2012 Summer Health Science Camp *A great experience for Chapleau Youth!*

With the financial assistance of the Ministry of Agriculture, Food and Rural Affairs' Rural Economic Development (RED) Program, Services de santé de Chapleau Health Services sent three Chapleau students to the 2012 Summer Health Science Camp. The camp, offered by the Northern Ontario School of Medicine, was held at Laurentian University's Sudbury campus from July 16-

20th. The students chosen to attend the Summer Science Camp were Madison Bignucolo, Cole

Crockford and Lianne McColeman. It was a unique opportunity for the students to learn about professions in

the health-care sector. Our students were joined on campus by 21 other youths from Northern Ontario at the medical school's new building. Commenting on her first day at camp, Madison Bignucolo stated that "...I made new friends and met a lot of people."

Some of the featured subjects at the camp were radiography including how to put on and remove a cast, DNA analysis as a CSI technique to determine who committed a mock murder, Aboriginal traditional

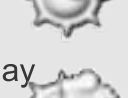

healings, general surgery, understanding the heart's function and anatomy, examining a preserved brain, and learning about different careers in the health field. It was an enriching experience for all.

"It is interesting to see what Aboriginal people use for medicine other than what is prescribed by the doctor," stated Cole Crockford. Lianne McColeman commented that "Seeing real human hearts and brains was awesome."

There is a

shortage of health care professionals in Chapleau and across the province. The goal of the science camp is to encourage youth to choose a career in the health field. This activity is part of the four-year Chapleau Health Care Project that will end in May 2013. For more information about the Chapleau Health Care Project or to make a donation to this cause, please contact Gail Bignucolo, CEO, Chapleau Health Services at gbignucolo@sschs.ca or call 864-3050.

2nd Annual Haiti Mission Project

The Chapleau Pentecostal Church hosted their 2nd Annual Haiti Mission Project on Saturday, June 16, 2012 at their location of 9 Elm St. The purpose is to raise money and awareness for a mission currently being built in the most impoverished nation in the western hemisphere, Haiti. The events included a yard

sale, car wash and BBQ from 8:00 am to 2:00 pm. A total of \$2,500.00 was raised for the Haiti Mission Project. As per last year, all money raised will be brought to Haiti in early November 2012 and presented to the missionaries by Pastor Dan Lee and the Haiti Mission team. Last year over \$26,000.00 was raised

locally and the local church group hopes to match or exceed that total this year. Thanks to all the volunteers and donators who made this event another great success. A special thanks to the Independent Order of Oddfellows for the loan of their BBQ. Haiti Ministries is a Christian organization that has been working in Haiti since 1996. Michel and Louise Charbonneau are the missionaries who started the ministry. They lead the church, prison ministry, medical clinic, children's feeding program and child sponsoring program. For more information on

Haiti Ministries: www.haitiministries.com For further information, make a donation or to volunteer, please call (705) 864-0828 or email to chapleaupc@vianet.ca Watch for the advertisement in the Chapleau Express for the date and time of our 3rd Annual Haitian Supper & Auction in October 2012. The missionaries want to give each boy a soccer ball for Christmas. Anyone interested in participating in this project may do so by giving funds or a new soccer ball to the Chapleau Pentecostal Church before November 2012.

Le Camp estival des sciences de la santé 2012

Une expérience enrichissante pour nos jeunes de Chapleau!

Grâce aux fonds du Programme de développement économique des collectivités rurales du Ministère de l'Agriculture, de l'Alimentation et des Affaires rurales, les Services de santé de Chapleau Health

Services ont envoyé trois élèves au Camp estival des sciences de la santé. Ce programme offert en anglais par l'École de médecine du Nord de l'Ontario, a eu lieu du 16 au 20 juillet au campus de Laurentienne à Sudbury. Les élèves choisis pour participer au camp étaient Madison Bignucolo, Cole Crockford et Lianne McColeman. C'était pour eux une occasion unique de se renseigner sur les professions du secteur de la santé. Vingt et un jeunes du nord de l'Ontario se sont

