Chapleau company receives safety award from OFSWA

TTrue North Timber was established in October of 1997 as a local Chapleau logging contractor. Since establishment, the corporation has expanded to near six times its annual work scheduled volume and workforce. It currently employs approximately 100 persons in various capacities including full-time, part-time, sub-contractors, sub-contract employees, and phase contractors, and completes an annual work schedule volume of approximately 460,000 Tonnes.

True North Timber has an established reputation for success both in the industry as well as in safety. Their safety programs have been in place since their establishment ten years ago with

continual upgrading and improvements being made. The company has been SWO Certified annually since 2002 and has been a part of SWO Safety groups for the past 5 years.

In 2005 True North Timber received the Regional Health and Safety Award where 160 logging firms in the district (District F) were evaluated based upon key legislative requirements covered by SWO certification, as well as injury experience over a two year period.

In 2006 the corporation was awarded the Provincial Continuous Improvement Award for outstanding achievement in Health and Safety for 2002-2006. This achievement is based upon evaluation of 1,800 firms in Ontario under the same categories as the Regional Award. The award is given to two distinctive groups, the first being to firms with less than 500,000 hours worked, and secondly to firms with more than 500,000 hours worked. Given these hours worked, the successful candidate firm would have significantly improved their total injury frequency and severity rates on a consistent basis. The severity and frequency is calculated by taking the number of injuries in the term multiplied by the hours of work

then divided by a standardized 200,000 work hours for the year.

Establishment of this amicable safety record was due to the exceptional efforts of their safety staff, along with the attention and cooperation of all employees of True North Timber. Ryan Saari, CEO for the corporation states "it was not an easy accomplishment, but thanks to the hard work of a lot of people, both managerial and workforce personnel, we are able to keep our

Avis de décès

Lavoie, Mme Gisèle (Robichaud)

Le 25 octobre 2007 au centre hospitalier de Chapleau, notre très chère maman a perdu sa lutte contre le cancer, mais elle a gagné la vie éternelle. Notre mère était une de ces rares perles pour quiconque l'a connue et aimée. Dotée d'une foi inébranlable, elle savait toucher les cœurs par sa délicatesse, sa sensibilité et sa tendresse. Comme mère dévouée, elle était un exemple de force et de courage. Elle est née le 12 août 1929 au Bic dans la province de Québec, fille de feus Louis et Éliane Robichaud. Outre ses parents, Gisèle allait perdre son cher époux Adéodat en 1996 et sa soeur Béatrice Rioux en 2004. Elle laisse dans le deuil ses trois enfants : Ivan (Lynne Ranger) Lavoie, Anne (Robert) Morin et Louise (Hans) Freistatter, huit petits-enfants : Nicolas Lavoie, Tim (Chantal) Morin, Mark (Laura) Morin, Ryan, Sara, Hans fils, Heidi et Katrina Freistatter, de même que deux arrières petits-enfants : Braeden et Ashton Morin. Elle laisse également dans le deuil sa soeur Rita Godbout d'Elliot Lake et ses neveux et nièces. Ses funérailles ont eu lieu à l'église Sacré-Coeur le mardi 30 octobre 2007, célébrées par le Père Jacques Fortin. Les porteurs étaient ses petits-enfants Tim et Mark Morin, Sara, Heidi et Hans fils Freistatter et son neveu Richard Rioux. Elle fut inhumée par la suite au cimetière municipal de Chapleau. Ceux qui désirent offrir un don en souvenir de notre mère peuvent le faire à la Paroisse Sacré-Coeur de Chapleau où à la Fondation de l'Hopital Général de Chapleau. Les services funéraires furent assurés par Gilmartin Funeral Home de Wawa.

BIRTH ANNOUNCEMENT

Tracy & Tim are pleased to announce the safe arrival of the twins. Martina and Mark were born on October 28th at the Chapleau Hospital. The twins were also Chapleau's New Year's Babies for 2007.

