April 15th Flag raising ceremony to culminate long military career

Chapleau native Master Warrant Officer Frank Bernier

but now that is no longer the case. Normally, the Flag that is being presented to the retiring member would fly at his or her last base or another location requested by the member.

Master Warrant Officer Bernier has requested that his Canadian Flag be raised and flown in Chapleau at the Civic Centre. On April 15th 2009 the flag will be brought to Chapleau along with a flag party of 3 soldiers in dress uniform to raise the flag at nine o'clock in the morning and lower it at four o'clock in the afternoon. Once the flag is returned to 700 Communication Squadron it will then be framed and a plaque will be placed on it with the date and location.

Frank was born in Chapleau on April 3, 1951, third son to Grace and Gene Bernier. He did his schooling in Chapleau prior to joining the Military on the 14th of February, 1969. After completion of his basic training on the east coast at CFB Cornwallis Nova Scotia, he was posted

to the Canadian Forces School of Communications and Land Ordnance Engineering (CFSCLOE) at Vimy Barracks in Kingston Ontario.

He completed his training as a Basic Radio Operator in Kingston and moved from the School to the 1st Canadian Signal Regiment in Kingston where he served until summer 1977. Both daughters, Grace and Lori were born in Kingston during this time. While serving in the Regiment he completed his first tour of duty in Cyprus in 1972-73 and a tour in Cairo Egypt 1973-74. Upon his return from Egypt, he was then posted to the west coast in Equimalt on Vancouver Island to 3rd Battalion Princess Patricia's Canadian Light Infantry. In 1974-75 he returned to Cyprus with the Battalion for his second tour. Having been coast to coast in Canada, he was posted to the 4th Canadian Mechanized Brigade Group Headquarters and Signal Squadron in Germany in 1977 where he served for 4 years. In 1981 he

packed his bags and was posted back to Canada, specifically, London, Ontario and served with the First Battalion Royal Canadian Regiment. He returned to the Signal Regiment in 1985 where he was deployed to Baghdad, Iraq in 1988. (In fact, Frank was fishing on Winnebagon Lake when recalled to Kingston for that deployment) In 1990 he then was posted across the road to the School of Signals where he served until 1994 when he joined 79 Communications Regiment, but still in Kingston. In 1996, he was then posted to 724 Communication Squadron in Gagetown New Brunswick where he retired from the Regular Force in 1997. He sold his house in Kingston and moved to New Lowell in Dec of 1997. He then was recruited into 700 (Borden) Communications Squadron where he will end his Military service on June 2, 2009. He is married to Dee (Nee) Coleman of Stittsville and they have 6 grand children.

BAPTISTE – Joseph**

Passed on to the Spirit World at the North Bay General Hospital on Thursday March 12, 2009 at 83 years of age. Dear husband of June, predeceased. Also predeceased by his parents Alexander and Monica Baptiste, brothers Samuel, George and Louie and sisters Elizabeth, Louise and Mary.

Joe, as he's known to his many friends, lived in Chapleau most of his life but his family always remained close in his heart and thoughts. He was very proud of the roles he and his family played in the Burden-Chendler production from Paramount films "The Silent

Enemy", which featured his father and uncles canoe building skills, his mother and even Joe as an infant in his tikinaagan. Throughout his life, Joe carried his ancestors' teachings with him in his love for the bush. In his younger years, he was known as an esteemed hunter, trapper, fisherman and guide. His handiworks can still be seen at many tourist resorts and lodges throughout northern Ontario. Up until last fall Joe could be seen in the bush checking his traps. He received many awards for his skillful trapping and skinning abilities from the Ontario Fur Harvesters Association. Joe was always ready to share his hunting and fishing harvests with Elders and others in need. As a respected Elder, Joe, shared his countless stories and teachings, and taught many skills and talents to numerous people who were anxious to learn from him. Joe was also a very active and important part of the APANO-Chapleau Elder's program. We are all extremely grateful to Joe for demonstrating his love for our country and the freedom we enjoy through his service over seas in WWII.

All Veteran's and friends are invited to attend a visitation in Joe's memory at the Royal Canadian Legion Branch #5, 33 Young Street in Chapleau on April 5th from 2:00-4:00 pm. In lieu of flowers donations can be made to the APANO-Chapleau's Elder's Program at 8 Lorne Street North or the Canadian Diabetes Association.

Joe will be sadly missed by his remaining sister-in-law, his many nieces, nephews and good friends All Our Relations

LETTERS TO THE EDITOR

Dear Editor:

I am writing to request the assistance of you and your readers for two Chapleau history research projects that I am working on for my next Chapleau book.

The projects are a collaborative effort between myself, Ian Macdonald, Mike McMullen and Mike Morris. Ian has recently retired as Head of the School of Architecture at the University of Manitoba. Mike McMullen and Mike Morris both have deep roots in the Chapleau area and Mulligan's

Bay was likely named after one or more of their ancestors. We all spent some or all of our growing up years in Chapleau and have maintained a keen interest in the community and its history.

Ian is an expert on early railroad architecture and has graciously consented to write a chapter on the architecture of Chapleau with an emphasis on the C.P.R. buildings - including the station, the roundhouse, the Y.M.C.A. and the older C.P.R.

residential duplexes on Monk and Pine Streets.

