Freeborn at the helm for next four years

Following a very tight race the advance polls jolted Mayor Earle J. Freeborn to a victory over Richard Bignucolo. Freeborn topped the polls as he was re-elected in the 2006 mayoral race with 608 votes defeating Richard Bignucolo who received a respectful 523 votes. Bignucolo had given up his seat as councillor to attempt a bid for the

Mayor's chair.

André Byham topped the polls in the council race with 820 votes making him the new Deputy Reeve. In a close second position Keith "Bud" Swanson came in with 793 votes. In third and fourth positions, newcomers Jacques Tremblay and Doug Greig came in with 738 and 700 votes respectively. Rose Bertrand's bid to become a councillor

fell short with a total of 540 votes.

From the 2113 eligible voters, 1138 opted to voice their opinion in the 2006 Municipal election making it a 53.85% turnout. The turnout in 1997 was 56% and 33% in 2003.

Political interest was sparked by the great campaign led by the candidates. Debates were held on a daily basis in the local restaurants at

breakfast or coffee time, on the sidewalks and in the stores and post office. A few feathers were ruffled but everyone came out a winner.

All candidates should be commended on having the courage to participate in this election allowing each and everyone of us to participate in this democratic exercise that we much too often take for granted.

Candidate	Polls 1-4	Advance	Total
Mayor			
Bignucolo	392	131	523
Freeborn	403	205	608
Councillor			
Bertrand	370	170	540
Byham	607	213	820
Greig	485	215	700
Swanson	570	223	793
Tremblay	550	188	738

**TOWNSHIP OF CHAPLEAU
2006 ELECTION RESULTS
NOVEMBER 13TH, 2006**

Chapleau honours the fallen

President Darryl Brunette assists Comrade Thelma Therriault in laying the wreath on behalf of the Silver Cross Mothers

Members of our community from the elderly to the very young were in attendance for the Remembrance Day Church service at the Sacred Heart Church

and again in the bitter wind for the laying of the wreaths at the cenotaph on November 11th. The bilingual church service include readings from the

scriptures, the recitation of "In Flanders Fields", the naming of the fallen soldiers from past conflicts and the playing of the Last Post and Reveille.

Comrade Percy Encil, President Darryl Brunette and Comrade Conrad Tremblay receive the salute from the passing parade

Legion Br. No. 5 Colour Party then led the parade to the cenotaph for the laying of wreaths and poppies by the various organizations, schools, businesses

and individuals of Chapleau. With the noticeable decline in the number of surviving veterans in our town, it becomes increasingly important for all

citizens to insure that the memory of those who paid the supreme sacrifice will continue to be held in the highest respect.

TRIBUNE LIBRE

D'abord permettez-moi de vous remercier d'avoir mis votre tribune sans frais à la disposition de tous les candidats municipaux tout au long de la campagne électorale, afin qu'ils puissent exposer leurs idées et leurs projets à la population de Chapleau.

J'en profite également pour remercier chaleureusement les citoyens de Chapleau qui ont voté pour moi de sorte que j'occupe à nouveau le poste de Maire pour un mandat de quatre ans.

Tel que promis, je continuerai de vous représenter à temps plein et du meilleur de mes capacités. Un merci spécial à ma fille Shelley qui s'est chargée de manière impeccable, de ma campagne électorale et qui a su m'entourer d'une équipe de supporteurs dont l'apport m'a permis de me concentrer sur ce qu'il y avait à faire. Shelley, ta mère et moi sommes si fiers de toi et nous voulons tous les deux te transmettre notre appréciation à toi

et ton équipe d'avoir rendu cette victoire possible.

Les prochains quatre ans s'annoncent à la fois exaltants mais aussi difficiles, alors qu'il nous faudra prendre des décisions importantes; cependant, je suis sûr que le nouveau conseil saura apporter un renouvellement d'énergie aux questions sur lesquelles il faudra se pencher. Nous aborderons notre mandat dans une situation avantageuse du point de vue financier, car les finances de la municipalité sont en bon état et nous avons les fonds de réserve qu'il faut pour parer à toute éventualité.

Pour terminer, j'aimerais remercier les conseillers sortants qui ont travaillé si fort pour les citoyens de Chapleau au cours de leurs mandats respectifs. En effet, Chapleau est un endroit spécial où il fait très bon vivre.

Earle J. Freeborn
 Maire, municipalité de Chapleau

LETTERS TO THE EDITOR

May I first say "Thank You" for allowing all of the candidates for Town Council to present their platforms and ideas to the citizens of Chapleau throughout the election campaign free of charge.