A special thank you to Doctor Tissot, Leanne, Marcia, Bob and all the nursing staff that cared for the twins. Thanks to all who sent gifts and best wishes. Also a special thank you to Paulette for all your help and kindness

DEATH NOTICE

SHAWANDA, Donna (nee Huff)

Started her journey to her Creator on Tuesday, November 6, 2007 in her 68th year. Will be lovingly remembered by her husband of 38 years, Alex. Daughter of Mattie and the late Whitty. Loving mother to Alex Jr. (Debbie) and Vanessa Jones (Glen Jr.). Affectionate Grandmother to Sarah, Corey, Jared, Jade, Clarissa, Hunter, Forrest and the late Brandon. Very proud Great Grandmother to Journey. Sister to Terry, Lance (Linda), Crystal and predeceased by Bob, Jerry, Geraldine and Gary. Donna is survived by many nieces and nephews. Friends called at the home of Alex Shawanda in Garden River, Ontario, on Friday, November 9, 2007 from 3 p.m. until the time of service in their home on Sunday, November 11, 2007 at 11 a.m. Donations to the Canadian Diabetes Association would be appreciated by the family. www.mem.com

AVIS DE DÉCÈS

Philion, Mme. Blanche Marie

Décédée aux Services de Santé d'Espanola vendredi, le 9 novembre, 2007, à l'âge de 92 ans. Blanche, épouse bien-aimée de Paul Philion de feu, mère aimée de Jeannette (Claude Hebert) de Nairn Centre, Leonard Philion et Rita (Mme. Norman Riopel) de Chapleau, et Cecile Philion de feu. Blanche sera manqué par ses arrières-enfants Sylvie, Michel, Angele et Lise, et ses arrières-petits enfants Mario, Jordan, Lyndsey, et Ashlynn. Blanche est la soeur d'Ernest Langlois (Paulo) de Montreal, Bernadette Chretien de Quebec City, et Edgar Langlois, Lionel Langlois, Leger Langlois, et John Langlois de feu. Une Messe Funéraire a été célébrée à l'Église Sacré-Coeur mardi, le 13 novembre, 2007 par Père J. Fortin. Inhumation au cimetière municipal de Chapleau. Pour ceux qui veulent des dons commémoratifs faits aux Services de Santé d'Espanola Soins Longues Durés seront appréciés par la famille. Chapleauite wins woodworking competition

Lakehead University Forestry Students Win in Wood Works Institutional and Provincial Student Design Competitions

Denis Ayotte on the left, winner of the \$10,000.00 prize and Kevin Predon winner of \$3000.00.

Submitted by Lakehead University

Denis Ayotte, 4th year honours student in Lakehead's Bachelor of Science in Forestry program, has put Lakehead University on the map as the school to beat for future Wood Works student design competitions. The first annual contest, the idea for which was originally conceived by Lakehead Forestry Professor Dr. Matt Leitch, is a project by the Canadian Wood Council. This program, through

Wood Works, is open to forestry and wood design students at Ontario's post-secondary institutions, and encourages the creation of an innovative structural wood product while also providing the opportunity to assess its market potential.

The competition is two-tiered and is judged at the University and Provincial levels. "Lakehead's submissions were graded by an on-campus panel," Leitch explains. "The top two

submissions, presented by Denis Ayotte and Kevin Predon, were chosen according to the quality of the wood products and marketing plans, and were awarded \$5000 and \$3000 respectively." Leitch adds that each post-secondary institution's first place submission then competes in the provincial round, in which students have a chance to win an additional \$5000 if they secure the first place position. Ayotte was successful in both. "The Forestry faculty is extremely pleased not only to have the idea of this competition come to fruition, but also to have two of our students recognized for their quality work at the university level, and for Denis' success in winning first place at the provincial level."

"This is the first year of the Wood

Works student competition, and we were extremely impressed by the innovative projects that were submitted," says Marianne Bérubé, Wood Works' Ontario Executive Director. "The products that we saw this year have set a high standard for future competitions, and we are eager to see what students create in years to come."

