The Chicks hockey season is well underway and the girls are playing some fast paced exciting hockey. Currently we have 3 teams registered with the Ontario Women Hockey

Association, Pee-wee/Atom mix, Bantam, and Midget for a total enrollment of 37 girls.

The girls have been very busy playing exhibition games against teams from Blind River, Timmins, and

Thessalon. They have also participated in two tournaments one in North Bay and the other in Sault Ste. Marie over the last few months. They have done remarkably well winning a few and losing a few, always learning and improving their skills.

Over the next few months they will be attending a tournament in Sudbury on February 17th. They will also be involved with exhibition games here in Chapleau so keep your ear to the ground for upcoming game times and dates. Plans are also in the works to host our first annual Girls Hockey tournament which is tentatively scheduled for March 9th to 11th.

For upcoming CGHA news

about games and tournament listen to your local JJAM FM and read your local Chapleau Express.

Chapleau Girls Hockey Association would like to

thank the people of Chapleau for the great donation during their last bottle drive. Also a big thank you to our many sponsors, Ron Martel, Collins

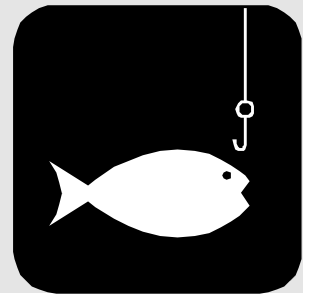

"Occupy" the river on February 11th

The upcoming Northern Pike fish derby is a perfect opportunity for a family outing. The derby is an ideal occasion for parents to introduce fishing to youngsters in a perfectly safe environment that is close to home. Aside from having a chance to win large amounts of money, spending quality time with family and friends is worth its weight in gold.

A place where beans and wieners reheated on

a coleman stove and hot dogs become gourmet food. The anticipation of catching a fish will keep your youngsters on their toes all day. Plan ahead and make this event one that you and your family will remember forever.

Northern Growth Plan an insult to Northern Ontario say Bisson and Mantha

Timmins James Bay MPP Gilles Bisson and Algoma-Manitoulin MPP Michael Mantha say the Northern Growth Plan has failed to address the real needs of northern Ontario. The plan calls for the creation of "hubs" to promote

development, but Sudbury and Thunder Bay are the only cities designated as such.

"The fact is that there is no money tied to the Northern Growth Plan. We're not even sure what these two 'hubs' in Sudbury and Thunder Bay are

meant to do. What money is being allocated to make these projects work?" said Bisson.

"I'm not only concerned for the cities like Timmins and Sault Ste Marie that are left out but I'm also concerned for Sudbury and Thunder Bay

because without a clear vision and funds attached to it these centers are not likely to succeed," said Bisson.

"The Northern Growth Plan is essentially a plan to make a plan that took 7 years to come together and in the end produced nothing," said Algoma-Manitoulin MPP Michael Mantha.

"The government is refusing to deal with the real issues, like the infrastructure that is necessary to support the communities both on the physical side and the social infrastructure," added

LETTERS TO THE EDITOR

This is in answer to Mario Lafreniere's editorial regarding his trip on the Sultan Industrial road. What most northerners do not realize is that any road north of Parry Sound is totally ignored! We are not important to the MP's in Toronto and we are surely not important to "Transfield Services from Australia". Whoever awarded our road contracts to a company from Australia should be fired! What in "the heck" is wrong with a Canadian company? What does

Australia know about Northern Ontario winters? This is ludicrous! Why are we paying MP's, who are not doing the job they were elected to do, mainly the up grading of all northern roads.

The Sultan Industrial road is paid by the taxpayers of Ontario. It costs the taxpayers millions of dollars yearly to maintain this piece of road. It is a dangerous road to be on at any time due to its' isolation. If you have an accident on this road, a person could die from exposure, hypothermia

or any other type of reason as we cannot communicate with anyone. Unless you have a satellite phone, you are at the mercy of the elements. This is especially dangerous in the winter. We have no cell phone service. Because we are northerners, we don't qualify! It seems that all the new services are available only to the larger cities. Small towns in Northern Ontario are exempt from all the new high tech services.

In the community that I live in, the 89 residences and cottagers pay 50% of the cost to grade or plow the gravel road leading into our small town. Travelling during the winter is extremely dangerous. We are 150 miles from Sudbury and 100 miles from Chapleau. This must be done knowing that if we have an accident, we have no way of calling for help. Our

roads are too narrow; no sanding is done during the winter months.

The same government who spends millions advertising for tourists to come and enjoy our pristine lakes and rivers does nothing to upgrade the roads to allow these tourists to reach their destination. Our snowmobile routes are in better shape than the road into a viable community. This community has four tourist outfitters that put millions into our provincial coffers, but we do not see any return on our dollars.

