## Drama Club and Hospitality Class Donates \$1,000.00

By Rick Dell

Mrs. Dell, Hilary Arsenault and Mrs. Bernier are pleased to announce that the Chapleau High School Drama Club, along with the hospitality class, is making a \$1,000.00 donation to the Chapleau Public Library in the memory of George Evans. Mr. Evans arrived in Chapleau in 1961 and the Public Library at the time was not very well equipped and was in a dark and dingy location in an old building on Birch Street. For a short period of time it was

moved to the old Town Hall then, in 1978, when the new Civic Centre opened, it did so with a new library. George was instrumental in having this new library located in the building. He realized the power of reading, where citizens could learn about other countries, other people and "reach for

the stars". He was on the Public Library Board before he left Chapleau after his retirement and came back on the Board when he returned until his passing. This modern, bright contribution to the education and recreation of the people of Chapleau reflected George's confidence in the

development and growth of the community.

Mr. Evans was a "patron of the arts" and a dedicated supporter of the High School Drama Club. As a teacher, then as Vice-Principal, he

dedicated his life to the youth of Chapleau helping them with their dreams and aspirations. After his retirement he continued with his good work.

If you have not visited the library

recently please do so. Perhaps you will, in the near future, pick up a book and discover from the stamp within that it was purchased in the memory of George Evans. He will be missed and always remembered.

## Canada Day – More To Do

By Michael Levesque  
Is there anything we forgot to mention about this year's Canada Day celebration?

The Legion continues to host its annual B.B.Q. and social held on the Legion grounds. Word has it that a live band will entertain.

The Odd Fellows invite all to a barbeque on the waterfront. The Cotton Candy Lady and the Credit Union

will supply sweet treats for the younger set (and other ages).

Games are aplenty with the Rebekah's Bingo, the Odd Fellows Games of Chance and the children's games co-sponsored by the Rebekahs and the Leisure Committee.

Something special is added this year – a 30 foot climbing wall for the fearless and brave of heart. We thank the Odd Fellows for the

generous donation.

Oh, ya, you can get your face painted, decorate your bike, or tricycle, or pram, or pet, display your treasured vehicle and float your duck for the big prize.

Finally, we invite families, or groups, to play a game or two of beach volleyball.

As you all know by now, the Canada Day weekend is special this year. It marks the 90th

anniversary of our high school. The reunion committee, formed months ago, has worked diligently to organize a memorable celebration for former students and graduates. In keeping with these efforts the Leisure Committee chose to improve our Canada Day activities.

To do this we partnered with local organizations and businesses. We wish to thank the following

for their community spirit: the Township of Chapleau; The Bargain Shop; Bignucolo Inc.; Collins Home Hardware; Denise's Flower Shop; International Order of Odd Fellows; New Horizon Rebekah Lodge 391; Northern Credit Union; The Rotary Club; Royal Legion; True North Timber; and Ecole Secondaire Catholique Trillium. A big thank you to all!

# 293 Years of Survival!

**By Joanne Laughland**  
On Friday, June 15th, a group of Chapleau's cancer survivors gathered for the 5th Annual Survivors' Celebration, as part of our community's very popular Relay for Life.

The Survivors' Supper and Victory Lap, both give those who are fighting, or who have fought cancer, a chance to

support and encourage each other, while celebrating their personal victories against this powerful disease. Each survivor can be accompanied by a caregiver who assisted them during their cancer journey.

The longest surviving Chapleauite attending the event first battled cancer some 37 years ago,

while several were celebrating their one year anniversary; the group as a whole proudly marked 293 years of survival!

"The heroes and angels of our survival" was our focus, fitting in with Relay's theme of "How do you fight cancer?"; superhero and angel balloon decorations created the perfect party atmosphere, thanks to the contribution by Chapleau Auto Parts NAPA.

Each year generous groups support this important Survivors' Celebration by contributing food, decorations and prizes. The organizers are

very grateful this year for a delicious buffet provided by Denise's Flowers, Valu-mart, Bargain Shop, Aux Trois Moulins Restaurant, the Cake Lady, the SSCHS Activation Department, Chapleau High School and the New Horizons Rebekah Lodge.

Some of these groups also donated prizes along with HomeHardware.

A heartfelt thank you goes out to all those who contributed to the success of this important event.

