3rd Annual Fun Run / Walk A Big Success

All participants waiting for the green light.

Walkers and runners at the 3rd Annual Together We Run January 7th event

enjoyed entirely different weather conditions than the +3 temperature participants enjoyed in last year's event. This year, 29 walkers and runners braved -18 temperature, not including the wind chill factor, and most importantly, raised just over \$6,460 to go towards the Chapleau General Hospital's "Together we will Grow" medical equipment campaign.

Several participants also won great prizes during the random draw held after then event. Gift cards from Chapters, Home Hardware, Canadian Tire, Future Shop, Bon Appétit, Cineplex, Sears Sports Chek, and the Between Friends store

were won, along with the pledge draw prize

of a Kobo eReader.

The top finishers in the 2.5 km event were Sydney Bignucolo and Marshall Canning.

The top finishers in the 5 km event were Debbie Canning, John O'Connor and Ashley Leach.

The winner of the Kobo eReader was Krista Frederiksen.

On behalf of the Chapleau General Hospital Foundation, thank you and congratulations to all the participants for starting the year right putting your health

LETTERS TO THE EDITOR

I would like to take this opportunity to let everyone know how we are doing with our public school petition. In the month of December, in just twenty working days, we received 340 signatures supporting our petition. In the month of January, the signatures have been slowing down.

EVERYONE is allowed to sign this

petition if you would like to keep a public school in our community. Students, teachers, parents, doctors, lawyers, everyone.

The petitions are still at your local post office, and will remain there only until the end of January. Only one signature per person is allowed.

I have approached two

businesses to ask if they would support this petition with a letter. I have received one letter back so far, and I am hoping to receive the other by Monday. I would like to ask if any other businesses or organizations would like to support this petition with a letter stating that Chapleau needs a public school in our community. If so, please bring your letters to me, at your local Post Office by

February 1st, 2012 and I will send them off with the petition to the following people:

1. Minister of Education Hon. Laurel Broten, Gov. of Education Public Information Office, Mike Mantha (MPP), Wanda McQueen (Trustee), Robert McEachren (Trustee), Russell Reid (Trustee).

Thank You

Big year in hockey planned in 1948 as Rev. Howard Strapp returned as president and Vern Goldstein named chief "whistle tooter" at annual meeting of Chapleau Hockey Club

Chapleau Moments

by Michael J. Morris

When Rev. Howard Strapp tried to step down after serving three terms as president of the Chapleau Hockey Club at its annual meeting in 1948, the members insisted that he accept another term, prompting him to say, perhaps rather appropriately, "I've been railroaded".

Mr. Strapp, the minister at Trinity United Church at the time, was praised for his hard work and endless efforts that have helped to build the highly efficient Chapleau club, according to a report in the Chapleau Post.

The hockey club had overall responsibility for competitive Junior

and Intermediate teams as well as the local hockey league with teams that played weekly in the "old old arena" on Lorne Street, on the site where by 1951, the Chapleau Memorial Community Arena was located. The Trappers, the Junior team, was sponsored for years by Mrs. A.W. 'Hockey' Moore after whom the arena in the Chapleau Recreation Centre is named.

Joining Mr. Strapp on the executive were N.W. 'Newt' Pellow as vice president, Ovide Cote as secretary-treasurer and executive committee members J.E. Edwards, F. Hamlin and A.E. 'Gussie' Evans all of whom

Lucky, T. Collinson. Front from left R. Longchamps, Daddle Swanson, Tee Chambers, D. Chambers, R. Morin, Y. Morin, R. Burns.

would be involved the club's activities.

The Chapleau Post also reported that Vern Goldstein was reappointed to the position of "whistle tooter" or referee in chief. Mr. Goldstein reported to the meeting that as a result of his attendance at the annual meeting of the

Northern Ontario Hockey Association in Kirkland Lake, Chapleau would be entering both the Junior and Intermediate teams in the league playoffs in 1949. At this time in Chapleau's history, teams travelled by train to play in other communities.

As an aside, the first reference I have found to a road trip was in 1893 when a local team travelled to Sudbury. Unfortunately, they lost 2-1 to Sudbury.

Mr. Goldstein also reported that as soon as Highway 129 opened, Chapleau would be placed in the Soo Line League with teams from Little Current, Espanola, Blind River, Thessalon and other communities outside of Sault Ste. Marie.

The same issue of the Chapleau Post reported there was a "very good possibility" that a car would travel over the road in January 1949. In fact, it happened. On a cold winter day, January 30, 1949, Highway 129, was declared officially completed.

Mr. Goldstein had also been recognized by the NOHA as a First Class Official Referee who may be called upon to travel and referee games in other Northern Ontario centres. He also planned to attend a referee school in Sudbury.

After Mr. Cote delivered the club's financial statement which showed a favourable surplus, the Chapleau Post reported editorialized that "It sounded like

the Dominion budget, with every detailed item listed on the balance sheet. This serves to illustrate how well the club is being conducted from a business point of view."

