Successful 40th Chapleau Fall Fair

Flag bearers parading around the Community Centre.

Shane Evans, Phyllis McLeod and Mayor André Byham cutting the cake

A well attended 40th Chapleau Fall Fair came to a close last Saturday afternoon.

This year's fair was also a tribute to a well known local citizen, the late Mr. George Evans.

A special commemorative cake was made by Ethel

Orton. Free ice cream and cake was handed out.

The popularity of this event is evident as all booth space was solidly booked.

Congratulations are in order for a job well done to Phyllis McLeod and her committee comprising of Chantelle Servant-Fiaschetti, Kathy Elson, George McLeod, Sylvie Rousseau, Ludie O'Hearn, Ceileigh O'Hearn, Sarah McLeod-Greig, Heather Martin and Sheila Hunter, Mireille Larocque, McKenzie McLeod-Greig and Melanie Mallek.

MP Carol Hughes and Mayor André Byham take a moment to pose with all the flag bearers. Flags representing over 60 countries were paraded around the Community Hall for the opening ceremonies while Father Sébastien Groleau sang our national anthem. (Photo Lise McCarthy)

Letter to the Editor

The following letter was sent to Michael Gravelle, Minister of Natural Resources by Mayor André Byham.

Toronto, Ontario
M7A1W3

Dear Minister Gravelle

M. Michael Gravelle
Minister of Natural Resources
Suite 6630, 6th floor,
Whitney Block 99
Wellesley Street West

We recently learned through the media of the decision to close 10 Provincial Parks, including 2 in the Chapleau District. One of the most

disappointing facts associated with this announcement was your government's decision not to undertake any prior consultation with local governments or residents. It is hard to envision how we as citizens of Ontario can come together to address the many challenges we face

with an approach such as this. The decision to close the Shoals and Ivanhoe Parks represents a loss of 2 full time positions as well as 6 part time positions. The loss of jobs associated with operational changes and the cancellation of future capital investment will certainly harm the local economy at a time when we can ill afford it.

We in Chapleau are of the opinion that a constructive dialogue might very well lead to better outcomes than the one which has been implemented. I strongly urge you to reconsider the decision that you have made and would like to further discuss these park closures. I believe that in an era where your government is promoting a Northern Growth Plan, they have just done the

OBITUARY

Leona McCrea (nee Burns)

It is with great sorrow that the family of Leona McCrea (nee Burns) announces her peaceful passing with her family by her side on Friday, October 12, 2012 at the Red Lake Margaret Cochenour Hospital. Leona was a devoted wife, wonderful Mother and nurturing Grandmother. She was predeceased by her husband Guy (1985) her infant granddaughter Catie McCann (1986) and her son Tommy (1996). Left to mourn are her children Marjorie (Larry McCann), John (Pam Irwin), Eileen (Ted Zajac) and Joan (Jim Atkinson), her six grandchildren Lindsay (Jeff Sage), Kieran McCann (Meghan), Nathan

Atkinson, Justin Zajac (Krystal), Evan Atkinson (Crystal) and Jessica McCann as well as her two great grandchildren Cooper and Molly Sage. Leona was an associate member of the Sisters of the Immaculate Conception and devoted countless years to volunteer work at the Marianhill Nursing Home in Pembroke. She was an avid bridge player and spent many enjoyable hours at her bridge club in both Pembroke and Red Lake. She always had the time to help neighbours or friends in need. Mom was a great lady whose kindness touched so many lives in a positive way. She taught and inspired her children to be compassionate to those who were less fortunate. Leona will also be fondly remembered by her nieces and nephews and many friends and neighbours.

The family would like to thank the staff at the Red Lake hospital for their gentle care to keep Mom comfortable during her last days. John, Eileen and Joan with the greatest love and appreciation want to acknowledge their sister Marjorie and her husband Larry for their devotion and tenderness – by making your home, Mom's; you made the last years of her life the very best that they could be. We are so blessed to have you - you are a perfect example of everything that Mom taught us. We will lay you to rest Mom, but we will always love you and never forget you.

Friends are invited to share their memories of Leona with her family during visitation at the MURPHY FUNERAL HOME, 296 Isabella Street, Pembroke, Ontario on Friday 7 - 9 p.m. The Mass will be celebrated on Saturday morning October 20 at 11 a.m. in Our Lady of Lourdes Church, Lourdesview Drive, Pembroke. Internment St. Columba's Cemetery. In memory of Leona, donations to Covenant House or the Red Lake Margaret Cochenour Hospital Foundation would be appreciated by the family.