Our service providers are Chapleau, Timmins or Sudbury and it is a danger to drive to any of these larger communities. Even our paved highways are too narrow. It's terrifying to meet a transport truck or logging truck. For anyone travelling

to the larger communities to see a doctor or buy groceries is a trip where we take our lives in our own hands to do what ordinary people can do without fear.

As northerners, we must get our MP's to start paying attention to those of us who live north of Parry Sound.

Why do we have to travel the Sultan Industrial road at our own risk while we are paying for the upkeep of this road with our taxes? We paid to build it and we

keep on paying and get very little in return. It's time for a change. Our major highways need passing lanes and widening of the shoulders. We need proper sanding and all gravel roads need yearly repairs and upgrading. We need a return of some of our tax dollars and to get rid of the MP's if we are not heard. Thank you for the space for this letter in your paper.

Sincerely
Yvonne Kohls

1181 Chapleau High School Cadet Corps performance described as "excellent" by Captain R.Q. Sims at annual inspection in 1946

Chapleau Moments

by Michael J. Morris

On a beautiful sunny day in May 1946, Captain R.Q. Sims, described the performance of 1181 Chapleau High School Cadet Corps as "excellent" during its first inspection following the end of World War II.

The inspecting officer delivered his remarks to the corps which the Chapleau Post described as "well earned praise following weeks of training" to company commander Foster Collings, platoon commanders John Thomson, Barbara Muske, Frances Hamlin, bugle band leader Janet Thomson, chief instructor and school principal John McClellan and corps members on the field behind the old high school on Pine Street.

The CHS cadet corps was established on November 14, 1924,

just two years after a high school was established in Chapleau and was disbanded on January 1, 1963, and for 39 years was an integral and important part of school life.

One year after World War II had ended, thoughts would surely have turned to the more than 300 Chapleau citizens who had served in Canada's armed forces, including 17 CHS students who were killed on active service, and had been members of the cadet corps just a few years earlier.

As well as the actual inspection, demonstrations in signals, first aid, knots and lashes, girls PT, pyramids, rifle and precision drills were included in the day's activities.

Following the inspection, led by the Girls Bugle Band, the

Chapleau High School Cadets from left Arthur Broomhead, Mike Mione, Arnold Moore and William Ritchie attended cadet camp at Niagara on the Lake in 1946. (Doug Greig Collection)

corps would march around the community, before members would head home to prepare for the annual Cadet Dance, always part of the day's activities.

For some reason, I had assumed that the cadet corps always had a girls band, but once again I got a lesson in "never assume" as I have been researching the history of 1181 Cadet Corps. For example, I have discovered that in the

1934-35 school year it was called the Boys Bugle Band, and this may have continued until at least 1943 when student Milton O'Brien was the band leader. However, by 1946 it was a Girls Bugle Band led by Janet Thomson. It is also quite likely that it was a boys band prior to 1934, and as Chapleau Moments, as I have written before is really a very rough draft of history, I hope more information will be forthcoming so the complete story of the corps can be told.

Also, girls were not officially permitted to be cadets but at CHS they were involved and were part of the inspection. They were later approved.

After World War II, King George VI, granted the title "Royal" and they became the Royal Canadian Army Cadets. One of the more famous highlights in the history of the CHS cadet corps was the Royal Visit to

Canada by King George VI and Queen Elizabeth in 1939. The story goes that while the Royals were not scheduled to make an appearance in Chapleau as the Royal Train was passing through the community at two a.m.

However, Chapleau reeve George Fife, the grandfather of CTV News Ottawa Bureau Chief Robert Fife, sent a message that he wanted to meet the King. So, the King was roused in the middle of the night to meet Mr. Fife, and according to Jim Austin, who was then a member of the CHS cadet corps, got off the train and conducted an inspection.

Many CHS cadets over the years attended Cadet camps, and 1946 was no

exception. Thirteen members of the corps attended camp at Niagara on the Lake, Ontario, which considering that CHS had about 100 students struck me as amazing. The Chapleau Post reported that those attending were Arthur Broomhead, Desmond Collins, Ross Hamlin, Coulton Henderson, Mike Mione, Arnold Moore, William Pellow, Lorne Riley, Douglas Swanson, Lawrence Tremblay, Bill Ritchie, Pat Serre and Reggie Sonogo.

No cadet inspection day was complete without the dance held in 1946 in the Legion Hall which was decorated with white apple blossoms, the red, white and green school colours and

crossed rifles on the wall panels, all "well deserving of praise" according to the Chapleau Post reporter. Lunch was served by a committee of staff members and parents headed by Mrs. McClellan, the wife of the principal.