Regarding the local league, the report said it was too early to discuss players, coaches and team setups but even at this early date in November (remember they played on natural ice at the time), many street corner conversations were being held and the "boys are beginning to get things lined up. A big year in hockey is approaching."

My sincere thanks to Ken and Beverly (Yanta) LeClaire for sending me the Chapleau Post. My email is mj.morris@live.ca

Midget Huskies Action

By Mark Hamel

On January 13th the Chapleau Midget Huskies travelled to Hearst, taking part in a 7 team "A" Division tournament. Participating in the tournament were the 4 teams in our league (Kap, New Liskeard Hearst & Chapleau) and 3 newcomers from other "A" Division leagues (Nipigon, Cochrane and LaSarre)

The Huskies first contest was against the home town Hearst Lumber Kings. With the home town crowd behind them and a goal that was errantly counted and another that was not counted (Huskies being on the crappy end both times) the Huskies ended up

dropping the opener 4-2.

In the second game the Huskies were matched up against league rival Kapuskasing Timber Wolves. The Huskies still appeared Jet lagged and Kap drew first blood 45 seconds after dropping the puck. Even though our penalty killing has been in the high percentages, Kap managed to pick up 2 power play goals. Then they closed the door late in the third period ending the game 4-0

On Saturday morning the Huskies found that, due to the close scores of all of the other games, (mostly ties) we were just 2 points from a tie for first place. 2 wins

today would get us into the semis. We met Cochrane Rush in the third match. Cochrane has always been synonymous for having Sequoia like defence and this year was no exception. Our speedy forwards would just have to work around this obstacle. By the middle of the second period, Chapleau was up 2-1. With less than 5 minutes left in the game, Cochrane got a lucky bounce off of 2 different sets of leg, then 27 seconds later another bounce from the far corner off a skate blade. 2 bad bounces and now 3-2 for them with less than 4 minutes left. Coach Ellis called a time out, the Huskies regrouped,

went back and tied it, but Cochrane responded again 9 seconds later. With no other choice the net was pulled but to no avail, as Cochrane tallied an empty netter as well. Final 5-3

Playing their final game, the Huskies met the Nipigon Elks. By now we all seemed to know the Hearst refereeing staff on a personal basis, but by no means in the "CHEERS" type of way. (Remember the goals that were allowed and called back in the first game this would come back

to haunt us). Our penalty killing was supreme, and we came out winners 3-2. But due to the fact that we were locked in a 3 way tie for 5th place, we needed that one point to move on.

In reflection, the coaching staff feels that the jet lag played an effect on Friday, but "since Saturday morning, I now feel that we have the team finally firing on all cylinders" stated Kirk Ellis. Manager Sue Lindquist added, "The defensive unit played extremely well. Our goal scores were

burying the puck in the net. As for the pipes, I now realise that Jayme Martel has many acrobatic skills including standing on his head!

For future Midget Husky League Games, your Huskies are in action this weekend at Home.

\$5000 Draw Winner

Il n'est jamais trop tôt pour épargner en vue de la retraite

(EN)—Lorsque les couples parlent de leur vie commune, les finances doivent faire partie de la conversation et ils doivent s'entendre sur les dépenses, l'épargne et les emprunts.

Voulez-vous acheter une maison ou fonder une famille? Comment épargnerez-vous pour atteindre ces objectifs?

Quelles seront les répercussions sur votre mode de vie?

Il est également important de

tenir compte de la retraite dans vos plans financiers. Quand voulez-vous prendre votre retraite? Quel mode de vie souhaitez-vous à la retraite? Songez-vous à voyager? Certes, la retraite peut paraître encore loin, mais le fait de commencer à épargner tôt influencera grandement le montant que vous accumulerez au fil des ans.

L'Agence de la consommation en matière financière du

New Equipment for C.M.H.A. Players

Dave Laughland (left), President of the Rotary Club of Chapleau, and Michel Sylvestre, President of the Chapleau Minor Hockey Association, display a plaque from the Trillium Foundation of Ontario that proclaims the Foundation's support for healthy sporting activity. Two Pee wee players, Tyson Noel and Joshua Joyal, proudly wear the new team game sweaters that came their way, thanks to the Trillium Foundation and the good offices of the Rotary Club of Chapleau. Joanne Laughland, Past President of the Chapleau Rotary Club, completes the picture.

The C.M.H.A. President, Michel Sylvestre, stands with the Pee wee goalie, Sébastien Sylvestre. The expensive goalie equipment was also purchased by a grant from the Trillium Foundation. In all, the Trillium grant of \$11,400 provided three Chapleau Minor Hockey Association teams with game sweaters and four sets of goalie equipment. These sweaters and this goalie equipment will see C.M.H.A. players through several seasons to come. The Rotary Club of Chapleau is very proud to have been able to assist the C.M.H.A.'s volunteers to acquire this morale-building gear for their young players.