John Tavella scores first goal in Moore Arena as Chapleau Intermediate 'A' Huskies down Valley East Crusaders in 1978

Chapleau Moments

by Michael J. Morris

The Chapleau Intermediate "A" Huskies inaugurated the Moore Arena at the Chapleau Recreation Centre, 34 years ago on October 7 and 8, 1978 winning two exhibition games against the Valley East Crusaders.

With a crowd of more than 500 fans on hand for each game, the Huskies were "equal to the task" according to the Chapleau Sentinel, winning both games 6-4 and 5-4 respectively.

Doug Prusky, who had been a star with both the Chapleau Junior "B" and Intermediate "A" Huskies until an injury forced his retirement was entering his second year as coach of the Huskies. David McAdam and Glen Cappellani shared goaltending duties.

John Tavella of Wawa, now playing for the Chapleau team, who had set an Ontario Hockey Association

record for most points by a rookie when he played for the Sault Greyhounds, earned the honour of scoring the first goal in the Moore Arena at the 17:10 mark of the first period. Pat Swanson assisted.

The Sentinel reported that in the first game, Tavella and Jamie Doyle came through with "super performances culminating their efforts with two goals each.

Entering their fourth year in the Northland Intermediate Hockey League, the Huskies, were playing the newest entry. The Crusaders were the 1977-78 Sudbury Intermediate League champions.

The first period ended in a 1-1 tie.

Doyle scored his first of the night in the second with assists going to Richard Lacroix and Bill Scheer. The Crusaders again tied the match but

Ron Larcher scored on an unassisted effort, and the period ended 3-2 for the locals.

But the Crusaders roared to the attack in the third pulling ahead by one goal.

Richard Lacroix, who had returned to the lineup after an absence started the comeback when he "put home one of his blasts" assisted by Larcher and Jacques Sylvestre. Fans were delighted to see Lacroix back with the Huskies. He had been the team's leading scorer and Rookie of the year during its first year of operation in 1975-76. Tavella scored his second of the night.

With six minutes left Doyle scored his second of the night assisted by Bill Scheer and Dave McMillan, which turned out to be the winning goal.

Veteran referee Jim Hong kept the game well under control handing out only minor penalties to both clubs.

Chapleau Intermediate 'A' Huskies players. (Photo by John Theriault)

Tavella was again the big marksman in the second game as he scored twice and earned one assist.

In the second game, Larcher opened the scoring for the Huskies after the Crusaders had taken the lead. Ted Swanson, who never missed a game in the team's four year history, assisted on Larcher's goal.

McMillan put the Huskies ahead with assists to Ted Zajac and Ted Swanson.

Although the

Crusaders came back again, John Simon, also from Wawa, who had also played for the Sault Greyhounds, scored his first goal in a Chapleau uniform assisted by Tavella and Pat Swanson to give the locals a 3-2 edge at the end of the second period. Simon's son Chris played in the National Hockey League.

In the third, the Crusaders tied the game, but Tavella put the Huskies back in front assisted by McMillan and then scored the winner assisted by Simon and George Card.

As an aside, while chatting with Graham Bertrand, co-chair of the Chapleau High School 90th anniversary reunion committee, he reminded me that the recreation centre had been officially opened on June 29, 1978, 34 years to the day of the beginning of the reunion.

In 1978, Graham was the trainer for the Huskies, as well as serving as chair of Taste of the North the winter carnival and as a member of the Chapleau Recreation Centre. My email is mj.morris@live.ca

NDP's Mantha demands answers from MNR on Access to Crown Lands

Algom a - Manitoulin MPP Michael Mantha rose in question period today to ask Natural Resources Minister Michael Gravelle about allegations that some MNR employees are acquiring crown lands contrary to Public Lands Act.

"Minister, Northerners are upset and rightfully so. It's been brought to my attention that there are MNR employees, who are in the outfitters business. Working for MNR gives them the ability to influence the rules in order to restrict access to crown land.

"Subsection 39(1) of the Public Lands Act says, 'No person holding an office in or under the Ministry and no person employed in or under the Ministry shall, directly or indirectly, purchase any right, title or interest in any public lands either in the person's own name or by the interposition of any other person or in the name of any other person in trust for the person without the approval of the Lieutenant Governor in Council.'

"Minister, are you prepared to investigate these claims and guarantee equal access to crown land to all Ontarians?"

"Every year Ontarians are restricted from accessing more of our natural resources due to MNR putting up restriction signs and tearing up roads. A two tier system has been created and, worse still, MNR staff are in the middle.

