Brown re-elected in a Liberal majority

Mike Brown, MPP for Algoma-Manitoulin, won a sixth consecutive term in last night's general election.

"I would like to thank the many supporters and volunteers, from across the riding, who worked so hard, from Manitouwadge to Killarney," said Brown. "But I would most like to thank the voters of Algoma-Manitoulin for once again placing their trust in me. It continues to be an honour to serve everyone in this riding at Queen's Park."

Mike and supporters gathered last night at the Curling Club in Espanola to celebrate the election victory.

"Now we can keep moving forward

here in Algoma-Manitoulin, to build on the progress we have already made in education, health care and building stronger communities," said Brown.

Brown was re-elected in the October 10th provincial election with 11,500 votes to NDP candidate Denley's 9,853.

Brown was most recently Parliamentary Assistant to the Minister of Natural Resources and chaired the Cabinet Committee on Education Policy. He also served as a member of the Legislative Committee on Justice Policy. On October 11, 2005, the Honourable Michael A.

Brown was elected as Speaker of the Legislative Assembly of Ontario.

Mike was born in Sarnia, Ontario and graduated with a Bachelor of Arts degree in history from the University of Western Ontario. He subsequently earned a diploma from Humber College of Applied Arts and Technologies.

Prior to entering provincial politics, Mike was the deputy mayor of Gore Bay and President of the Manitoulin Municipal Association. He managed a small business and worked as a funeral director on Manitoulin Island from 1974 to 1987.

While repre-

senting the people of Algoma-Manitoulin at Queen's Park, Mike has held numerous key posts both in government and opposition. Mike was named Deputy Speaker of the Ontario Legislature in 1999. In opposition, he was the Liberal critic for Seniors Issues, Natural Resources, and Northern Development and Mines. In October of 2003 Mike Brown was elected to the Ontario Legislative Assembly for a fifth consecutive term. First elected in 1987, he was also mandated by the people in 1990, 1995 and 1999.

Mike lives in Kagawong, Manitoulin Island, with his wife, Lynn. They have

four daughters.

Chapleau receiving Mike Brown funding for the was instrumental in overpass repairs.

Public information session regarding the future of ATV'ing in Chapleau

You see people driving ATVs down the main street every day and maybe you are one of them! Our Chapleau ATV club formed and then remained inactive for a while. Now it seems we may have information to spring into action again and move forward towards making Chapleau a top destination for ATV tourists!

The purpose of the Club is: to promote greater interest in ATV use; to improve the public image of ATV

users through education and encouragement of safe, considerate and responsible use of the environment and ATVs; to work with government officials and others toward mutually satisfactory rules for broader use of crown land by ATV users; to promote the use of ATVs as a family sport vehicle; to promote properly organized ATV trips, rallies and competition; to promote friendliness and good fellowship among ATV owners; to cooperate with police,

fire and Civil Defense officials, and other community organizations by providing ATVs for emergency duty; and to promote the healthful benefits of ATVing as a recreational activity

The Club's Code of Ethics are as follows: promote responsible conduct; ensure the lowest possible impact on the environment; respect other people's property and rights; lend a helping hand when someone is in distress; be available to assist in

emergency situations; recognize the rights of other user groups; learn and obey all federal, provincial, and municipal rules regulating the operation of ATVs and to not travel where prohibited.

Many community members have questions regarding the future of this rapidly growing form of recreation in Chapleau. Our local ATV club will be holding a public information session with guest speaker Ryan Bignucolo -

Director of External Relations for the OFATV (Ontario Federation of All Terrain Vehicles). The session will be held Wednesday October 17th, 2007 at 7 pm at the Conference Room in Aux Trois Moulins Motel. It will be a great opportunity to learn more about the club and the future of ATVing in Chapleau.

If you need more information please call Kathleen or Roger at 864-1313. All are welcome. Hope to see you there.

The Superior East Community Futures Development Corporation helps shape the future of our communities

Submitted by Tracy Amos

October 19th, 2007, marks the day Ontario celebrates the valuable contribution Community Futures Development Corporations (CFDCs) make to our rural communities. CFDC Day serves to highlight the important role small and medium-sized businesses play in the economic well-being

of our communities. The event is being held on the Friday of Small Business Week (October 14-20), an initiative of the Business Development Bank of Canada.

