningful action on such promises as those respecting Aboriginal Canadians, new

immigrants, greater security for seniors, improvements in the environment, and increased supports for farm families; and, given the strong economic and fiscal situation which the Government inherited, this House sees no reason for tax increases or a decrease in anticipated early learning and child care spaces in Canada.

The original Throne Speech said little about the modern realities of Canadian life - including access to childcare, the highly competitive global economy, the increasing pressures on our environment and the need to advance a progressive and fair society. This amendment recognizes these realities and reminds the government that it has the fiscal capacity to address these and Canadians' other important concerns.

In fact, this Government inherited the best fiscal position of any government in Canadian history.

We feel there is no reason to be walking away from initiatives that are of fundamental importance to Canadians.

My colleagues and I will continue to cooperate with the government and the other opposition parties where our values and interests intersect, but we also recognize that we were elected to oppose government measures that are not in the interest of Canadians. We will continue to exercise that responsibility to the best of our abilities in order to moderate the Conservative agenda.

Deux dollars pour l'autisme!

Johnny Houle, Suzie Prévost(éducatrice) et Christopher Rioux.

Le vendredi 28 avril, notre école est très fière de participer à "Deux dollars pour l'autisme"! À nouveau cette année, Johnny Houle et Christopher Rioux avec l'aide de leurs

éducatrices France Houle et Suzie Prévost, vont aider à renseigner les élèves le personnel et la communauté sur l'autisme et sur les troubles du spectre de l'autisme(TSA).

De plus en plus de cas d'autisme sont diagnostiqués chaque jour chez des enfants. Personne n'en connaît la cause et l'autisme est incurable. Les troubles du spectre de l'autisme, qu'est-ce

que c'est? Alors, imaginez un arc-en-ciel et les nombreuses couleurs de son spectre. Le spectre des TSA comprend de nombreux symptômes et niveaux. Les jeunes atteints de TSA n'ont pas l'air différents, mais ont des manières particulières de sentir, d'apprendre et de comprendre les choses. Ils ont des difficultés en particulier avec la communication et le comportement social. Leur condition se manifeste de différentes façons et à différents degrés.

Le vendredi 28 avril on invite les familles, les écoles et la communauté à participer à la

campagne annuelle de prélèvement de fonds "Deux dollars pour l'autisme". Un "tooney" pour la cause et les étudiants de Trillium pourront aussi porter leur casquette préférée et les lunettes de soleil! Et, il y a du nouveau cette année! Il y a une vente "Penny Sale"!

Plusieurs membres du personnel font don d'articles variés et tous auront la chance de les acheter à prix minime! Alors, sortez vos "sous" pour la PENNY SALE! Pour le public, la vente débutera jeudi soir le 27 avril, entre 18 heures et 20 heures, avant du spectacle de Damien Robitaille et la vente continuera toute

la journée du vendredi pour les étudiants du secondaire. Il y aura une Penny Sale pour la Journée de l'autisme à École secondaire catholique Trillium, jeudi le 27 avril (18h - 20h.) et vendredi le 28 avril (8h30 - 2h).

S.V.P. apportez deux dollars ou plus et aider à la recherche sur l'autisme et à y sensibiliser les gens. L'an dernier Trillium a amassé \$125 pour la campagne. Cette année, avec la "penny sale", nous espérons doubler et même tripler ce montant. Allez-y les Coyotes! Montrons notre générosité familles, écoles, communauté!

Damien Robitaille

Coup de foudre Réseau Ontario

Découvrez le monde simple chaleureux et fort singulier de Damien, constitué de son orchestre imaginaire, d'un porc-épic éclectique et d'une femme électrique.

Les inspirations de ce gars de Lafontaine, en Ontario, s'appellent Beatles, Supertramp, Neil Young, Bob

Dylan, Mais, heureusement, un professeur a fait aimer le français à Damien au secondaire. Le jeune homme écrit donc dans cette langue qui peut si aisément se perdre quand on si près de Toronto...

De formation classique il a poursuivi des études universitaires en musique classique

pendant deux ans le gars de 23 ans était attiré par la chanson. Surtout après avoir participé à une belle expérience de chansons en français, toujours au secondaire, avec son fameux prof. Il faut dire aussi qu'il en avait un peu ça dans le sang puisque son père jouait de la guitare et chantait pas mal. C'est d'ailleurs à la

mort de ce dernier, alors qu'il avait 13 ans, que Damien, déjà pianiste accompli, s'est mis à la guitare.

Il y trois ans, il produisait un premier CD tout simplement intitulé Damien qu'il a vendu dans son entourage et partout où il passait pour offrir de petits spectacles.

Sa participation au concours Ontario pop, lui a valu une bourse pour aller à l'École nationale de la chanson de Granby. Sa formation lui a permis de polir ses textes sans se perdre en cours de route. Damien s'est aussi distingué lors du Festival de Granby. Pour ensuite revenir en Ontario français. Le Centre culturel Louis-Hémon est fier de présenter Damien Robitaille le Coup de foudre de Réseau Ontario et le grand

gagnant du prestigieux concours québécois, les Francouvertes 2006. Le spectacle aura lieu au cafétorium de l'école secondaire,

ce jeudi le 28 avril à 20h. Le spectacle est 100% garanti ou argent remis!

NO CREDIT? NO PROBLEM!

Spring Fever has hit Chapleau!

Further down Main Street a resident gets a head start on a healthy lawn by raking up dead grass and debris

A sure sign of spring is a clean shiny vehicle. Getting out in the warm weather to wash your car always feels good.

A homeowner in the downtown area takes advantage of the sunshine to begin cleaning outside windows.

Con't from P.1
them something to do and instils a sense of pride in their surroundings and the community in general.

Washing the exterior of your home, in particular the windows, gives everything a sparkle and allows the spring sunshine to be enjoyed

to its fullest even when indoors, although cleaning windows in direct sunlight could cause streaks on the glass.

The air quality inside the home can also be improved by opening up windows to let fresh air in. Rugs, cushions, and other items that can't be

laundered can benefit from being aired out in the sunshine.

Washing bedding, curtains, and throws is a good way to get rid of stale odours, dust, and reduce allergens. Hanging things outside, however, may worsen allergy symptoms especially at this time

of year.

Because of allergies and health concerns, more and more people are turning to natural cleansers in their homes such as vinegar, baking soda, tea tree oil and lemon juice.

Similarly, when the nice weather encourages you to

engage in your first official car wash of the season, what you use to clean your vehicle with is important.

Car windows should not be cleaned with anything containing ammonia since it harms the window tint film. Household cleansers or dish soap should not be used on the exterior of the car as it could damage the paint finish. Cotton swabs (Q-tips) are handy to get dust out of tight spots.

Armor All Products Corp. warns against using protectant on the steering wheel or

pedals because it makes them too slippery.

It is suggested that vehicles be washed once per week to remove contaminants such as bird droppings and tree sap which can bond to or etch the paint. Parking in a shady location while washing, will avoid streaks.

Once everything is in order, take the family for a drive around town to see what other areas in town, such as parks, could use your help to look their best. Don't forget your gloves!