"Survivors, see you at our Christmas Social in early December and stay well!"

# Ad Astra pays tribute to Dr. Karl A. Hackstetter while Student Council president Darryl Downey proclaims 'School spirit was our fight' at Chapleau High School in 1965-66

## Chapleau Moments

by Michael J. Morris

The Chapleau High School yearbook 'Ad Astra' paid tribute to departing principal Dr. Karl A. Hackstetter for setting a high standard for students and "trying to kick us over it."

Dr. Hackstetter who had taught at the school from 1954 to 1957 returned as principal from 1962 to 1965, but left before the new school on the hill was opened in the fall of 1966.

The editors of 'Ad Astra', led by Carole Futhey dedicated their yearbook to Dr. Hackstetter as their way of saying thank you for setting high standards, expressing the hope that "we hope that we will not disap-

point him. They were exciting years."

The tribute said that Dr. Hackstetter "terrorized and goaded us, stretched us and pushed us. The experience often left us limp, but it also left us stimulated.

"Because he immensely enjoyed every activity, he tried to teach us to find satisfaction in everything we did. He not only tolerated non conformity, he loudly demanded it.

"The greatest crime was shoddiness. the most prized qualities were originality and a sense of style."

I had not seen this tribute to Dr. Hackstetter until this week when John

Theriault made parts of 'Ad Astra' available, but on a very personal note, this is the person I knew when he taught me when I was a student at CHS during his earlier time there in the mid 1950s. Not only was Dr. Karl A. Hackstetter my teacher but he became my friend and one of the great influences on my life. At this late date I extend thanks to the students who published the tribute to him in the yearbook some 46 years ago.

Student council president Darryl Downey, in his yearbook message proclaimed that "School spirit was our fight" and went on to share how it was clearly evident during the year, the last in the school on the banks of the river on Pine Street where the civic centre is now located.

"The school spirit was clearly shown in the turnouts to all school activities whether in hot days of late summer or frigid days of winter," Darryl wrote.

Highlights included successful participation in fundraising to put artificial ice in the Chapleau Memorial Community Arena, the publishing of the 'Schoolite' newspaper, the success of the school curling team in Sudbury and CHS TEEM winning the town hockey league championship.

It was really a year of transition in Chapleau with several historic moments. The high school student population had passed 200 as they prepared to move to the school on the hill; high school hockey, popular for much of the school's history since 1922

The members of Student Council in 1966, the first at the new CHS were Back row: David Futhey, Ted Eveline, Peter Gray, Peter Simpson, Mickey Juryne, Jim Connelly. Front row: Linda Martin, Alanna Downey, President Bob McEachren, Marjorie McCrea, and Gerry Boucher.

would end with a town championship. It also marked the end of high school hockey with the arrival of the Chapleau Junior 'B' Huskies in 1966-67 with newly installed artificial ice in the arena.

As an aside, two former CHS students Keith J 'Buddy' Swanson and Lorne Riley, were among the founders of the Jr. 'B' Huskies and shortly

thereafter Earle Freeborn joined the team first as coach then as manager during some of its most successful years. The vast majority of players were CHS students throughout the team's history.

For the historical record, William Mair was the first principal of the new CHS on the hill, while Bob McEachren was

the first Student Council president there.

Next week I plan to be home in Chapleau for the 90th anniversary reunion festival and so much look forward to hearing stories about CHS and catching up on the lives of everyone who has been a part of it throughout the years. My thanks to John Theriault. My email is mj.morris@live.ca

28 Golf Road, Chapleau

**Time:** 7:00 p.m.

Mark this one on your calendar and plan to join us!!

# Approval Of Junior Kindergarten To Grade 12 In Chapleau

At the Tuesday night Board meeting, the Board approved the consolidation of the elementary and secondary school into one JK - 12 school in the existing Chapleau High School building following the Consultation Process during 2011/2012. The Board also approved, subject to Ministry funding, the additional renovations required for the JK - 12 building.

After considering a number of options, a recommendation was approved by the Board

in October 2011 to relocate the JK-8 students and staff from Chapleau Public School into Chapleau High School for the 2011-2012 school year. An advisory team made up of parents, students, staff, members of the First Nations community, principals and the Mayor of Chapleau, met throughout the year of transition and provided input to administration on areas such as transportation, social interaction amongst JK-12 students, renova-

tions, and layout of the school to accommodate the JK-8 students.