"We are proud of the role the Superior East CFDC plays in assisting entrepreneurs and rural communities throughout the region," says Doug McCrank, Chair of the Superior

East CFDC. "As a locally-run, not-for-profit organization, we are in tune with the economic development needs and priorities of our communities."

The Superior East CFDC is a not-for-profit, locally-run organization serving the communities of Chapleau, Dubreuilville, Wawa and White River and dedicated to helping small and medium-sized businesses grow and succeed. Last year, the Superior East CFDC invested \$834,467 in local SMEs to help create and maintain 118 jobs, contributing to an enhanced business community. In 2007, Superior East has

invested \$990,992 in local SMEs to help create and maintain 51 jobs.

In Ontario, there are more than 336,000 small businesses with fewer than 100 employees. These account for 97 per cent of all Ontario businesses and nearly 50 per cent of the total workforce. According to Statistics Canada, the small business sector is responsible for the creation of about half of all new jobs in Ontario.

The Superior East CFDC is one of 61 Community Futures Development Corporations in Ontario. CFDCs are funded by Industry Canada's Community

Futures Program through FedNor. They deliver a wide variety of services in support of community economic development and small business growth. They employ local staff and are governed by a volunteer Board of Directors made up of local residents representative of the community.

In the last five years, Ontario CFDCs, through their investment and business counselling activities, invested

more than \$244 million to help the small business sector create or maintain 28,472 jobs.

This event marks the sixth year Ontario has celebrated the role Community Futures Development Corporations play in shaping the future of our communities.

La société d'aide au développement des collectivités supérieur est soutien le façonnement de l'avenir de nos collectivités

Le 19 octobre 2007 marque la journée au cours de laquelle l'Ontario célébrera la précieuse contribution qu'apportent les Sociétés d'aide au développement des collectivités (SADC) à nos collectivités rurales.

La Journée des SADC sert à souligner le rôle important que jouent les petites et les moyennes entreprises pour le bien-être économique de nos collectivités.

L'événement aura lieu le vendredi de la Semaine de la petite entreprise (du 14 au 20 octobre) – une initiative de la Banque de développement du Canada.

« Nous sommes fiers du rôle que joue notre SADC pour soutenir les entrepreneurs et les collectivités rurales de la région, affirme Doug McCrank, président de la SADC Supérieur Est. En tant qu'organismes à but non lucratif administrés par les

membres de leur localité, notre SADC est synchronisée sur les besoins en matière de développement économique et les priorités de nos collectivités. »

La SADC Supérieur Est est une organisation locale à but non lucratif qui offre ses services aux communautés de Chapleau, Dubreuilville, Wawa et White River et qui a pour mission d'aider les petites et les moyennes entreprises à croître et à prospérer. L'an dernier, la SADC Supérieur Est a investi 834 467 \$ dans les PME locales pour aider à la création de 118 emplois, ce qui a donné un coup de pouce au milieu des affaires. En 2007, la SADC Supérieur Est a investi 990 992 \$ dans les PME locales ce qui a aidé à la création et au soutien de 51 emplois.

En Ontario, il existe plus de 336 000 petites entreprises employant moins de

100 personnes. Ces entreprises représentent 97 % de toutes les entreprises de l'Ontario et près de 50 % du total de la population active.

Selon Statistique Canada, le secteur de la petite entreprise est responsable de la création d'environ la moitié de tous les nouveaux emplois en Ontario.

La SADC Supérieur Est est l'une des 61 sociétés d'aide au développement des collectivités en Ontario. Les SADC sont subventionnées dans le cadre du Programme de développement des collectivités d'Industrie Canada, par l'entremise de FedNor. Ces

organismes offrent un large éventail de programmes et de services à l'appui du développement économique communautaire et de l'essor de la petite entreprise. Dotées d'un personnel recruté sur place, les SADC sont gérées par un conseil d'administration composé de bénévoles locaux représentant l'ensemble de la collectivité.

Au cours des cinq dernières années, les SADC de l'Ontario ont investi plus de 244 millions de dollars, sous forme de prêts et de services-conseils, pour aider le secteur de la PME à créer ou à maintenir plus de 28 472 emplois.

Cet événe-

ment marque la sixième année de célébration en Ontario du rôle que jouent les Sociétés d'aide au développement des collectivités pour façonner l'avenir de

nos collectivités.