This is also my opportunity to "Thank" the citizens of Chapleau who voted for me and have returned me to the Mayor's Office for the next four years.

As promised, I will continue to represent you full time and to the best of my ability.

A special "Thank You" to my daughter Shelley who managed my election campaign flawlessly and recruited a team of supporters who

kept me focused on the task at hand. Shelley your mom and I are so very proud of you and we want to extend our appreciation to your team who made this victory possible. The next four years will be exciting and at times difficult as we will be required to make

some important decisions; however, I know that the new Council members are anxious to bring a renewed energy to the issues that we will be confronted with. We will begin our mandate from a position of strength as the Township's finances are in good shape and we have adequate reserves in place for any

unforeseen emergencies.

In closing I want to "Thank" the outgoing members of Council who worked so very hard for the citizens of Chapleau during their mandate. Chapleau is truly a very special place to live.

Earle J. Freeborn
 Mayor, Township of Chapleau

OBITUARY

Lillian Rose-Marie Lacroix
 April 27th, 1953 - November 3rd, 2006

She leaves behind her children Luc (Gwen) and Roger Jr. (Tamie), her two cherished granddaughters Destanie and Zoe, mother Georgette, brothers' Roger and Don, and sister Noella. We wish to thank everyone who has expressed sympathy, and made generous donations of time, food and thoughtful gestures during this difficult time. A special thank-you to Bernie Black for all her help and quiet wisdom. Lillian had a great love of family and friends and understood the importance of forgiveness. She had a strength of character that kept her looking forward to new opportunities and horizons. Lillian was generous with her time and persevered through difficult days knowing tomorrow would be brighter. We will remember Lillian as she was when at her best, smiling, loving and feeling fortunate to be with those she cared about most.

The Lortie and Lacroix Families.

"Serving Chapleau & Area for 20 years"

IN LOVING MEMORY

Of a Dear Father & Grandfather
 who passed on November 18th, 2002.
 Donat Langlois

It broke my heart to lose you,
 But you did not go alone
 Part of me went with you,
 the day God called you home.
 A million times I've thought of you
 A million times I've cried
 If loving could have saved you
 You would have never died
 Forgive me Lord, I'll always weep
 For the father I loved but could not keep.

Forever in our hearts and missed,

Chapleau High School Remembers Afghanistan Casualties

Yellow Ribbon Tree project members (left to right) William Petrosky, Curtis Morin, Miranda Purdy, Kimberly Demers, Samuel Lee and Angela Leishman

Several students have taken it upon themselves to arrange for Armed Forces representatives to address the CHS students and staff concerning events in Afghanistan. In the cafeteria, standing as a solemn reminder of the cost of war, is a tree whose branches cradle yellow ribbons.

Attached to each ribbon is the name of a Canadian casualty in Afghanistan. Sadly, there are over 40 yellow ribbons on the tree.

Students have also established a bulletin board showing the many news headlines from Afghanistan as well as a notice to "SUPPORT OUR TROOPS" with the address available for Sapper Joel Lafreniere, a former Chapleau High student who is stationed in Kandahar, Afghanistan.

In addition, this year's Christmas "Tree of Lights" is being donated by Students' Council in support of our troops in Canada and around the world.

Afghanistan Headlines bulletin board organizers Samuel Lee and Kimberly Demers promote the Support Our Troops campaign

"THANK YOU"

to all of you who supported me in the 2006 Municipal Election. Your support is greatly appreciated.

Congratulations to Mayor and Council and good luck in your upcoming four years.

Rose Bertrand

Célébration et nouvelle phase de Projet Chapleau

Le 9 novembre 2006 marquera la fête de Projet Chapleau, y compris l'étude technologique de même que celle du réseau maillé sans fil. Ce fut une année très chargée. Des centaines de résidents de Chapleau et un grand nombre des visiteurs ont utilisé le réseau. Grâce à votre participation, nous avons appris beaucoup de nouvelles choses au sujet de la technologie WiFi et son application dans une communauté canadienne.

Changements importants de l'accès résidentiel internet et point d'accès Wi-Fi:

Comme nous entrons dans la phase finale du projet de réseau maillé, le présent réseau passera d'une combinaison de modèle résidentiel et de point d'accès Wi-Fi à un réseau du point d'accès Wi-Fi (non résidentiel) le 31 décembre 2006. Bell, Nortel et la Ville de

Chapleau, partenaires depuis le tout début du projet, ont travaillé de très près pour évaluer toutes les options du projet et pour assurer une transition efficace.