"People in Northern Ontario are saying that MNR staff have purchased or

leased crown land. Instead of protecting our natural resources they're benefiting from that land. And they're setting the rules that leave local residents out and advantage others with greater means to pay.

"What is your Ministry prepared to do to investigate?" asked Mantha.

On October 13, 2012 at 12:03 pm the Ontario Provincial Police (OPP) Superior East Chapleau Detachment were advised of a single motor vehicle collision on Highway 129 in Reaney Township.

A 2001 red Dodge Caravan had left the roadway and rolled onto the passenger side in the northbound ditch. The OPP officers detected an odour of alcoholic beverage emanating from the driver.

The 40 year old male had suffered minor injuries and was transported by Chapleau Ambulance to Chapleau Hospital. As a result of OPP

investigation, 40 year old David PINDER of Chapleau was arrested and charged with the following offences;

1. Impaired Driving - Criminal Code of Canada
2. Exceed 80 milligrams of Blood/Alcohol Content - Criminal Code of Canada
3. Fail to Properly Wear Seat Belt - Highway

Traffic Act

4. Drive Motor Vehicle with Unsealed Container of Liquor - Liquor License Act

The accused was later released and is scheduled to appear in Chapleau Court on December 5, 2012.

-YOU ARE ALSO SUPPORTING THE MANY YOUTH AND SPORTS GROUPS AND LOCAL CHARITIES WHICH BENEFIT FROM THE SUPPORT OF LOCAL BUSINESSES, AS WELL AS MAINTAINING JOBS AND MUCH NEEDED SERVICES IN OUR COMMUNITY.

MAISON BOREAL HOME INC , on avance!

Il y a cinq ans, suite à l'expression d'un besoin urgent d'avoir pour Chapleau et les environs, un service d'appui pour les personnes vieillissantes, les personnes intéressées se sont mobilisées pour mettre sur pied un comité d'organisation. D'abord elles ont fait un sondage auprès des personnes de 50 ans et plus afin de mieux déterminer s'il y avait besoin d'une telle résidence de transition. Le sondage a confirmé non seulement ce désir, mais aussi l'espoir d'avoir plus de soutiens à domicile pour les personnes qui choisiraient de demeurer à la maison.

Le 'Transitional Living in Chapleau' a été créé. Ce comité est maintenant connu et incorporé sous le nom

Maison Boréal Home Inc. depuis mai dernier, également, il est une incorporation à but non-lucratif. L'objectif premier est de prolonger le sentiment d'indépendance chez nos aînés en offrant quelques services de soutien dans un milieu chaleureux.

Maison Boréal Home Inc. veut construire, ici à Chapleau, une résidence qui accueillerait une clientèle plus âgée, encore autonome, mais ayant besoin de certains services pour maintenir cette autonomie. Les logements de transition seront offerts à prix abordable (à ne pas confondre avec 'prix modique' dont les conditions financières ne sont pas les mêmes).

Depuis cinq ans, l'équipe formée de directeurs, et présidée par Mme Doreen Cachagee, travaille de façon infatigable pour faire avancer le dossier qui devient de plus en plus pressant.

Dernièrement Maison Boreal Home Inc

a défendu, pour la première fois, son plan d'affaires ce qui a permis d'entamer le processus des subventions, auprès du premier niveau de gouvernement régional. Le 10 septembre dernier, l'équipe des directeurs a rencontré le conseil municipal d'abord pour les remercier de leur soutien continu. Le comité de direction en a profité pour souligner qu'un projet d'une telle envergure à Chapleau aura un impact économique dans notre communauté parce que, en demeurant à Chapleau, la population

vieillissante est un pouvoir économique pour notre communauté. Tous en profiteront.

Cependant, le projet de logements Maison Boréal Home Inc. arrive à une nouvelle étape importante. Pour augmenter la visibilité, pour entamer le processus de cueillette de fonds, pour impliquer toute la population, Maison Boréal Home Inc. vend des cartes de membres au prix de 2.00\$ chacune, ce qui vous permettra d'assister et de voter à notre première réunion annuelle le 21 novembre

prochain à 19 heures. On vous encourage tous/toutes à acheter une carte de membre. Chaque directeur/directrice a des cartes à vendre. Donc, vous êtes cordialement invités à l'Assemblée annuelle au Centre civique afin de venir voter pour les directeurs qui siègeront sur ce comité.

De plus, la création d'un site web permettra de visionner les types de logements, le plan du bâtiment et de lire la mission et la vision de l'incorporation. Donc, n'hésitez pas, venez visiter notre site.