Teen Section, New at the Chapleau Public Library

Chapleau High student hard at work in new Teen Section

Since the fall of 1985, one week during the fall months has been set aside to promote public library services in Ontario. This annual event is

known as Ontario Public Library Week and is sponsored by the Federation of Ontario Public Libraries. This year's theme: Libraries: The World At Your Fingertips is held from October 15 - 21; which coincides with Canadian Library Month. To participate with Ontario Public Library Week, the Chapleau Public Library would like to welcome the community and especially the teenagers of Chapleau on Tuesday October 16 from 7-9pm when the library

officially opens their Teen Section. Snacks

and refreshments will be served.

During the summer months, summer library employees created a Teen Section in the library in hopes to raise the number of teens visiting the library. With funding from the Chapleau High School's 2003 Tree of Lights donation and Community Access Program (CAP) they were able to create a Family Day To Be Celebrated Every Third Monday Of February fun area for teens to come and hang out and/ or do homework. The Teen Section, located

at the front of the library, includes a 'fun table' which is filled with fun facts, riddles, mind games and many other interesting blurbs, a stereo, a television, and a basket filled with school supplies. The stereo is available for your use and is able to play music from CDs, the radio, MP3 players, USB keys, and iPods. It can also charge iPods while playing its music. Library movies can be played on the library television during library hours. The Teen Section is a great place to do homework, hang out

with friends and to hold small meetings. The library also has graphic novels, magazines, talking books in French and English, and offers free internet and computer use. The Library is open to any ideas and suggestions.

The Friends of the Library will soon be selling 50/50 tickets in support of the Chapleau Public Library. Tickets will be sold at the library and from Friends members and will sell for \$1 each or 6 for \$5. The draw will be held at 2pm on December 21st at the library.

Family Day To Be Celebrated Every Third Monday Of February

CNW/ - Premier Dalton McGuinty got back to work today on behalf of hard-working Ontario families by confirming that he would create a new statutory holiday this February called Family Day.

"There is nothing more valuable to families than time together. And yet it seems tougher than ever to find, with so many of us living such busy lives," McGuinty said.

"That's why, on the third Monday of this coming February - and every February from now on - Ontarians

deserve a new statutory holiday - Family Day."

Adding Family Day to the calendar would give Ontario workers and families a total of nine statutory holidays per year, putting the province on par with Saskatchewan, Alberta and British Columbia.

In addition, although not recognized as a statutory holiday under the Employment Standards Act, the first Monday in August is observed as a civic holiday in many Ontario municipalities.

"I can think of no

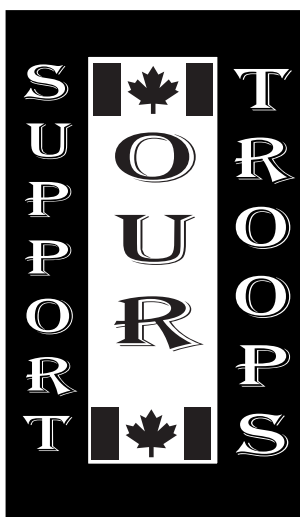

better way for our government to get to work than by rewarding Ontarians for all their hard work, and for their belief that when we work together, build together and dream together, there is nothing we cannot accomplish."

Premier McGuinty also pledged to continue working hard on behalf of the people of Ontario as his government begins its second mandate.

"We will continue to move forward,

together. And moving forward, for our government, means that we must work as hard, care as deeply and dream as vividly as the people we are privileged to represent "he said.

"We live in the greatest province in the most blessed country in the world," said McGuinty. "We have made great progress, together, in the past four years - and we know we have more to do in the next four years."

Chantale's Aromatherapy Relaxation Therapist

Winners for the month of September:
Fernand Gauthier - Denis Rochon
Bonnie Ivey - Diane Palosaari

How is your Health? Do you want to have a strong, healthy life? If so Chantale's Aroma has all kinds of Essential oil treatments for you. We have a foot bath, detox spa, sauna, massages, sonic relief ultrasound, tanning bed, weight loss treatment, Indian head massage and reflexology.

Specials for teenagers and seniors

For the teenagers: Buy a tanning package and receive tanning lotion for half price. **For seniors 50 years old and over:** Buy one massage at the regular price and receive the second one at half price.