Ayotte created an innovative leaf shaped table, built with under-utilized boreal species including white birch, white pine, and black ash. The product is multifunctional; it can be separated into different appealing arrangements including a round leaf table for everyday use, an elongated leaf table used for long and narrow living rooms, a coffee table that resembles cascading leaves, and singular leaf tables that can be used as night tables or end tables. If he continues to produce products under the Boreal Furniture brand, Denis hopes to produce different shapes, sizes, and products such as other furniture pieces, boxes, cutting boards, and outdoor furniture.

Predon's sister and brother-in-law produce maple syrup, and he created decorative "Maple Staples" display boxes to help them market their products and increase their profits. His sister and her husband donated a Maple tree to Kevin so he could use it for his thesis, which he was also conveniently able to use for his Wood Works contest submission as well.

Ayotte is

Marianne Bérubé, Denis Ayotte, Kevin Predon, Dr. Mathew Leitch.

honoured that Lakehead provided him the opportunity to participate in the competition; he says his awards have given him confidence to explore different avenues of the forestry field and have increased his drive to immerse himself in the wood products

industry – especially value adding. "I didn't realize how much creativity, skill, and passion I had for woodworking until I entered the Wood Works contest," he contends. Likewise, Predon is also in his 4th and final year, and hopes to actively

PUBLIC INFORMATION CENTRE #2

HIGHWAY 129
FROM 30.2 KM NORTH OF HIGHWAY 554 NORTHERLY 20.8 KM
HIGHWAY 556
FROM HIGHWAY 129 WESTERLY 5.3 KM
PRELIMINARY DESIGN STUDY AND CLASS EA
GWP 5670-04-00

The Ontario Ministry of Transportation (MTO) is undertaking a Preliminary Design Study and Class Environmental Assessment (Class EA) for route selection and preliminary design for Highway 129 from 30.2 km north of Highway 554 northerly 20.8 km and Highway 556 from Highway 129 westerly 5.3 km in the District of Algoma as shown on the key plan. The study is identifying and evaluating new highway alignments and will recommend a preferred plan for the sections of Highway 129 and Highway 556 within the study limits. The firm of McCormick Rankin Corporation (MRC) is undertaking this study on behalf of MTO.

External agency and public consultation is taking place throughout the study, including two rounds of Public Information Centres (PICs). The first round of PICs was held in June 2007 and provided local residents and members of the public an opportunity to review the study process, the study need and justification, the Highway 129 and Highway 556 corridor alternatives, and the preliminary evaluation of the corridor alternatives.

Following the review of comments received at the first round of PICs, the Project Team has completed the analysis/evaluation of the corridor alternatives and route alternatives, and has identified the preferred plan for the two highway sections. The preferred plan includes design and operational improvements to Highway 129 and Highway 556. The improvements to Highway 129 will occur within the existing highway corridor within the study limits. A second PIC has been scheduled to review the analysis/evaluation of the corridor alternatives, route alternatives, and the preferred plan.

The PIC will be an informal drop-in centre in Thessalon. Representatives of MTO and their consultant will be in attendance to answer questions and receive comments. You are encouraged to attend the PIC and to provide us with your views and comments so that they can be considered as the study progresses. The PIC will be held as follows:

PUBLIC INFORMATION CENTRE #2

Date: Tuesday, November 20, 2007
Time: 4:00 p.m. to 7:00 p.m.
Location: Town of Thessalon
 Community Hall (St. John Room)
 266 Main Street, Thessalon, Ontario

This study is following the *Class Environmental Assessment (EA) for Provincial Transportation Facilities (2000)* process for a Group 'B' project. The opportunity for public input is provided throughout the study process.

Upon completion of the study, a Transportation Environmental Study Report (TESR) will be prepared and made available for public review. Notices will be published at that time to explain the review process and identify the locations where the TESR is available for viewing.

Announcement

After more than fifty years of operation, the Pilon family have decided to sell Kanipahow Kamps allowing them to spend more time with their family and friends and do some traveling of their own.