After ensuring that the necessary transition plans were in place for students and staff and the minor renovations were complete, Senior Administration began discussions around a long term plan for schooling in Chapleau. Based on the discussions and consultation, three options were proposed:

Option #1 Explore the feasibility of renovating the existing elementary school

Option #2 Explore with the Ministry, the feasibility of building a new school (JK-6 or JK-8)

Option #3 Continue with a JK-12 model with additional renovations both to the interior and exterior of the building

Senior Administration had several conversations with the Ministry of Education to discuss the feasibility of all 3 options mentioned above. The Ministry favours Option #3 - the JK-12 model based on enrolment projections, capacity of the school and building conditions.

Meetings were held with school staff and school administration throughout the year to obtain input on what further renovations would be required on the building should the decision be made to move to a JK-12 school model. Senior Administration hired a consultant to prepare drawings that would clearly depict the renovations required to renovate the high school into a JK-12 school.

Senior Administration held public meetings on April 30, 2012 and May 31, 2012 in the Chapleau community to discuss the three options being considered. At both meetings, the strong majority of participants

verbally favoured Option 3: To continue with a JK - 12 model with additional renovations both to the interior and exterior of the building. Feedback also favoured ending the consultation by mid-June.

The Board and Senior Administration appreciate the involvement and input provided by school councils, township, First Nations council, parents, students and community members from Chapleau.

## Locals upset with Chapleau's depiction on Sootoday.com

The above photograph showing a delapidated school house was used on sootoday.com on June 13th, to accompany a news release from the Algoma District School Board "What's to become of Chapleau Public School?". Quite a few locals were upset and somewhat insulted by the photograph. The photograph was eventually removed with the following editor's note at the bottom of the page: "The old school house depicted above is not Chapleau Public School. It is merely for illustration purposes."

## INSPECTION

### Inspection of Approved Aerial Herbicide Spraying Gordon Cosens Forest

The Ontario **Ministry of Natural Resources (MNR)** invites you to inspect the MNR-approved aerial herbicide spray project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Gordon Cosens Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **July 25, 2012**. The herbicide Forza, registration number #26401, will be used.

The approved project description and project plan for the aerial herbicide project is available for public inspection at the Tembec Office and on the MNR public website at [ontario.ca/forestplans](http://ontario.ca/forestplans) beginning **April 1 until March 31, 2013** when the annual work schedule expires. Ontario Government Information Centres at 122 Government Road, Kapuskasing; 5520 Highway 101 East, South Porcupine; 143 Fourth Avenue, Cochrane; and 190 Cherry Street, Chapleau provide access to the Internet.

Interested and affected persons and organizations can arrange an appointment with MNR staff at the MNR District or Area Office to discuss the aerial herbicide project.

For more information, please contact:

**NEW  
FROM  
THE PARK  
BY  
Mike Mantha**

Provincial Member of Parliament  
for Algoma-Manitoulin

In the north, many of us know all too well the obstacles we face when seeking medical attention. Most of us have travelled hours to see a doctor or specialist. For those who need more serious treatment on a regular basis, this may mean spending many days and hours commuting to their appointments.

This can be very costly and time consuming, especially for individuals whose illness prevents them from working. For these folks, forced to survive on disability, their income is inadequate to cover or front such costs as travel. They depend on the Northern Health

Travel Grant to cover their costs. But significant delays for reimbursement are causing serious problems for many northerners.

Despite multiple promises by the McGuinty Liberals to fix the program, people continue to wait months for support from the Northern Health Travel Grant.

In the legislature this week, I raised the plight of a constituent from Chapleau, who must travel to Timmins for dialysis three times a week and has experienced long delays with the Northern Health Travel Grant program.

She must drive 12 hours a week and

stay in Timmins overnight when the road conditions are bad. It is an exhausting and stressful position to be in. But to make matters worse, she is waiting as long as 3 months to be reimbursed and is being forced into debt waiting for her cheques.

In the summer of 2011, the Premier promised to simplify this program with online applications and ensure a three-week guarantee on reimbursements.

The sad fact is that the Premier has promised to fix problems in the Northern Health Travel Grant three times now and instead families are left with three broken promises.

In the Legislature this week, the McGuinty government failed to acknowledge the broken promises or offer any assurance that they will be moving forward with the three-week service guarantee.