If you are tired of living in your pain, Chantale can make a difference in your life. At Chantale's Aroma you will get the best service there is to offer. Call today for an appointment at 705-864-1605 or email chantale_aromatherapist@hotmail.com

La francophonie en folie

LE DRAPEAU SE FÊTE EN GROS!

Les élèves de l'école Sacré-Coeur se sont réunis en fin de journée du mardi 25 septembre dernier afin de fêter le drapeau Franco-Ontarien. Danyelle Bernier (photo du bas à gauche) et Nia Gauthier (photo du bas à droite) démontrent les drapeaux qu'elles ont confectionnés tandis que la photo du haut démontre une activité où un groupe d'élèves doit reconstruire le casse-tête géant du drapeau Franco-Ontarien. Tous se sont bien amusés.

ÇA BOUGE À TRILLIUM!

La rentrée scolaire est maintenant passée et le tout va de bon train à Trillium. Voici quelques événements qui ont eu lieu à l'école depuis le début septembre.

Pour les élèves de la 7^e à la 9^e année

Les parents des élèves de la 7^e, la 8^e et la 9^e année ont assisté à une soirée des parents le 12 septembre où ils ont eu la chance de visiter l'école, de rencontrer le personnel enseignant, y inclus nos nouveaux et de se familiariser avec la nouvelle routine de leur enfant. Le 5 octobre, ces mêmes élèves ont participé à une après-midi de jeux coopératifs organisés par Monsieur Thibeault et Mme Jacques, nos deux enseignants d'éducation physique et les élèves du cours de leadership. C'était une journée fabuleuse et les élèves se sont beaucoup amusés.

Les sports

La saison sportive est bien entamée. Le 25 septembre, nos équipes sportives ont affronté les équipes de l'École secondaire St-Joseph Wawa à E.s.c. Trillium. Notre équipe de ballon-volant garçons juniors, entraînés par Mme Anik Nadon

ont gagné les deux premières parties 25-21 et 25-21. St-Joseph a remporté la troisième partie, 12-15. Notre équipe de ballon-volant garçons séniors, entraîné par Mme Renée Weber a remporté la première partie 25-22 et, malgré un effort vaillant de leur part, a perdu la deuxième partie 26-24. Ils se sont repris en main pour gagner de façon décisive la troisième partie, 15-9. Nos filles séniors, entraînées par M Pascal Lafrance, ont facilement remporté leur match de ballon-panier 34 à 22 contre les filles de St-Joseph. Malheureusement, nos filles juniors, entraînées par Mme Natalie Tessier, n'ont pas joué car St-Joseph n'a pas d'équipe junior.

L'équipe de NET

Une équipe de NET (Nouvelle évangélisation sur le terrain) composée de jeunes adultes bénévoles, ont animé une journée de réflexion fort dynamique auprès de nos élèves. Cette retraite, qui a eu lieu le mardi 9 octobre, avait comme thème Qui es-tu ? Cette journée a compté comme une journée régulière de programmation car elle a vu au développement spirituel de nos élèves.

FORT BOYARD

ON DIT QU'UNE IMAGE VAUT MILLE MOTS ET BIEN...

PARENTS EN ACTION - MOTIVATION

Plusieurs parents ont profité des ateliers offerts lors du forum "Parents en action/Motivation" organisé par les deux conseils d'école de la place les 21 et 22 septembre dernier.

À la fin des deux jours, un tirage de quatre bourses d'une valeur de 500\$ a eu lieu. Les heureux gagnants sont: Isabelle Perreault, Nicolle Shuurman, Luc et Isabelle Servent et Jocelyne Gervais.