As of October 1/2007 Lloyd and Diana Cotton are the new owner/operator of Kanipahow Kamps, We will be operating under the new name Kanipahow Wilderness Resort.

At the present time we operate a number of fly-in outposts in the Chapleau area and look forward to the addition of Kanipahow Wilderness Resort.

For anyone unfamiliar with our location and wanting to visit us, traveling by car, take Highway 101 east to Kanipahow Road, follow Kanipahow Road 3.5 km to the end. Traveling by boat, Kanipahow Wilderness Resort is located 3 km east of town on the Chapleau River at the mouth of Mulligans Bay.

Along with our fully equipped modern cottages, capable of hosting family functions large and small, we also have a select number of seasonal trailer sites available for the 2008 season on a first come basis. For more information please call 1-705-864-1846 or our toll free number 1-888-643-6678 or visit our website www.kanipahow.com. E-mail: walleye@kanipahow.com.

Kanipahow Wilderness Resort is dedicated to the fishing, hunting and outdoor enthusiast. We look forward to the continued service to the people of Chapleau and surrounding area.

Our Lady of Fatima news

October has been a very busy month at Fatima. Students, staff, and parents enjoyed the traditional Thanksgiving Feast with a delicious turkey and all the trimmings prepared by Mr. Levesque, volunteer parents, and Grade 5-8 helpers. What a success and a good chance to really think of what we have and be thankful for.

The Grade 7/8 class received again an interesting visit: Mrs. Marnie Colter from the Royal Hospital of Ottawa spent 3 days conducting a section of the Prevention Program that she offers using the closed TV circuit at Turning Point. Through games and activities, students

practiced some positive techniques to handle different issues that teens have to face nowadays: peer pressure, bullying, use of tobacco, alcohol, drugs, etc.

Fundraising has started full blast at our school. Active new staff members: Mrs. Paulette Albert and Ms. Melissa Pino have designed a weekly hot lunch plan: burgers, soup and sandwich, spaghetti, and hot dogs are some of the yummy dishes students from SK to Grade 8 will enjoy on Fridays. Raffles and selling of some useful household items are also part of the plan: scented candles have

been already ordered and sold; next are spreads, oils and jams will be out on the first week of November. Any reader interested could contact any Fatima student or call the school(864-1081). Funds collected will be destined to sponsor diverse educational activities and outings.

Grade 7/8 students always enjoy their time as Reading Buddies with Ms. Pino's class: SK/JK/1. What a good example, keep up the good work, kids!

Chapleau High School 2007 Tree of Lights

The Chapleau High School Students' Council will be having a Christmas "Tree of Lights" which gives everyone an opportunity to remember their loved ones (deceased and living) as well as friends and family members in a special way during this Christmas season.

CHS Students' Council used the proceeds from the 2006 Tree of Lights to send packages containing treats, toothbrushes, lip balm, lotion, socks, and other items to Canadian troops in Afghanistan. Parcels were sent to Spr. Joel Lafreniere and Lt. Julie Boulet, both born and raised in Chapleau. Our latest packages were sent on November 9, 2007 to Cpl. Nadine Gelineau and Lt. MDC Johns, both of whom have connections to Chapleau. Our thanks

are extended to Dr. Jim Shearer and staff and Maureen Lavoie for their donations to these packages.

This 2007 tree is being donated by Students' Council in honour and memory of our veterans. This tree will act as a symbol of unity between Chapleau High School and the community it supports, wishing everyone Christmas peace, joy, and lasting happiness. Some of the proceeds will be used to make improvements to the school's

courtyard. Lights may be purchased for \$5.00 each from members of the Chapleau High School Students' Council who will be blitzing the town with donation forms. Donations may also be mailed to Chapleau High School.

The entire tree will be lit on December 3rd at 7:00 p.m. at the High School. Christmas carols will be sung and refreshments will be served. Area residents are invited to join in the celebrations.

I, _____, would like to purchase _____ bulb(s) at \$5.00 each in honour/memory of: _____
Cash _____ cheque _____ money order _____ for \$ _____ is enclosed.