La construction d'une résidence de transition de cette envergure permettra non seulement aux personnes vieillissantes de maintenir et de transmettre l'histoire de notre communauté, elle encouragera aussi les membres de leur famille de les visiter ici à Chapleau.

En demeurant ici à Chapleau, les personnes vieillissantes se sentiront rassurées de demeurer dans un milieu qui leur est familier tout en demeurant autonome. Vieillir ici avec dignité!!!

Halloween at the Recreation Center and Safety Tips for Trick or Treaters

Our Lady of Fatima along with École secondaire catholique Trillium's Prom Committee would like to invite all children in our community to our funfilled, spooky afternoon of games and contests which will be held on Saturday, October 27th between 1 and 4 pm at the Chapleau Recreation Center. This event was always a very exciting time for all children which attended and we are proud to bring it back with the encourage-

ment from community members and with the help of sponsors and various individuals which have made this possible.

There will be a little something for all who attend including raffles for the grown-ups, bake sales, spooky arts and crafts, face painting and halloween games for all children. Parents can attend the event free of charge and children will receive an activity card which can be redeemed for goodie bags at a cost of \$3 per card. This event

allows the children to enjoy the festivities of halloween in a supervised, safe environment.

Halloween can be an exciting time for children and with the distraction of candy and costumes, safety rules can easily be forgotten. Here's a few simple tips to keep Halloween night a safe night for all:

Children under the age of nine should be accompanied by an adult or responsible older child since they may lack the skills to cross the street on their own.

Teach your child to stop at the curb, look left, right and left again, and to listen for oncoming traffic. This vital skill is especially important when children are distracted and excited.

It's unsafe to cross between parked cars or other obstacles - always cross at crosswalks, street corners or intersections. Many injuries occur when children run out between parked cars

Stay on the sidewalk or path when walking from house to house and if there is no sidewalk, walk beside the road, facing traffic so drivers can see you.

Select costumes with bright colours to increase your child's visibility and choose face paint instead of masks. Masks can make it hard for your child to see properly and often restrict peripheral vision, making it

difficult to check for oncoming traffic before crossing a road.

For drivers Halloween means that there will be more children out on the streets. Drivers need to take extra care.

Drive slowly in residential areas where children are more likely to be trick-or-treating. Did you know that drivers cannot accurately judge their own speed when driving? The higher the speed, the less likely you are to see a child pedestrian, and the harder it is to stop quickly.

Watch out for kids, many of whom may be wearing costumes with masks that make it difficult for them to see. With the excitement of Halloween, children may forget simple pedestrian safety rules. They have a tendency to dart out in the most unexpected places - the most common being between parked cars. Remember also that costumes can limit a child's vision and they may not be able to see your vehicle.

Remember to

enter and exit driveways slowly and carefully.

Excited trick-or-treaters may run on sidewalks, or dart out unexpectedly. Proceed with caution, when entering or exiting the roadway.

We wish you all enjoy a safe and happy Halloween with your loved ones and we hope to see you at the Recreation Center on Saturday, October 27th between 1 and 4 pm for a funfilled spooky afternoon.

WHAT IS BILL 115?

Here are the FACTS.

Bill 115 –

- Removes our ability to freely negotiate our collective agreements.
- Removes our democratic rights under the *Ontario Labour Relations Act*
- Legislates the terms and conditions of our employment.
- Imposes restrictions on the Ontario Labour Relations Board, Arbitrators and the courts.
- Removes power and responsibility from democratically elected local school board trustees.
- Designates sweeping powers to the Minister of Education.

BILL 115 AFFECTS ALL EDUCATION WORKERS.

WILL YOU BE NEXT?

A MESSAGE FROM THE EDUCATION TEAM:

More closures and cut backs for Northern Ontario

Service Ontario branches next target

The Ontario government continues to hammer Northern Ontario with closures and cut backs. In a memo

communicated with the north's 21 Service Ontario offices deemed low volume, employees were advised that

available hours to provide the services to the public will be between 16 and 20 hours per week. The sites affected are: Atikokan, Blind River, Chapleau, Cochrane, Espanola, Geraldton, Gore Bay, Hearst, Ignace, Iroquois Falls, Kapuskasing, Manitowadge, Marathon, Moosonee, Nipigon, Rainy River, Red Lake, Sioux Lookout, South Porcupine, Stratford, Terrace bay and Wawa.

All of these sites are in Northern Ontario. Aside from being remote, all have been exposed to economic hardships.

Happy 50th Birthday Crockett

Love from your family

Denise's Café
 31 Birch St. - 705-864-2400
EAT IN OR TAKE OUT
Breakfast & Lunch - Homestyle cooking