Ian, the two Mikes and I are collaborating on a piece about the history of the Hudson's Bay Post(s) in the Chapleau area. We think that there was some sort of a post and small settlement including an Anglican church at what has come to be known as "The Old Fort" at Mulligan's Bay. We don't know for sure when the post was opened or when the Hudson's Bay Company first traded in the Chapleau area. We also know that the operation that may have been at

Mulligan's Bay was shut down and moved into the town of Chapleau some time around 1885 when the C.P.R. went through. That Chapleau location appears to have been closed about 1899.

The matter of the church is of peripheral interest only in that information about it might help to determine when the post was opened and exactly where it was located.

Unfortunately, the Hudson's Bay records are sometimes tantalizingly and frustratingly incomplete. One document refers to some sort of a

sub post located one mile from Chapleau. Its purpose was to try to prevent the Aborigines from going into town and doing business with the Hudson's Bay competitors. The site of this location is not identified in any Hudson's Bay documents that we have examined. However we are initially hypothesizing that it might have been on the north side of the Back River about a mile east of the Cedar Street Bridge. Another possibility is that a post or sub post may have been located on the north side of the Front River near the present site of the golf

course.

It is very important to all of us that this piece be as accurate and as well documented as possible.

We would appreciate any sharing of information, documents, photos or opinions about the topics about which we are researching and writing.

Chapleau Valu mart and Meals of Hope foodbank kick off Spring Food Drive

While Canadians anticipate Spring as a season of renewal and optimism, many food banks associate this period with decreasing reserves and increasing demand. Factor in the effects of

the recession and this situation may become amplified. To raise awareness and food for this critical issue, Loblaw's has launched a National Food Drive Campaign. Locally, Chapleau Valu Mart has partnered with the

Meals of Hope as part of a national goal to raise 2 million pounds of food and \$1 million in 2009 for food banks across the country.

"At Chapleau Valu Mart, we have a history of taking an active role in our community" said co-owner Richard Bignucolo. "Our hope is that with the generous support of our customers and

colleagues, we can reach our food and funds target and make a meaningful impact in the fight against hunger." he adds.

Donation bins are set up in the Chapleau Valu mart and cash donations can also be made at the checkout counter. All food and monies collected locally will remain in Chapleau

Healthy foods make healthy events

**By Pamela Brunelle
Dietetic Intern,
Sudbury & District
Health Unit**

Are you planning an event, and don't know what food or snacks you are going to

serve? Whether it's a party, a staff meeting, or a sports event, be creative and either prepare or purchase healthier options to energize your crowd. These days, people are

more health conscious, and appreciate when tasty, nutritious foods are available. Healthy foods don't have to be a burden. If you're crunched for time there are lots of quick, easy, and affordable options available.

To ensure you are making healthy food choices for your event, follow Canada's Food Guide, remembering some of the main points.

Offer: A variety of vegetables and fruits (e.g. fresh vegetables and fruit, canned fruit, frozen berries). Whole grain products (e.g. whole wheat bread, pita's, buns, tortillas). Meatless options (e.g. vegetarian lasagna, stir fired vegetables, vegetarian chilli). Low fat dairy products (e.g. low fat yogurt, low fat cheese, and lower fat milk). Lower fat foods (e.g. no fried foods, watch out for foods with added fat from butter, margarine and mayonnaise). Water,

100% fruit or vegetable juices, and milk as your beverage.

Ultimately you want to aim for: At least three of the four food groups to be included in meals. Some healthy examples are vegetable chili served with a warm whole grain pita, a chicken or tofu-vegetable stir fry served

over a bed of brown rice, or whole grain pasta with meat sauce and a side mixed salad. At least two of the four food groups to be included in snacks. This can be as simple as serving whole grain crackers and cheese, yogurt topped with berries, or fresh vegetables dipped in hummus.

You will notice that when you serve delicious and healthy foods, it will create discussion and people will really start to connect. Expect to receive lots of compliments about the great food and your thoughtfulness for keeping everyone's health in mind.

Leukemia and Lymphoma

The Leukemia and Lymphoma Society (LLS) is the world's largest voluntary health organization dedicated to funding blood cancer research, education and patient services. During the first week of March, Chapleau High School students fundraised money to send to the Leukemia and Lymphoma Society of Canada. Students' Council hosted events

such as PJ day, sunglasses day, crazy hair day, and hat day to encourage the student body to donate their loose change. Two jars were set up in the office, one for the females and one for the males, to create more competition. At the end of the campaign students' raised \$250. Congratulations and thank you to all students who participated in the events!

Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Les SSCHS disent adieu à une infirmière praticienne exemplaire

Stacy Roberts, infirmière praticienne, et son mari quittent Chapleau pour s'installer à Thunder Bay afin d'habiter plus près de leur famille. Dans l'exercice de ses fonctions, Stacy a contribué de façon appréciable à la Clique médicale de Chapleau et elle nous manquera beaucoup. Les SSCHS souhaitent, à Stacy et à son mari, grand succès à l'avenir. Nous rappelons aux patients qu'ils peuvent prendre rendez-vous à la Clinique médicale avec tout professionnel de la santé et l'infirmière praticienne visiteuse de la Clinique de consultation gynécologique en composant le 864-0210.