Chapleau Innovation Centre Coordinator

The Chapleau Education and Training Coalition has established the Chapleau Innovation Centre, which is intended to serve as a one-stop centre to access education and training programs, apprenticeship and employment-related services, and entrepreneurship.

The Chapleau Innovation Centre Coordinator will be hired for a three-year contract starting January 7, 2008 until December 31, 2010. The salary for the 12-month contract is \$38,000.

The duties associated with this position are as follows:

- Defining programs in alignment with the Centre's objectives
- Overseeing activities including continued needs assessment of training, business/industry and community sectors
- Acting as a resource to assist in identifying opportunities and responding to training and life long learning related inquiries
- Serving as a resource and support to individuals, groups and businesses looking for business start-up or expansion
- Providing assistance to individuals in career exploration or advancement, job search, entrepreneurial projects and capacity building
- Pro-actively developing and maintaining relationships with key organizational contacts to enhance the development and delivery of programs
- Managing the Chapleau Innovation Centre
- Developing marketing strategies
- Providing assistance on all aspects of development & delivery of technology solutions including technical applications
- Developing and providing recommendations to improve business processes
- Providing some support on technical, internet and hardware issues
- Using innovation and technology for the delivery of programs and services in a cost-effective manner
- Working in collaboration with identified partners, service providers and funding agencies.

The ideal candidate:

- Must be bilingual (English/French, spoken/written)
- Will have project management experience
- Will possess good interpersonal, presentation and communication skills
- Will demonstrate sound judgment and solid problem solving skills
- Will possess a strong knowledge of software, including the ability to work with MS Office Suite (MS Word, Excel, PowerPoint, Outlook), Simply Accounting and the Internet
- Will hold a business administration diploma, automated office skills certificate or human resources management certificate, or an equivalent educational background
- Will have experience in the planning and delivery of training programs

We ask that you please forward your curriculum vitae by email to formationplus@bellnet.ca or by fax at 705-864-2822 (no later than 4:00 p.m. November 30th, 2007).

Coordonnateur(trice) – Centre d'Innovation de Chapleau

La Coalition pour l'éducation et la formation de Chapleau a mis sur pied le Centre d'innovation de Chapleau, centre unique offrant l'accès à des programmes d'éducation et de formation, des services d'apprentissage, des services reliés à l'emploi et des services d'entrepreneuriat. Le coordonnateur (la coordonnatrice) du Centre d'innovation de Chapleau sera embauché(e) sur une base contractuelle pour trois ans à compter du 7 janvier 2008 jusqu'au 31 décembre 2010. La rémunération pour un contrat de 12 mois s'élève à 38 000\$.

Les tâches du coordonnateur(de la coordonnatrice) consistent à:

- Définir les programmes en fonction des objectifs du Centre
- Contrôler les activités du Centre, y compris l'analyse soutenue des besoins en matière de formation, des secteurs commerciaux/industriels et communautaires
- Servir de personne-ressource pour aider à identifier les perspectives intéressantes et répondre aux questions reliées à la formation et à l'éducation permanente
- Servir de personne-ressource pour apporter du soutien aux particuliers, aux groupes et aux entreprises voulant fonder ou agrandir une entreprise
- Aider les particuliers en matière d'exploration ou de perfectionnement de carrière, recherche d'emploi, projet d'entreprise et renforcement des capacités
- Susciter et cultiver des bons rapports avec les répondants clés de divers organismes en vue de favoriser la mise sur pied et la prestation de programmes
- Gérer le Centre d'innovation de Chapleau
- Élaborer des stratégies de marketing
- Prêter main forte en ce qui a trait à tous les aspects qui entourent la création et la prestation de solutions technologiques, y compris celles qui sont reliées aux applications techniques
- Formuler et apporter des recommandations en vue d'améliorer les processus d'entreprises
- Apporter de l'assistance sur les questions d'ordre technique, internet et matériel
- Avoir recours à l'innovation et la technologie pour assurer la prestation rentable des programmes et services
- Travailler de concert avec les associés, les prestataires de services et les agents de capitalisation identifiés.