Ontario's New Democrats are frustrated with the broken

promises that are leaving northern Ontarians unable to access the care that they need.

For many Ontarians, timely and consistent service by the Northern Health Travel Grant is needed to access medically necessary health care. The Liberals are playing games, and northern Ontarians are wondering why they

should trust this government to deliver on health care promises when year after year, they go broken.

People living in rural and northern communities are already experiencing more obstacles than urban dwellers. All Ontarians deserve the same access to healthcare regardless of where you live. New Democrats

continue to strongly advocate for improvements in northern healthcare.

As always, please feel free to contact my office about this issue, or any other provincial matters. You can reach my constituency office by email at [mmantha-co@ndp.on.ca](mailto:mmantha-co@ndp.on.ca) or by phone at 705-461-9710/1-800-831-1899.

## UAP NAPA support Ski Club

On June 2, UAP NAPA Chapleau Auto Parts showed their support for the Chapleau Ski Club by allowing the club to run their barbecue. All food and drinks were donated by NAPA and the club raised \$695.00. Thank you to everyone who came and supported the club! Shown above from left to right: Alan Marsh, Ari Eukoluoma, Claude Martel and Rick Glabb.

## Cement Mixer Stolen From Cemetery

Superior East Ontario Provincial Police (OPP) Chapleau Detachment received a theft complaint on June 17, 2012. A cement mixer was reported stolen from the Chapleau Town Cemetery on Highway 129. The mixer is yellow and

green in colour, is attached to a trailer and is equipped with a 5 hp Yamaha motor. It is believed that the mixer was taken sometime over the past 2 weeks. OPP continue to investigate this theft, anyone with any information is requested to call the OPP at 1-888-310-1122 or Crime Stoppers.

"If you have any information regarding any criminal activity, call 705-942-7867 or 1-800-222-8477 (TIPS); submit an e-tip from The Crime Stopper's website at [www.saultcrime.com](http://www.saultcrime.com) or send a text to keyword SSM to the short code number 274637.

# THE LOCAL MARKET PLACE

**CHADWIC HOME, FAMILY RESOURCE CENTRE.** Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

## Hot Weather Is Here—beat The Heat

In anticipation of more hot temperatures this summer, the Sudbury & District Health Unit is encouraging everyone to be ready to beat the heat. Exposing yourself to extreme heat can lead to illnesses such as heat exhaustion and heat stroke. Those most at risk for developing heat-related illnesses during periods of hot, humid weather include the very young, seniors, anyone who exercises vigorously or is involved in strenuous work outdoors for prolonged periods, and the chronically ill.

"Anyone can suffer a heat-related illness, and everyone should take precautions," said Allan McDougall, an environmental support officer with the Sudbury & District Health Unit's Environmental Health Division.

Here are some tips on how to prevent heat-related illness:

- Drink lots of water and natural juices. Avoid drinks made with alcohol or caffeine.
- Avoid going out in the sun or heat when possible.
- Keep electric lights off or turned down low.
- Take a cool bath or shower periodically, or cool down with cool, wet towels.
- Wear loose-fitting, light-coloured clothing.
- Avoid heavy meals and using your oven.
- Try to take it easy and rest as much as possible.
- Place a dish of ice cubes in front of your electric fan. It has a cooling effect.

Signs and symptoms of heat-related illness include breathing rapidly, feeling weak or fainting, being more tired than usual, and developing a headache or confusion. If you or someone in your care experiences these symptoms, contact a health care professional, friend, or family member for help. In emergencies, call 911.

As part of the Hot Weather Response Plan prepared by the City of Greater Sudbury and the Sudbury & District Health Unit, the Health Unit provides information to keep the public safe from hot, humid weather. In addition to general heat-related information, the Health Unit offers information on beating the heat in apartment buildings, keeping your pets safe, doing outdoor activities in heat and smog, and keeping your children safe during hot weather.

Call the Sudbury & District Health Unit at 705.522.9200, ext. 398, toll-free 1.866.522.9200, or visit [www.sdhu.com](http://www.sdhu.com) for more information. In addition, visit Environment Canada's website at [www.ec.gc.ca](http://www.ec.gc.ca) or Health Canada's site at [www.hc-sc.gc.ca](http://www.hc-sc.gc.ca).