Essayez de deviner qui a dit ce qui suit:

"Notre jeunesse (...) est mal élevée, elle se moque de l'autorité et n'a aucune espèce de respect pour les anciens. Nos enfants d'aujourd'hui ne se lèvent pas quand un vieillard entre dans une pièce, ils répondent à leurs parents et bavardent au lieu de travailler. Ils sont tout simplement mauvais." (réponse le mois prochain)

En haut à gauche : atelier du matin avec Monsieur Louis Tanguay

En haut à droite : atelier sur la FESFO avec Mélanie St-Martin

En bas à gauche : atelier sur les devoirs et réussites avec Natalie Tessier

En bas à dr. : kiosque de la PPO avec Nellie Mitchell et Const. Don Arsenault

LES ÉLÈVES DE L'É.S.C. PRÉLÈVENT DES FONDS POUR LA FONDATION TERRY FOX

Une somme d'un peu plus de 1 800\$ a été prélevée par les élèves de l'école Sacré-Coeur afin d'en faire le don à la Fondation Terry Fox. Renay Bernier, élève de la 5^e année, a prélevé 373\$ de son côté afin de se mériter un t-shirt commémoratif de la Fondation Terry Fox. Lorsqu'on lui demande sa

motivation pour prélever les fonds, elle fait réponse: « Il est important de ramasser de l'argent pour la recherche d'une guérison au cancer. Plusieurs personnes meurent du cancer et plusieurs familles en sont affectées. » Félicitations et merci à Renay!

Renay Bernier

MIDI-GRAM

Vous aimeriez réviser votre grammaire, mais vous n'avez pas beaucoup de temps libre? Eh bien, FormationPLUS a peut-être une solution : un cours de grammaire à l'heure du dîner!!! Si l'intérêt est là, le

cours commencerait le jeudi 25 octobre à 12h10. Et tout cela - GRATUIT :-). Vous n'avez qu'à amener votre dîner. Ce cours est ouvert à tous. Donnez votre nom dès aujourd'hui en composant le 864-2763.

Chapleau Public School News

Terrific Students for the month of September: Courtney Doyle-Evans, Keiko Larocque, Jaiden Byce, Bryanen Law, Timo Sawyer, Colt Meyer, William McWatch and Jarrod Ferderber-Paypompee. Also in the picture is Mr. G. Boucher, Principal. Mme Martel provided entertainment for the assembly with help from various students in the different grades. It was our first assembly for the new school year and we were joined by a number of parents. A special thanks also goes out to Mr. J. Cranney, CP Rail, for helping us present pins to our terrific students.

Subscriptions to the Chapleau Express make great gifts.

EMPLOYMENT OPPORTUNITY

Services de santé de Chapleau Health Services is currently seeking a Temporary Part-Time Housekeeping/Laundry Aide.

Qualifications:

- Minimum Grade 10 education.
- Ability to communicate orally and in writing in the English language.
- Ability to communicate orally in French will be considered an asset.
- Experience in commercial laundry and housekeeping services, particularly in a health care environment and formal certification will be considered an asset.

Interested applicants are invited to submit their resume with references by October 19th, 2007 to:

Human Resources Department
Chapleau Health Services
6 Broomhead Road, P.O. Box 757
Chapleau, ON P0M 1K0
Telephone - 705-864-3054.
Fax - 705-864-0449
Email - chapleaurh@sschs.ca

While we appreciate all applicants' interest, only those selected for an interview will be contacted.

Please visit our website at www.sschs.ca
Cet avis est disponible en français.

Ms. Voskamp's LEAD Class celebrated the beginning of the Thanksgiving weekend with a spaghetti lunch. Mrs. S. Bernier, EA, and Raven Agawa, one of the students, prepared the lunch which was enjoyed by all the students and staff members in the class.

Students from Chapleau Public School participated in our Annual Terry Fox Walk at the Field of Dreams. All the staff and students from Jk/Sk to Grade 8 took part in the walk. It was a tremendous school effort. Every child was encouraged to bring a toonie for Terry and the money has been sent to the Terry Fox Foundation. Many thanks to Mrs. V. St.Amand who co-ordinated the event and Mrs. S. Bernier, our school photographer.

OPP impounds 175 vehicles during Operation Impact

/CNW - The Ontario Provincial Police impounded 175 vehicles and seized 175 drivers' licences over the Thanksgiving Week as part of Operation Impact, Commissioner Julian Fantino said.

"The new legislation allowing us to seize a car and the driver's licence is a powerful tool that will help all police services combat speeding, street racing and aggressive driving," Fantino said.

"Unfortunately, too many motorists still don't believe we will take their car and licence if they are caught doing more than 50 kilometres over the posted speed limit or if they are making unsafe wheelies on a

motorcycle as well as other dangerous manoeuvres.