Le candidat (la candidate) par excellence :

- Est bilingue (anglais et français parlés et écrits)
- Possède une expérience antérieure en gestion de projet
- Fait preuve de sociabilité, de prestance et de communication
- Est doté(e) d'un bon jugement et d'une capacité de résoudre des problèmes
- Maîtrise divers logiciels, y compris MS Office Suite (MS Word, Excel, PowerPoint, Outlook), Simply Accounting et l'Internet
- Est diplômé(e) en gestion commerciale, en bureautique ou en gestion de ressources humaines, ou encore a terminé des études équivalentes
- Possède une expérience en planification et en prestation de programmes de formation

Les intéressés sont priés d'acheminer leur curriculum vitae par courriel à formationplus@bellnet.ca ou par télécopieur au 705-864-2822 (au plus tard le 30 novembre à 16h).

Chapleau Senior Citizens Club...Alive and active!

The seniors participated in the fall fair and held a very successful penny sale and a 50/50 draw, as 1st prize and a beautiful afghan and matching pillow as second prize.

All the items in the penny sale were

crafted or donated by the members of the club. We are proud to say that we do not ever solicit from local businesses... So when we do go looking for a bargain...please be kind to us.

We donate some of the receipts from these activities to the Hospital Foundation, the Activation Department, the courtyard project, the palliative care, the House of Kin, the C.N.I.B. and other local organizations.

We donate a

yearly amount to the Activation Department in remembrance of our deceased members.

We enjoy many social activities, such as: Bridge Played every Monday afternoon in our Centre. New members are cordially welcomed! Join us for an afternoon of easy going fun! We have court whist parties, go out for luncheon as a group, travel to Timmins, play cards at the Legion once a month, hold pot luck dinners.

We also have a

senior choir and we entertain at the hospital on different occasions. We are in need of powerful new voices.

Our next event will be our Christmas Tea to be held at Cedar Grove, on Saturday December 1st. Tickets will be available in the very near future from members and at the

door. You are all invited to attend. We welcome new members.

Membership is

only \$10.00 payable at the tea or at any other time. Anyone over the age of 50 can join our group.

THE LOCAL MARKET PLACE

CHADWIC HOME, FAMILY RESOURCE CENTRE

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Chapleauite wins wood working competition

Cont'd from P.3
 pursue a career in the value-added industry. He plans to approach his father and brother in-law about the possibility of making his Maple Staples brand a reality by building and selling his boxes. Ayotte and Predon both know exactly how they will spend their award money. With his \$10,000, Ayotte plans to purchase some woodworking tools and equipment, pay off

some of his student debts, and repay his parents some money they were generous enough to lend him. Predon will put his \$3000 toward living expenses and notes that "This contest was a bit of a blessing, because money is really tight this year." Denis, Kevin, and Dr. Leitch travelled to Toronto on November 6 to attend the annual Wood Works awards gala. The students were honoured by the

University and presented with their cheques during a visit by Marianne Bérubé to the Lakehead campus on Monday, November 12.

When required, Dr. Leitch provided supervision and assisted with all in-house production for Lakehead's Wood Works submissions. Denis Ayotte is the son of Mr. & Mrs. Sylvain Ayotte of Chapleau

WELDING ALSO AVAILABLE.

THE GREAT REFRIGERATOR ROUNDUP IS HERE!

WE'LL TAKE AWAY YOUR OLD FRIDGE FOR FREE.

That old, inefficient second fridge of yours is wasting up to \$150 per year in electricity. We'll come to your house and pick it up for FREE* - we'll even haul it out of your basement for you. Then we'll take care of it in an environmentally responsible manner. When we're finished recycling and reclaiming material, all that's left for the landfill will just about fit inside a cowboy hat!

To schedule an appointment or learn more, visit www.everykilowattcounts.com/roundup or call 1-877-797-9473

A program offered by
OPA Every Kilowatt Counts
 Ontario Power Authority