Music was provided by 'The Modernes' in its first and only appearance even though the Chapleau Post reporter was gushing in praise of the orchestra, writing that it was "music played the way you love to hear it played" and predicting a great future for it. It folded as some members left Chapleau. Members were Marion Wedge, piano; George Payette and Jim Hands, trumpet; Greg Lucas, clarinet; Norman Cohrs, trombone; Bill Austin, saxophone; Jack Welch, electric guitar and Yen Hong, drums.

For almost 40 years of its history,

1181 Chapleau high School Cadet Corps played its important role. For some reason, I still recall the command "General Salute. Present Arms", the inspection by the army officer in attendance and the march past in review order as the

Bugle Band played when I was a student at CHS in the 1950s. As the 90th anniversary reunion of CHS draws closer, I am sure there will be many revisions to the rough drafts of the school's history.

Successful fundraising

Fundraising is a necessary part of every extracurricular activity. It allows for purchasing or upgrading of equipment, helping cover overhead costs and keeping admission prices affordable. A sincere thank you goes to fundraiser organisers Julie Connelly, Dianna Sanchioni, and Valerie Doyon, as well as to our local "Signature HomeStyles" consultant Cheryl Perry for making this fundraiser possible.

Most importantly a very special thank you goes out to the children who participated and to everyone who supported "Au Grenier de Pierrot" by purchasing a candle. A total of 180 candles were sold and profits of \$ 1,170 we made by the center. Congratulations to Miss Alexis Desbois for having sold the most candles (25 candles total).

Le prélèvement de fonds est une partie

essentielle à toutes activités parascolaires. Ça permet d'acheter ou d'améliorer des équipements, d'aider à défrayer les coûts associés au fonctionnement et de maintenir les coûts d'inscription abordables. Un sincère remerciement aux responsables de la vente de chandelles, Julie Connelly, Dianna Sanchioni, et Valérie Doyon, ainsi que la consultante « Home Styles Signature » Cheryl Perry. Un merci très spécial va aux enfants qui ont participé et à tous ceux qui ont appuyé « Au Grenier de Pierrot » avec l'achat d'une bougie. Un total de 180 bougies a été vendu pour un profit de 1 170 \$. Nos félicitations à Mlle Alexis Desbois pour avoir vendu le plus de bougies (25 bougies).

CONGRATULATIONS

Congratulations! to Angela Saunders, Winner of the New Year's Eve Draw of \$500.00 cash and one night free stay at Delta Waterfront, SSM. Winning Ticket drawn by Constable Jay Rowe, NAPS Police Service.

Thank you to all who supported this event from Brunswick House First Nation Pow Wow 2012 Committee.

SOUPER-BÉNÉFICE POUR LA CONSTRUCTION D'UN PUIS EN INDE

Le mois dernier, les élèves du cours de religion à l'école secondaire catholique Trillium ont invité leurs parents et amis à un souper spaghetti afin de recueillir des fonds qui serviront à venir en aide à la construction d'un puits pour un petit village en Inde.

Les élèves de 9^e année ont accueilli une foule d'environ 100 personnes par un message touchant et inspirant qui nous aide à penser à la manière de Jésus. Les gens ont reçu une tranche de pain et un verre d'eau en symbole pour sensibiliser les gens envers le fait que dans notre société de 7 milliards d'habitants, il y a un milliard de gens qui se couchent chaque soir sans boire ni manger.

L'argent recueilli sera remis à SOPAR (SOciété et PARTage). SOPAR est un organisme à but non lucratif donc tous les fonds iront

directement aux missions. Cet organisme a pour mission le développement des communautés en Inde. SOPAR offre un soutien financier, technique et administratif à ses partenaires en Inde.

Après avoir mangé un bon repas préparé par M. Matthew Wiecha et quelques élèves de son cours d'hôtellerie et tourisme, les gens ont réalisé qu'ils étaient parmi les milliards de gens plus chanceux et favorisés de la planète.

Il faut suivre les initiatives de cette classe dynamique accompagnée de leur enseignant M. Ronald Brisebois, car ils ont d'autres initiatives pour continuer leur projet humanitaire, entre autres, de fournir des meubles et du matériel scolaire pour équiper une classe de 30 à 50 jeunes.

CONCOURS STAR ACADEMIE 2012

C'est le dimanche 22 janvier au Réseau TVA que débutera la première émission Star Académie 2012. On y retrouvera les 20 candidats sélectionnés lors des Auditions Star Académie. Le jury et le public seront invités alors à choisir 14 candidats qui se rendront à la nouvelle académie à Frelighsburg, Québec.

Et c'est à ce moment que le Centre culturel Louis-Hémon ouvrira le **Concours Star Académie 2012**.