"They're quickly finding that we will. We're unrelenting. We're not going to give up. We're going to do whatever it takes to change people's inappropriate driving habits, one dangerous driver at a time if that's what it takes."

The OPP has impounded 269 vehicles and suspended 269 drivers' licences since the legislation (Bill 203) came into effect Sept. 30.

Friday afternoon, a motorcyclist was clocked at 210 kilometres per hour in a posted 100 kph zone on Highway 400. He passed an OPP cruiser doing 180 and then

sped up when police gave chase. He was finally stopped when he collided with a cruiser at the Highway 7 exit. He faces numerous charges and had his motorcycle and licence seized.

In western Ontario, OPP aerial surveillance tracked one motorist driving in an aggressive manner, making unsafe lane changes, tailgating and cutting off other drivers and speeding. He was charged with careless driving and also received a 12-hour licence suspension for failing a roadside breath test. He was one of six motorists who had their vehicle impounded in the Chatham-Kent area.

One motorcyclist that was stopped has 30 convictions, 21 for speeding (one of those was for doing 164 kph in a 100 kph zone), one for no insurance, one for careless driving and one for driving while his licence was suspended.

Yesterday, an SUV weaving in and out of traffic on Highway 400 southbound rolled when the woman driver lost control, sending the driver to hospital and her passenger to a Toronto hospital with life-threatening injuries. The highway was closed for several hours during the height

of the afternoon traffic returning from cottage country. The vehicle and the driver's licence were seized under the new legislation.

Overall this year, 361 people have been killed on roads the OPP patrols, compared to 343 last year, a 5.2 per cent increase. Of that total, excessive speed was involved in 111 of the deaths, up from 89 last year, a 24.7 per cent increase. Non-use of seatbelts resulted in 99 deaths, up 33.8 per cent from the 74 deaths in 2006. Alcohol played a part in 65 deaths, a 41.3 per cent increase over 2006 when 46 people had died in alcohol-related crashes.

Four people died on highways patrolled by the OPP over the long weekend, compared to five last year. There was one marine death this year, none in 2006 and there was one ATV fatality this year, as opposed to none in 2006.

In addition, the OPP laid 5,087 speeding charges, 619 hazard moving violations, including careless driving, 506 seatbelt violations and issued 127 12-hour suspensions over the three days.

Ministry of Transportation inspectors took 196 vehicles out of service, laid 138 charges and removed the plates from 65 vehicles over the weekend.

"The OPP is working hard every day to change the driving

public's behaviour and get people to slow down, wear seatbelts and not drive aggressively," Chief Superintendent Bill Grodzinski, Commander of the Highway Safety Division said. "Unfortunately, some still aren't getting the message so until they do we will continue to use all available resources, including impounding vehicles and seizing drivers' licences for up to seven days."

The OPP annually participates in Operation Impact, a Canada-wide campaign aimed at making the nation's

highways the safest in the world. The Thanksgiving Week-end traditionally is one of the busiest on Ontario highways, trails and waterways as people head to cottage country for the final long weekend of what is referred to as the summer driving season.

Operation Impact is supported by the Canadian Association of Chiefs of Police and Transport Canada and is part of Road Safety Vision 2010, which has a goal of making Canada's roads the safest in the world by 2010. It is also part of the OPP's Provincial Traffic Safety Program.

Sudbury & District Health Unit

Service de santé publique

The SUDBURY & DISTRICT HEALTH UNIT (SDHU) is a progressive, accredited public health agency committed to the concepts of workplace wellness. With a head office in Sudbury and four branch offices throughout the districts of Sudbury and Manitoulin, the SDHU delivers legislated public health programs and services under the leadership of the Medical Officer of Health and governance of the Board of Health. The SDHU is designated as one of five provincial teaching health units and is affiliated with Laurentian University.

We are currently seeking a highly motivated individual to work with our communities to promote and protect health and prevent disease.

**Office Assistant - Casual
Chapleau Branch Office**

Reporting to the Administrative Assistant, Corporate Services, the successful candidate will provide backup coverage for the clerical staff in the Chapleau branch office (for example, to cover sick leave and vacations).

Resumes will be accepted until October 19, 2007. For complete details on this exciting opportunity, please visit www.sdhu.com or call Human Resources at (705) 522-9200, ext. 430 for a copy of the advertisement posted on our website. Only those candidates selected for an interview will be contacted.