jointes à eux à la nouvelle bâtisse de l'École de médecine. « ...J'ai fait de nouveaux amis et rencontré beaucoup de personnes », a dit Madison Bignucolo parlant de sa première journée au camp estival. Les domaines couverts entre autres étaient la radiographie, y compris comment mettre et retirer un plâtre, l'analyse de l'ADN afin de déterminer le coupable d'un meurtre en se servant des techniques médico-légales, les méthodes traditionnelles autochtones de guérison, la

chirurgie générale, le fonctionnement et l'anatomie du cœur, l'examen d'un cerveau conservé et les diverses professions dans le domaine de la santé. C'était une expérience enrichissante pour tous. « Il est intéressant de connaître les médicaments naturels employés par le peuple autochtone, a dit Cole Crockford. » Lianne McColeman a fait le commentaire : « De voir un vrai cœur et un cerveau humain était extraordinaire. » À Chapleau et à travers la province, il y

a une pénurie de professionnels dans le domaine de la santé. Le but de ce camp est d'encourager notre jeunesse à choisir une carrière en santé. Cette activité fait partie du Projet de santé de Chapleau, une initiative de quatre ans qui terminera en mai 2013. Pour plus amples renseignements sur le projet ou pour verser un don, veuillez communiquer avec la directrice Gail Bignucolo par courriel au gbignucolo@sschs.ca ou par téléphone au 864-3050.

Ed Swanson chairs Chapleau's first Summerfest while Lise Lafreniere wins Queen contest and Malaysians entertain with dances and songs in 1973

Chapleau Moments

by
Michael J. Morris

Chapleau's first Summerfest, a three-day carnival held on the Civic Holiday weekend in August was termed an "outstanding success", with a varied program offering something for everybody, young and old, and in between, according to Margaret Costello in the Sault Star.

Although Chapleau had celebrated Beach Day for many years, in 1973,

the program was expanded running from Friday night until the "last dance" at the Royal Canadian Legion Hall on Monday night.

Ed Swanson was the first chairman of Summerfest which eventually became part of Festival Chapleau, and he was ably assisted by secretary-treasurer Margaret Rose (Payette) Fortin. Chatting with Donald

Swanson, Ed's son, at the Chapleau High School Reunion, he recalled, "There were sure lots of meetings around our kitchen table" as plans were made for the weekend.

The committee included Annie Bowland, Peter Elliott, Earle Freeborn, Manlio Spessot, Greg Lucas, Raoul Lemieux Jr, Jim Mulligan, George Travis, Graham Bertrand, Wally Clarke, Janet Tokarchuk, Ken LeClaire, Bill Ritchie, Mark Mizuguchi, Denis Ladouceur and Richard Ladouceur.

Orville Robinson was the Master of ceremonies for the Talent Show and Crowning of the Summerfest Queen Program held in the Chapleau Public School gymnasium on opening night.

High in interest was the selection of the Summerfest Queen from three contestants for that honour. Lise Lafreniere was crowned with "due ceremony" by chairman Ed Swanson. The other contestants were Catherine Welch and Maureen Lavoie.

Maggie wrote that contributing to the success of the talent show were the Malaysians who were spending the summer in Chapleau as part of a Canada World Youth program. "With their colourful and beautiful costumes, graceful and charming dances and songs" they were an "opening gun" for the weekend.

Also on the talent show program were local favourites Leslie Andrews and Jody Theriault, accomplished young pianists; Heather Scott and Nelson Wright, Mary Whitney and Eleanor Creighton, songs with guitar accompaniment; James Henry, songs and guitar. After the show, the first dance of the weekend was held in the town hall basement.

An outdoor beer garden was held behind the town hall with dancing in the basement while bingo players had their "innings and winnings" at the Legion hall on Saturday.

The highly polished and trained Levack-Onaping Pipe Band gave a concert in the public school gymnasium which was a "rare treat" for those who loved the pipes.

Matt's Track was the place to be on Sunday for the motorcycle races with contestants from Chapleau, Timmins, Sault Ste Marie and Sudbury. Back in town there were volleyball and basketball games at the public school gymnasium for the youth.