Le concours consiste à choisir un ou des candidats parmi les quatorze académiciens. Le coût par candidat est de 10\$ et lorsque votre candidat est en danger vous devez déboursier 5\$ et dans un temps limité tel que spécifié dans les règlements. La personne (ou les personnes) qui a choisi la candidate gagnante ou le candidat gagnant remporte l'\$\$ du pot « Star Académie » qui est le montant recueilli des inscriptions au concours et les argents déboursés des mises en danger de votre participant. Il y a aussi un prix pour la personne dont le candidat a été le plus souvent mis en danger.

Tout comme vous tous, on attend d'en apprendre davantage sur le déroulement de Star Académie pour y adapter les règlements de notre concours. Chose certaine, vous aurez

beaucoup de plaisir à y participer et une surprise à la toute dernière émission.

Nous organisons aussi le concours pour les étudiants de l'école Trillium, mais avec les montants suivants : 5\$/candidats et 2\$/mise en danger. Il y a aussi une cagnotte « Star Académie » pour les étudiants et les prix sont les mêmes.

Vous avez l'intention de participer au concours, vous pouvez nous en faire part par courriel à hemoninc@bellnet.ca ou par téléphone au 864-1126. Pour information, contactez Diane au Centre culturel.

CARREFOUR SANTÉ À CHAPLEAU

Le 24 novembre dernier, la communauté de Chapleau a eu la chance d'assister à la présentation de Sylvie Sylvestre du Réseau du mieux-être francophone sur l'un de ses projets : les Carrefours santé.

Suite à cette présentation, six membres de la communauté ont décidé de former un Carrefour santé à Chapleau. Les Carrefours santé sont des regroupements de gens d'une même communauté qui s'assemblent pour cibler les besoins et trouver des solutions en matière de santé pour leur communauté.

La première réunion de ce Carrefour santé aura lieu le 26 janvier 2012. Pour de l'information complémentaire à propos du Carrefour santé de Chapleau, contactez Sylvie Sylvestre à ssylvestre@rmefno.ca ou par téléphone au numéro sans frais : 1-866-489-7484, poste 230.

Félicitations aux élèves qui se sont mérités le certificat pour la valeur du mois de décembre qui était LE PARTAGE.

Moments from the past

Here is a picture taken in the 40's in a caboose somewhere with a Chapleau crew. I highly suspect these men were working the East Way-Freight. Lloyd Morris and Grant Somers loved the Way-Freight and Grant always worked the east end since his parents lived in Cartier. It was a thrill to look at this picture and just remember. *Bill Pellow*

From left to right: **Lloyd Morris:** Gourmet cooking was a past time in the van. Lloyd always carried a small arms rifle and kept the ice cooled frig supplied with small

game for supper. Everyone in this picture is now in the happy hunting grounds. Death be not Proud!

The Way Freight crew had their

own schedule and first priority was to make Kormak Lumber Co. for dinner. The crew would make a few unlisted moves with the engine and the crew ate for free and what a meal they had. NO TALKING SIGNS posted at the table and this was a firm rule. You pointed to what you wanted passed on the table. Therefore no arguments, no interruptions and no fights at the table.

Florian Viau: Married Elsie (Robinson) Riley, my wife's sister, later gave up Railroading and turned to farming in Casselman Ontario. Florian loved 'La Vie En Rose', his favourite song. Always smiling.

Chum McAdam: Delivered for Smith and Chapples and at an early age, hired on as a locomotive steam fireman. Chum became a devoted student to all

train movements. Chum remained a bachelor and often the CPR asked him to cash his pay cheques so they could balance their books.

Norman Kenney: His famous expression and he had many; "better here than hereafter" When the crew would decide not to make a close meet or run ahead of a passenger train. Norman always seemed to have new mitts. He was hanging around the CPR station as soon as he was able to walk.

Cam Bell: a teacher who spent some time with his wife and family on the CPR School Car

teaching children in the sidings between White River and Cartier. Cam was probably sharing supper in the Van during one of his moves. Note the "lace" tablecloth a standard table covering was news papers you could read and eat at the same time. I can not see the year on the calendar fixed onto the water tank.

Grant Somers: Here a young man later he would become a senior conductor. Grant was a Past Master of Lorne Lodge #622, Masonic fraternity and is sporting his ring in this picture.

SINCERE THANKS

For all the visits, cards and TLC our beloved husband, brother and uncle Jack "Fleegle" Mitchell received while in Sudbury and Chapleau hospitals. THANK YOU.

To members of St-John's Anglican Church, Lorne Lodge A.F.&A.M #622 and Gilmartin Funeral Home for the beautiful memorial service. THANK YOU.

To the persons who read the lessons and the memories. THANK YOU.

To our families and friends near and far who called, sent cards, donations, masses, flowers and food. THANK YOU.

The Mitchell Family