Les résidents et les visiteurs pourront encore utiliser le réseau maillé gratuitement. Cependant, comme avec d'autres réseaux municipaux de point d'accès Wi-Fi, le support local (résidentiel) et le service courriel Sympatico ne seront plus disponibles. Le 31 décembre 2006, les comptes résidentiels (non-visiteurs) de réseau maillé et le service courriel Sympatico (qui n'a pas été transféré au DSL) cesseront de fonctionner.

L'équipe de projet Chapleau aidera à la transition des participants du réseau maille qui choisissent de garder leur adresse courriel Sympatico avec un nouvel

abonnement DSL Sympatico. Pour de plus amples renseignements, s'il vous plaît, rendez-vous au Centre d'Innovation de Chapleau (CIC). Les changements doivent être effectués avant le 4 décembre 2006. Les détails de transition seront envoyés à tous les comptes courriel Sympatico valide. Les détails sont également disponibles au www.chapleau.ca. La saison des fêtes approche à grands pas et c'est toujours une période très occupée. Pour s'assurer que toutes les demandes peuvent être adressées sans interruption de courriel, il est très important d'agir rapidement pour la transition de votre service résidentiel.

Quelle est la prochaine étape?

Comme plusieurs d'entre vous le savent, Projet Chapleau est beaucoup plus qu'un projet de

réseau sans fil. Le WiFi est maintenant disponible à l'hôpital et aux écoles; les étudiants et les enseignants ont de nouveaux portables; le centre communautaire est équipé avec un système audio et vidéo à la fine pointe de la technologie; et beaucoup d'entre vous ont acquis des connaissances en WiFi et des compétences informatiques et multimédia.

La prochaine étape du Projet Chapleau consiste à compléter les recherches entreprises avec les différentes universités avec de finaliser les installations à l'hôpital, aux écoles et quelques autres locations dans la communauté. Assurer vous de visiter le portail de Chapleau, récemment amélioré, (www.chapleau.ca) et vous pouvez lire toutes les nouvelles courantes, y compris

celle de la compétition de plan d'affaires d'une valeur de plus de \$75,000!

Rencontre avec les résidents le 20 novembre 2006

Lundi, le 20 novembre 2006, l'équipe de Projet Chapleau vous invite à une séance d'information l'école Chapleau High School à 17 H 30. Venez vous

joindre à nous pour cet événement mémorable et il nous fera plaisir de discuter de toutes les facettes du projet avec vous. Vous aurez aussi l'occasion de poser vos questions au sujet de la transition des comptes d'email et ainsi que sur le reste du projet.

Venez célébrer avec nous!

NOTICE TO CREDITORS

All claims against the Estate of Terence Clarence Way-White, also known as Terry Way-White, late of the Town of Chapleau, who died August 15, 2006, must be filed with the undersigned personal representative on or before the 20th day of December, 2006, after which date the Estate will be distributed having regard only to the claims of which the Estate Trustee then shall have notice.

Update On The Next Phase of Project Chapleau

A year ago, Project Chapleau officially launched the technology trial of the Wireless Mesh Network. It has been a busy year, with hundreds of Chapleau residents and visitors using the network. Thanks to your participation, many people have learned about WiFi technology and its application in a Canadian community.

Residential Internet Access moving to Wi-Fi hotspot Service

Project Chapleau is now entering a new phase. Effective December 31, 2006, the

mesh network will be transitioned from a combined residential/Wi-Fi hotspot model to a Wi-Fi hotspot network. Bell, Nortel and the Township of Chapleau, partners since the project began, will continue to work closely together to understand project options and to ensure an effective transition.

Town residents and visitors can still use the Mesh network at no cost. However, as with other municipal Wi-Fi hotspot networks, local in-home support and wireless mesh email service will

no longer be available. On December 31st, 2006, Wireless Mesh residential accounts and email service will be discontinued.

Project Chapleau will be providing transition services to wireless mesh participants who choose to transfer their mesh email addresses to new Sympatico Internet DSL accounts. If you would like this assistance please go to the Chapleau Innovation Centre (CIC) before December 4th, 2006. Transition details have been sent to all wireless mesh email

accounts. They are also available at the Chapleau Innovation Centre, and at www.chapleau.ca. The approaching holiday season is a very busy time. To ensure that all requests may be addressed with minimal disruption please act soon if you wish to transition your residential service.

Read all about it!

As many of you know, Project Chapleau extends far beyond the wireless trial. Wi-Fi is now available at the hospital and schools; students and teachers have more laptops; the

community centre is equipped with a high-tech audio and video solution and many of you acquired and continue to develop Wi-Fi and multimedia computing skills.