BODYLINES BY CRACK LTD.

Will be coming to Chapleau soon to do mobile estimating service. If you would like to set up an appointment to have your vehicle looked at for auto body repairs, please call Bodylines in Wawa at **1-705-856-1406** and we will set up an appointment to come to your home or work at your convenience to estimate your vehicle. Collect calls accepted. We also do windshield replacement and repairs, insurance claims, custom restoration and frame repairs with our laser measuring equipment.

We have 5 licensed body men, 1 licensed painter and 1 certified windshield installation man.

All our work is guaranteed.

Our office hours are from 8 a.m. to 5 p.m.
Monday to Friday.
(Closed for lunch 12:00 to 1:00)

Your Propane Refilling Station

THE LOCAL MARKET PLACE

CHADWIC HOME, FAMILY RESOURCE CENTRE

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

ALCOHOLICS ANONYMOUS

Growing potential of flax in Northern Ontario

Laird Township and Science Enterprise Algoma (seA) are hosting a seminar on October 4th about the potential of growing flax in the region, which has been identified as a valuable and viable agricultural opportunity for Northern Ontario.

Developed for both its fibre and seed

oil, flax grows well in cool climates, which has helped establish Canada as the current world leader in its production and export.

"With a variety of uses and purposes, flax has significant potential to diversify Northern Ontario's agricultural interests," says Ross MacLeod, Rural

Value Added Crop Assessment Coordinator of Laird Township.

"A big selling feature of flax is that, once processed, its meal is a high-protein booster for animal feed, and Northern Ontario is predominantly a livestock raising area."

"By hosting this seminar, Laird Township and Science Enterprise Algoma will inform producers about flax, its uses and current markets to hopefully convince some of them to give it a try, whether on a crop trial basis or for commercial sale."

With current market demands for environmentally-friendly products and technologies, local agricultural and rural communities, as well as federal and provincial governments, have recognized the potential for commercial advancements in a growing bio-based economy.

As one of the oldest commercial crops in the world, flax can be used to make a number of products including

fabric, dye, rope, paper, fishing nets, medicine and soap.

Flax is also a green alternative to many solvents and petroleum-based chemicals. The seeds produce a vegetable oil known as linseed or flaxseed oil, which is used to manufacture linoleum flooring, drying oil in paints and varnishes, adhesives in fiberboard, as well as nutritious foods.

Flaxseed oil is rich in omega-3 fatty acids and lignans, which have a number of nutritional health benefits and even contain anti-cancer properties.

Flax is also quite valuable for its fibre, which is soft, lustrous, flexible and stronger than cotton. The best grades of flax fibre can be used to make linen fabrics, while coarser grades are used for manufacturing twine and rope.

Hunter suspended for four years for lying about shooting a protected bird

CHAPLEAU A Timmins man, who shot a bald eagle, has been suspended from hunting for four years.

David Castonguay, 30, was convicted of making a false statement to a conservation officer about evidence found at the scene of a bald eagle shooting.

Court was told that on October 6, 2004 Chapleau Ministry of Natural Resources conservation officers responded to a report of an injured eagle. Ministry staff sent the bird to an animal hospital but it died of complications. X-rays showed shotgun pellets in the bird. Investigators used forensic evidence to determine that Castonguay was

lying when he denied shooting the bird. He had been hunting small game in Foley Township at the time the bird was shot.

The bald eagle is protected under the Fish and Wildlife Conservation Act.

Justice of the Peace Murielle Quinn heard the case in Ontario Court of Justice, Timmins, on September 20, 2007.

To report a natural resource violation, call 1-877-TIPS-MNR (847-7667) toll-free any time or contact your ministry office during regular business hours. You can also call Crime Stoppers anonymously at 1-800-222-TIPS (8477).

We would like to invite all sports teams and cultural groups to help us showcase your accomplishments. Because of our limited resources, we are unable to cover all the numerous activities that take place in Chapleau during the week. For this reason, we encourage the coaches and leaders to provide us with a small write-up of the activity that took place during the week. Simply send your pictures and text by e-mail. On some weeks, we do have to deal with a shortage of space, but we will keep your story and publish it in a subsequent week. In some cases, we may need to edit the text somewhat to ensure that it fits in the available space. Thank you for your participation and understanding.