Monday was the big day, all day, starting with "one of the biggest and best parades seen around here in many a day," according to Maggie Costello. "Bands, boy scouts, bright costumes galore, decorated bikes and baby carriages, floats -- on they came all around

Summerfest Queen Lise Lafreniere with contestant Maureen Lavoie on back of fire truck after car they were in broke down during parade

the town." Margaret Rose (Payette) Fortin chaired the parade subcommittee. The Chapleau Town Band and the Levack-Onaping Pipe Band were also in the parade. Prize winners in the parade were Sean Sweeney, Andy Mahan, Shelley Joly. Tate and Chad Westerman, Myrna Fortin, Dean Fortin

and Tina Tangie. Judges were Colombe Champion, Jim Walsh and Cpl. Jack Hatch.

The Malaysian Wedding and Chapleau Recreation Committee were float winners.

During the parade, when the convertible carrying the Summerfest Queen Lise Lafreniere and

Carried. **Resolution** 18-235: L. Lacroix – R. Bertrand. WHEREAS ON April 13, 2012 the Provincial Government announced an "Electricity Sector Review" including a Distribution Sector Panel ("the Sector Panel") that is to consider the potential long and short-term financial savings associated with consolidation of Ontario's 76 Distribution Utilities; And

Whereas the Province or its agencies account for \$0.82 of every dollar for a typical residential hydro bill in Chapleau. And Whereas these costs are not subject to review by the Sector Panel; And Whereas if the Province is really interested in controlling or reducing electricity costs, then Provincial cost components should be subject to review and not just the delivery of electricity by the Distribution Utilities; And Whereas Chapleau Public Utilities Corporation welcomes opportunities to discuss efficiencies in the sector especially around costs for the Province's Smart Meter System, how the sector is regulated by the Province, and how Provincial Conservation Programs could be more effectively delivered; And Whereas the Province has committed more than \$1 billion dollars in Smart Meter Costs and \$1.6 billion dollars in conservation costs; And Whereas these costs are direct burdens on electricity customers and could be more effectively controlled if there is Provincial will; And Whereas the Minister of Energy has not ruled out the possibility of mandated mergers for Distribution Utilities; And Whereas Chapleau Public Utilities Corporation plays a critical service role in the Municipality of Chapleau; And Whereas the Province should have no right or legal basis to force a shareholder to sell or dispose of a private sector business; BE IT THEREFORE RESOLVED THAT the consolidation of Local Distribution Utilities should be voluntary and benefi-

cial for the shareholders and results in reduced costs for electricity customers; AND FURTHER that the Township of Chapleau confirms that Chapleau Public Utilities Corporation Distribution System is not for sale; FURTHER that a copy of this **Resolution** be sent to the Honorable Premier Dalton McGuinty; the Honorable Christopher Bentley, Minister of Energy and Infrastructure, the Honorable Rick Bartolucci, Minister of Northern Development and Mines; Michael Mantha, MPP; Tim Hudak, Leader of the Progressive Conservative Party of Ontario; Andrea Horwath, Leader of the Ontario New Democratic Party; Federation of Northern Ontario Municipalities (FONOM); Northwestern Ontario Municipal Association (NOMA) and the Association of Municipalities of Ontario (AMO). Orange Drop Program Comes to Chapleau

by Charley Plourde,
Economic Development Assistant,
Township of Chapleau

The Township of Chapleau held a Municipal Hazardous Waste/Orange Drop Collection Event on Friday, July 20. This gave the community the opportunity to drop off any household hazardous or special

waste free of charge and to divert it from our landfill.

The Orange Drop Program is sponsored through Stewardship Ontario, which is a private non-profit organization that develops, funds and operates recycling programs in Ontario.

Potter Environmental was contracted for the collection.

They set up various barrels and boxes to separate and collect the different types of waste.

The event was a success. Almost 100 people participated, some with boxes, trunks and even trailers full. Some even made multiple trips to drop off their waste!

By the end of the event, Chapleauites had disposed of nearly three tonnes of household hazardous waste.

The Township of Chapleau encourages the public to follow the BUD rule. Although Chapleau does not have a local drop-off location, it is important that we as a community are conscious of what we are putting in our landfill site. Collect and store your items for future collection.

For more information on the Orange Drop program visit www.makethe-drop.ca or chapleau.ca.