In this next phase of Project Chapleau, team members will finalize initiatives at the hospital and schools, and the research teams will complete their data gathering. Make sure to visit the recently upgraded community portal (www.chapleau.ca) to read all about these

exciting activities, including the \$75,000 business plan competition!

Town Hall November 20th

The project team will be holding a Town Hall session at the Chapleau High School on Monday, November 20th beginning at 5:30 PM.

Please join us at this informal event so we can celebrate the project together, talk about the transition of email accounts, our remaining initiatives and any other questions you may have. Come celebrate!

Men's Heart Health Event a Success

Darryl Brunette and Syd O'Riley are busy cooking trying to keep up with the ever growing lineup

A successful barbecue was held by the Chapleau Northwood Heart Health Coalition in conjunction with Chapleau Health Services and Sudbury & District Health Unit.

The barbecue was free for men that showed up for the event. The theme was "Men's Heart Health".

A healthy meal was served to the delight of all that came to the event.

As always, the Odd Fellows, brought forth their cooking prowess ensuring a

complete success to the event. Comments from the patrons definitely indicated that an encore is a must in the years to come.

Displays demonstrating proper foods and portions were available to view by the crowd.

People patiently wait to get served with a delicious meal

ATTENTION VOTERS OF CHAPLEAU

Congratulations on your excellent turnout at the polls for Election 2006.

Very special thanks to all those who supported me once again.

Thank You. Merci.

**KEITH J. "BUD" SWANSON

CHS Competitors

Chapleau High School students Vincent Ladouceur, Chess Club and Eric Leishman, Cross Country runner

CHESS
On October 2, 2006, Vincent Ladouceur won a first place finish in the 14 to 15 year old category in a chess competition open to all schools in Chapleau. On October 21st in Thunder Bay, he place 4th in a group of 32 contestants. Had Vincent finished 3rd or higher, he would have

been eligible to participate in the National Finals in Ottawa next summer.

CROSS COUNTRY
Runners representing NWOSSAA from Chapleau to the Manitoba border competed in a seven kilometer cross country run. Chapleau

High's Eric Leishman finished the course in 11th place of 42 competitors. This made him eligible for the OFSAA meet which was held in Thunder Bay on November 4, 2006. Unfortunately, suffering from a cold, Eric did not have a good run.

**ENERGY CONSERVATION
 CHRISTMAS LIGHT EXCHANGE**

Chapleau Public Utilities Corporation in partnership with Collins Home hardware will be having a Christmas light exchange. Chapleau PUC will be giving one strand of LED seasonal lights per Chapleau PUC customer in exchange for two strands of your old five or seven watt Christmas lights on a first come, first serve basis beginning November 20, 2006 at the Chapleau PUC office. The LED Christmas lights consume 80% less energy, last longer and the colors do not fade.

Also, be on the watch for other ENERGY SAVING give aways on the night of the down- town tree lighting on November 24th.

Working together we can all conserve energy.

**CONSERVATION D'ÉNERGIE
 ÉCHANGE DE LUMIÈRES DE NOEL**

La Corporation des Utilités Publiques de Chapleau en partenariat avec Collins Home Hardware auront un échange de lumières de Noel. Chapleau PUC donnera un ensemble de lumières LED par clients de CPUC en échange de deux de vos vieilles ensemble de lumières de Noel de cinq ou sept watt sur une base de premiers arrivés, premiers servis commençant le 20 novembre 2006 a l'office de CPUC. Les lumières de Noel LED utilisent moins de 80% d'énergie, durent plus longtemps et les couleurs ne décoloreront pas.

Aussi, soyez en garde pour d'autres prix d'ÉPARGNES D'ÉNERGIE le soir d'éclairage de l'arbre de Noel le 24 novembre.

En travaillant ensemble nous pouvons tous conserver l'énergie.

Town Halloween Party

By Micheal Levesque

The Our Lady of Fatima School Council held the fifth annual Town Halloween Party on Saturday, October 28th at the Community Center. Parents and children, up to 12 years, were invited to an evening of Halloween games and activities. Children participated in games ranging from pin the wart on the witch to Halloween Concentration. Baked goods and raffle items were also available. Total earnings for the evening were \$601.00, a sum targeted for the student activities fund. No event succeeds without the help and assistance of volunteers. The Fatima School Council wishes to thank the many parents and adults who baked, donated and give their time and thanks also to the Fatima, Elementary and high school students who helped set up and run the events.

Every event needs rejuvenation to update and develop new ideas. The Fatima staff is designing a competition for the students to update next year's games. The students will be invited to design and build new game formats with prizes for the best and most practical ideas.

Many thanks go out to all those parents and children who supported our efforts over the last five years.