Réacheminer nos produits ménagers dangereux

Par Charley Plourde,
adjointe au développement économique du canton de Chapleau

La municipalité de Chapleau a été l'hôte d'un programme de recueil de déchets ménagers dangereux vendredi dernier 20 juillet. C'est une initiative qui a permis aux citoyens de venir se débarrasser, sans frais, de produits dangereux ou spéciaux qu'ils gardaient chez eux tout en empêchant qu'ils ne soient acheminés à notre dépotoir.

Ce programme intitulé en anglais 'Orange Drop Program' est subventionné par 'Stewardship Ontario', organisme à but non lucratif voué au développement, au financement et à l'exploitation de

programmes de recyclage en Ontario.

La firme Potter Environmental s'est chargée de la cueillette. On a mis plusieurs bennes et boîtes à la disposition des citoyens pour favoriser le tri des déchets.

Ce fut un franc succès. Près de 100 personnes y ont participé avec boîtes, coffres et même remorques pleines de produits dangereux. Certains ont même fait plusieurs voyages de déchargement!

Au terme de l'événement, presque trois tonnes de déchets ménagers dangereux avaient été recueillis. La municipalité de Chapleau veut encourager le public à suivre la règle Acheter-Utiliser-Disposer. Même si nous ne

disposons pas d'un lieu de réacheminement, comme collectivité il nous faut être plus conscients de ce que nous jetons dans le site d'enfouissement. Nous vous demandons donc de ramasser et d'entreposer vos produits dangereux aux fins de la prochaine cueillette.

Pour plus d'information au sujet de ce programme, visitez www.makethe-drop.ca ou encore le site chapleau.ca.

La règle A-U-D
Achetez seulement ce dont vous avez besoin
Utilisez-le tout
Disposez-vous-en selon les indications ou en participant à une cueillette à cet effet

THE LOCAL MARKET PLACE

CHADWIC HOME, FAMILY RESOURCE CENTRE. Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Why?

Why is it that when someone tells you that there are one billion stars in the universe, you believe them but, if they tell you there is wet paint, you have to touch it to check?

Why did Kamikaze pilots wear helmets?

Whose cruel idea was it to put an "s" in the word "lisp"?

Is there ever a day that mattresses are not on sale?

Chapleau Moments

Cont'd from P. 3
runnersup broke down in the middle of the route, they were quickly transferred to the back of a fire truck, and the parade went on with little disruption.

Baby carriages filled the area around Renison Hall at St John's Anglican Church as mothers brought their offspring to enter the Baby Show. The show was run by Eva Lester, director of nursing at Lady Minto Hospital, assisted by Alice Martin of the nursing staff. Winner in the birth to six month old category was Shelley Fortier, daughter of Mr. and Mrs. Renald fortier. In the six month to one year category Angela Bazinet, daughter of Mr. and Mrs. Walter Bazinet won, while Nancy Tremblay, daughter of Mr. and Mrs. Gerard

Tremblay, was the winner in the 12-18 month age group.

In the all day fastball tournament on the field behind the old Chapleau High School, a Chapleau team came off the winner against Wawa.

There were also other activities at the Beach area including swimming races, water bombing, and the ever popular children's races and games of chance.

Beginning at nine p.m. to close the three-day weekend was a dance at the Legion featuring the Rhythmaires.

Looking at the program for the weekend, there were 54 businesses and individuals who contributed prizes to Summerfest activities with a sincere vote of appreciation to J.E. Martel and Sons Lumber Ltd., A and L Lafreniere Lumber

Company, Chapleau Lumber Company, the Redwood Dining Room and the Bridgeview Motel for their "special contributions" toward the success of Summerfest.

Also assisting the committee were the Opportunities for Youth, "Summer Chapleau" participants Jamie Doyle, Maurice Blais, Richard Desbiens, Catherine Welch, Michael Paquette, Peter Freistatter, and Robert Petrunka as well as the recreation committee summer staff of Eileen McCrea, Joan Warren, Denis Foran, Patricia Fortin, William Brady, Keith McAdam and Mary Lou Futhey.

The Summerfest Committee slogan was "Support us in '73 to bring you more in '74". And they did! My email is mj.morris@live.ca
